DEPARTMENT OF THE INTERIOR,

COMMISSION TO THE FIVE C IVILIZED TRIBES.

Muskogee, Indian Territory, February 26,1902

In the matter of the application of Emily J. Connelly, et.al. for enrollment as Cherokee citizens.

Supplemental Statement.

--oOo--

There was filed with this Commission on the fourth day of Septem-ber, 1900, a copy of the records of the Citizenship Commission of the Cherokee Nation in the case of Emily J. Connelly vs. Cherokee Nation, certified by B.W. Alberty, Assistant Executive Secretary of the Cherokee Nation, under the seal of the Cherokee Nation, to be a true copy thereof, from which it appears that Emily J. Connelly was admitted to the full and perfect enjoyment of all the rights and privileges of Cherokee citizenship within the Cherokee Nation in all respects as a native born Cherokee on the 14th day of January, 1902. Said record is signed by Alex Wolfe, Acting President and T.F. Thompson, Commissioner.

It is directed that copies of this statement be filed with the testimony in the above case.

Commissioners.

CHEROKEE D 218

DEPARTMENT OF THE INTERIOR,

COMMISSION TO THE FIVE CIVILIZED TRIBES.

In the matter of the application of Emily J. Connelly, et.al. for enrollment as Cherokee citizens.

On the 29th day of August, 1900, Emily J. Connelly appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of herself and her child Maggie M. Connelly, as citizens by blood of the Cherokee Nation.

At the conclusion of the evidence offered at that time the names of Emily J. Connelly and her child Maggie M., were placed upon a "Doubtful" card awaiting proof of the admission to citizenship in the Cherokee Nation of Emily J. Connelly, as alleged.

Further evidence has been submitted to this Commission and the following decision is rendered.

D E C I S I O N.

From all the evidence of record in this case it appears that Emily J. Connelly was admitted to citizenship in the Cherokee Nation on the 14th day of January, 1882 by a decision of the Cherokee Commission on Citizenship. She has resided in the Cherokee Nation for eighteen years and is identified on the Cherokee Census roll of 1896. She had been married prior to her admission to citizenship to Jim Connelly. Her child, Maggie M. Connelly is the result of such marriage. Maggie M. is identified on the Cherokee Census roll of 1896.

This Commission in making rolls of citizenship of the Cherokee Nation is governed by the following provisions of the Act of Congress, approved June 28, 1898, (30 Stats., 495);

" That in making rolls of citizenship of the several tribes, as required by law, the Commission to the Five Civilized

is authorized and directed to take the roll of Cherokee citizens of eighteen hundred and eighty (not including freedmen) as the only roll intended to be confirmed by this and preceding Acts of Congress, and to enroll all persons now living whose names are found on said roll, and all descendants born since the date of said roll to persons whose names are found thereon; and all persons who have been enrolled by the tribal authorities who have heretofore made permanent settlement in the Cherokee Nation whose parents, by reason of their Cherokee blood, have been lawfully admitted to citizenship by the tribal authorities, and who were minors when their parents were so admitted; and they shall investigate the right of all other persons whose names are found on any other rolls and omit all such as may have been placed thereon by fraud or without authority of law, enrolling only such as may have lawful right thereto, and their descendants born since such rolls were made, with such intermarried white persons as may be entitled to citizenship under Cherokee laws."

In view of the facts and the law herein cited it is considered that Emily J. Connelly and her daughter, Maggie M. Connelly are entitled to beenrolled as citizens by blood of the Cherokee Nation, and it is therefore so ordered.

Mr. Cale Starr, representative of the Cherokee Nation: Did you take a reservation in the strip in 1894? A Yes, sir, I did.
Q Did you draw your strip money? A I drew all but $112 that was reserved in the Cherokee Treasury, I took eighty acres in lieu of the $112.

The applicant is identified on the rolls of 1880 and 1896 as a native Cherokee. He claims that he was born in the Cherokee Nation and that he has lived there all his live. He states that he took what is known as a reservation in the Cherokee strip, and the Cherokee representatives claim that this deprives him from every right of participation in Cherokee property, Therefore, at this time the applicant will be placed upon a white card. DEPARTMENT OF THE INTERIOR,

COMMISSION TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment of Thomas Bertholf, as a citizen of the Cherokee Nation.

On the 30th day of August, 1900, Thomas Bertholf appeared before the Commission to the Five Civilized Tribes, and made application for the enrollment of himself as a citizen by blood of the Cherokee Nation.

At the conclusion of the testimony offered at that time the name of Thomas Bertholf was placed upon a "Doubtful" card, awaiting further consideration pertaining to his legal status.

From all the evidence of record in this case it appears that Thomas Bertholf at the time of this application, was 59 years of age, and is identified on the Cherokee authenticated tribal roll of 1880; also the Cherokee census roll of 1896.

It appears from the testimony that the aforesaid Thomas Bertholf at the time of the Strip Payment, drew all but $112.00, which was reserved in the Cherokee Treasury, and took 80 acres in lieu thereof.

It further appears that he never lived on the Cherokee strip, but was "back and forth", and that he never exercised the right of suffrage in the Territory of Oklahoma. The longest period for which he remained in said Territory of Oklahoma did not exceed a month at a time.

The testimony further shows that he was born and reared in the Cherokee Nation, and has resided in the Canadian District of said Nation, since 1868.

The Commission is authorized to make rolls of citizenship of the Cherokee Nation by the following provision of the Act of

Congress approved June 28, 1898 (30 Stats., 495):-

"That in making rolls of citizenship of the several tribes as required by law, the Commission to the Five Civilized Tribes is authorized and directed to take the roll of Cherokee citizens of eighteen hundred and eighty (not including freedmen), as the only roll intended to be confirmed by this and preceding Acts of Congress, and to enroll all persons now living whose names are found on said roll, and all descendants born since the date of said roll to persons whose names are found thereon; and all persons who have been enrolled by the tribal authorities who have heretofore made permanent settlement in the Cherokee Nation whose parents, by reason of their Cherokee blood, have been lawfully admitted to citizenship by the tribal authorities, and who were minors when their parents were so admitted; and they shall investigate the right of all other persons whose names are found on any other rolls and omit all such as may have been placed thereon by fraud or without authority of law, enrolling only such as may have lawful right thereto, and their descendants born since such rolls were made, with such intermarried white persons as may be entitled to citizenship under Cherokee laws."

D E C I S I O N.

--oOo--

The Commission is of the opinion that Thomas Bertholf has always and continuously been a resident of the Cherokee Nation, and that his absence any time therefrom was only temporary; therefore, in view of the facts and the law Thomas Bertholf is entitled to be enrolled as a citizen by blood of the Cherokee Nation, and it is so ordered.

The applicant applies for the enrollment of himself, his wife and five children. His wife is identified on the roll of 1880 under her maiden name and on the roll of 1896 with him as his wife. The first four children as enumerated in the testimony are identified on the roll of 1896 with her. She and these four children will now be listed for enrollment as Cherokees by blood. The youngest child, Lucinda, is not of sufficient age to be upon any roll. When the Commission is supplied with a duly authenticated certificate of the birth of this child it also will be listed for enrollment as a Cherokee by blood.

Now as regards the application for the enrollment of the applicant himself, he is identified on the roll of 1896 as the husband of this wife. He is a white man. He does not produce his marriage license and certificate. He claims to have been married to his wife in 1880. He will at present be placed upon a white card, and will be required to supply the Commission with the original or an authenticated copy of his Cherokee license and certificate of marriage.

Commission to the Five Civilized Tribes.

Muskogee, I. T. February 6, 1902.

I, the undersigned, do hereby certify that the above and foregoing is a true and correct copy of the original offered in evidnce in the matter of theapplication for enrollment of James R. Poindexter, as a citizen of the Cherokee Nation.

.....
Commissioner.

CHEROKEE D 234

DEPARTMENT OF THE INTERIOR,

COMMISSION TO THE FIVE CIVILIZED TRIBES.

In the matter of the application of James R. Poindexter for enrollment as Cherokee citizen.

On the 30th day of August, 1900, James R. Poindexter appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of himself as a citizen by intermarriage of the Cherokee Nation, and for his wife and children as citizens by blood of the Cherokee Nation.

At the conclusion of the evidence offered at that time his wife and children were listed for enrollment on a regular card, and the name of James R. Poindexter was placed upon a "Doubtful" card awaiting proof of his marriage to his wife Maggie.

Further evidence in that matter has been submitted to the Commission and the following decision is rendered in his case.

D E C I S I O N.

From all the evidence of record in the case it appears that James R. Poindexter is a white man; that he was married by authority of a Cherokee marriage license to Maggie Jeffry, a citizen by blood of the Cherokee Nation on the 30th day of August, 1886. His wife has resided in the Cherokee Nation all her life and he has been living with her since said marriage. He is identified on the Cherokee Census roll of 1896. The Act of Congress approved June 28, 1898 (30 Stats. 496) directs this Commission to enroll "such intermarried white persons as may be entitled to citizenship under Cherokee laws."

Section 659 "Laws of the Cherokee Nation" (1892) provides;

"X X X X every white man, or citizen of the United States, or of any foreign state or government, [illegible] marry a Cherokee, [illegible] Nation, shall be and is hereby required to obtain a license for the same from any of the district clerks of the several district, X X X X"

Section 662 provides;

"Marriages, contracted under the provisions of this act, shall be solemnized as provided by the laws of this Nation, or otherwise shall be null and void."

Section 689 provides;

"No particular form of marriage shall be required in the solemnization of marriages, except that the parties shall solemnly declare in the presence of the judge, clerk or minister officiating, or the attending witnesses, that they take each other as husband and wife; provided, that citizens of the United States, or those of other than Indian nationalities, intermarry in among Cherokees, shall first comply with the law governing such cases."

Under the facts in this case and the law cited, it is considered that James R. Poindexter is entitled to be enrolled as a citizen by intermarriage of the Cherokee Nation, and it is therefore so ordered.

Commissioners.

Dear Sir:

The Act of Congress, approved July 1, 1902, and entitled ''An Act To provide for the allotment of the lands of the Cherokee Nation, for the disposition of town sites therein, and for other purposes,'' (Public No. 241), provides that ''the roll of citizens of the Cherokee Nation shall be made as of September first, nineteen-hundred and two.''

In accordance with said provision, you are hereby notified that the Commission to the Five Civilized Tribes will be at its offices at Muskogee, Indian Territory, until Friday, October 31, 1902, inclusive, for the purpose of affording you an opportunity to show that you have not, between the date of the original application for your enrollment and Sept 2, 1902, forfeited your right as a citizen by intermarriage of the Cherokee Nation.

This evidence should be introduced immediately, as it is necessary in determining your right to share in the allotment of the lands of the Cherokee Nation, and until the same is furnished no further action can be taken looking toward your final enrollment as an intermarried citizen.

D E C I S I O N.

The record in this case shows that on August 13, 1900, Janie R. Blakemore appeared before the Commission at Fort Gibson, Indian Territory and made personal application for her enrollment as a citizen by blood of the Cherokee Nation.

A Lynch raised me.
Q It was Mrs. Lynch, was it? A Yes, sir.

A I do not know my name, but that is what my mother said my name was. I do not know anything about my middle name.
Q You say your father is at Muskogee? A Yes, sir.
Q Might he not be able to throw some light on that subject? A I do not know, he never raised me.
Q He never looked after you? A No, sir

JOSEPH J. LYNCH, being sworn by Commissioner Breckinridge, testified as follows:

Q What is your full name? A Joseph J. Lynch.
Q What is your age? A 26.
Q What is your post office? A Dawn.
Q How long have you lived in the Cherokee Nation? A All my life.

A Yes, sir.
Q How did that "Q" get into his name? A I do not know about the Q in his name. He is the only Jack Hayes in Canadian. His mother I suppose enrolled him. I only knew of him as Jack.
Q Was his mother living in 1880? A Yes, sir.
Q What is his age? A He is between 20 and 22 years of age.
Q You say his mother was living in 1880? A Yes, sir.
Q Was she a Cherokee? A Yes, sir, she was a full blood.
Q He is more than a quarter? A Yes, sir. He is three-fourths at least.

---oOOo---

Com'r Breckinridge:

The applicant states that he is a native Cherokee and that he has lived in the Cherokee Nation all his live. He is 22 years of age. His mother died when he was an infant and he seems to have been neglected, and is not sure as to his name. He appears to be identified on the roll of 1894 under the name of Lynch; he having been under the charge of a woman by that name at that time. It is probable that the name of J. Q. Hayes on the roll of 1880 refers to him. This enrollment is given as that of a male child one year of age. It is alone and from the district from which the applicant claims. The applicant claims to be a quarter Cherokee. For the present his application will be placed upon a doubtful card for further consideration and better identification. His father is said to live at Muskogee and the woman, Mrs. Lynch, who has had charge of him is said to be still living in the Cherokee nation.

Q Therefore, there is properly a "Q" in his name? A There should be; yes, sir.
Q Now there is a J. Q. Hayes identified on the roll of 1880 by himself, one year of age. Do you identify this as the enrollment of this young man, J. Q. Hayes; that would make him about twenty two years old now. You do not know of any other do you? A No sir, I don't know of any other.

DEPARTMENT OF THE INTERIOR,

COMMISSION TO THE FIVE CIVILIZED TRIBES.

In the matter of the application of Jack Q. Hayes for enrollment as a Cherokee citizen.

On the 30th day of August, 1900, Jack Q. Hayes appeared before the Commission to the Five Civilized Tribes and made application for his enrollment as a citizen by blood of the Cherokee Nation.

At the conclusion of the evidence offered at that time his name was placed upon a "Doubtful" card awaiting his further identification on the authenticated tribal roll of 1880.

Further evidence in that matter has been submitted to the Commission and the following decision is rendered.

D E C I S I O N.

--oOo--

From all the evidence of record in the case it appears that applicant is the child of Dick Hayes and a woman named Chiekoo. It appears that his mother died when he was ten years old and that his father never looked after him. He was born at the home of one Jennie Hayes, the widow of John Hayes, and it seems that she gave applicant her husband's name, John Q. Hayes. This applicant is identified on the authenticated tribal roll of 1880 as J. Q. Hayes. He has lived with a Mrs. Lynch, a resident of the Cherokee Nation nearly all his life and is identified on the Strip payment roll of 1894 as Jack Lynch.

In making rolls of citizenship of the Cherokee Nation this Commission is governed by the following provisions of the Act of Congress approved June 28, 1898 (30 Stats., 495);

"That in making rolls of citizenship of the several tribes, as required by law, the Commission to the Five Civilized Tribes is authorized and directed to take the roll of Cherokee citizens of eighteen hundred and eighty (not including freedmen) as the only roll intended to be confirmed by this and preceding Acts

of Congress, and to enroll all persons now living whose names are found on said roll, and all descendants born since the date of said roll to persons whose names are found thereon; and all persons who have been enrolled by the tribal authorities who have heretofore made permanent settlement in the Cherokee Nation whose parents, by reason of their Cherokee blood, have been lawfully admitted to citizenship by the tribal authorities, and who were minors when their parents were so admitted; and they shall investigate the right of all other persons whose names are found on any other rolls and omit all such as may have been placed thereon by fraud or without authority of law, enrolling only such as may have lawful right thereto, and their descendants born since such rolls were made, with such intermarried white persons as may be entitled to citizenship under Cherokee laws."

Under the facts and the law in this case it is considered that J. Q. Hayes is entitled to be enrolled as a citizen by blood of the Cherokee Nation, and it is so ordered.

SUPPLEMENTAL TESTIMONY in the matter of the application of Lillie Caywood for the enrollment of her brother, JOSHUA CLOUD, as a citizen by blood of the Cherokee Nation.

Appearances:
W.W.Hastings, Attorney for Cherokee Nation.

BY COMMISSION: On February 4th, 1902, the applicant was notified by registered letter that the application of her brother Joshua Cloud for enrollment as a citizen of the Cherokee Nation would be taken up for final consideration by the Commission at its offices in Muskogee, Indian Territory, on the 21st day of February, 1902. On said date the case was called, and there being no appearance the record in same was deemed completed.

It appears, however, upon examination of the testimony, that the residence of the said Joshua Cloud was not established, consequently the case is this day, to-wit: the 8th day of April, 1902, re-opened for the purpose of taking additional testimony as regards the residence of the said Joshua Cloud.

W.W.HASTINGS, being first duly sworn, and being examined testified as follows:
BY COMMISSION:

Q What is your name? A W.W.Hastings.
Q What is your age and post office address? A 36, post-office Tahlequah.
Q Are you acquainted with the applicant in this case, Joshua Cloud? A Yes sir.
Q When did you first learn to know him? A I think it was in September, 1889; I was principal teacher at the Cherokee Orphan Asylum, about eight miles east of Pryor Creek, I. T., in the Cherokee Nation, and he attended school there that year, and I think was there when I left in November of 1890.
Q Did you ever see him afterwards? A I don't remember of ever seeing him or meeting with him afterwards until last week when I was over at home at Tahlequah, I saw some one working at the tailor's trade in the back end of a barber's shop and I made some inquiry as to who it was, and they told me it was this same Josh Cloud, and in talking about him they said he learned the trade in the penitentiary where he had been. I had previously heard that he had been in the penitentiary for something, but I don't just now recollect what it was, whether it was for larceny or what, and what penitentiary, or just what court he was sent from.
Q During the time you knew him he was recognized as a citizen of the Cherokee Nation? A Yes sir, by blood.
Q You never heard that he removed from the Nation and made his home in any other state or territory? A No sir, I have no doubt he was born and raised here in the Cherokee Nation, but I have not the personal knowledge of it myself. But this man, if I remember correctly, his brother speaks the Cherokee language, and I think this man must be,- this boy must be 3/4 three-fourths Cherokee.

I, M.D.Green, do hereby certify that as stenographer to the Commission to the Five Civilized Tribes I correctly recorded the testimony and proceedings in this case and that the foregoing is a true and complete transcript of my stenographic notes thereof.

DEPARTMENT OF THE INTERIOR,

COMMISSION TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment of Joshua Cloud, as a citizen of the Cherokee Nation.

On the 10th day of September, 1900, Lillie Caywood appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of her brother, Joshua Cloud, as a citizen by blood of the Cherokee Nation.

At the conclusion of the Testimony offered at that time, the name of Joshua Cloud was placed upon a "Doubtful" card, for the purpose of permitting further investigation by the Commission, if so desired.

From the record in this case, it appears that Joshua Cloud at the time of this application, according to the testimony of his sister, was about 23 years of age, and was confined in prison at Leavenworth, Kansas; thus explaining his inability to appear in person, and make application for his own enrollment.

The record further shows that the aforesaid Joshua Cloud is identified upon the Cherokee authenticated tribal roll of 1880, Cooweescoowee District, page 80, #342. He is also identified on the Cherokee census roll of 1896, Saline District, page 965, #265, as "Jashua Cloud."

For the purpose of further establishing the residence of the aforesaid Joshua Cloud, there was additional testimony taken in this case on the 8th day of April, 1902, wherein W. W. Hastings, Esq., testified in part to the following, and in answer to the question, "Are you acquainted with the applicant in this case, Joshua Cloud?" He answered, "Yes sir." Q "When did you first learn to know him?" A "I think it was in September, 1889; I was principal teacher at the

Cherokee Orphan Asylum, about eight miles east of Pryor Creek, I. T., in the Cherokee Nation, and he attended school there that year, and I think was there when I left in November 1890." He further says, that he the aforesaid Joshua Cloud is recognized as a citizen by blood of the Cherokee Nation; and there is no doubt in the mind of the witness that Joshua Cloud was born and "raised" in the Cherokee Nation, and that the applicant in this case "must be 3/4 Cherokee."

The Commission is authorized to make rolls of citizenship of the Cherokee Nation by the provision of the Act of Congress approved June 28, 1898. (30 Stats. 495. Sec. 21)

DEPARTMENT OF THE INTERIOR,
COMMISSION TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment of Stephen Foreman and his wife Maud Foreman, as citizens of the Cherokee Nation.

On the 10th day of September, 1900, Stephen Foreman appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of himself as a citizen by blood, and for his wife as a citizen by intermarraige of the Cherokee Nation.

At the conclusion of the testimony offered at that time the names of Stephen and Maud Foreman were placed upon a "Doubtful" card, awaiting further evidence which has been submitted to the Commission, and the following decision is rendered.

From all the evidence of record in this case it appears at the time of this application Stephen Foreman was 49 years of age, and is identified on the Cherokee census roll of 1896 as "Steve Forman", Saline District.

It is further shown, as evidenced by a certified copy of the records of the Executive Office Cherokee Nation, and which is made a part of this record; that among others Stephen Foreman was readmitted to citizenship in the Cherokee Nation on the 29th day of November, 1880.

It appears that he was formerly living in the Choctaw Nation, and moved back to the Cherokee Nation in 1892. He is not identified on the Cherokee Strip Payment roll of 1894, but avers that he drew "grass money", under the provisions of said roll.

It further appears that he was married to Mrs. Maud Hunter, nee Goss, a white woman, "between 1884 and 1890", as evidenced by a statement in writing of the Minister who performed the ceremony; said statement being on file in the office of this Commission, and a copy

thereof is herete attached.

The Commission is authorized to make rolls of citizenship of the Cherokee Nation by the provisions of the Act of Congress approved June 28, 1898. (30 Stats. 495. Sec. 21)

In view of the facts and the law in this case, it is the opinion of the Commission that Stephen Foreman is entitled to be enrolled as a citizen by blood of the Cherokee Nation, and his wife Maud Foreman is entitled to be enrolled as a citizen by intermarriage of the Cherokee Nation, and it is therefore so ordered.

Commissioners.

blood; the child/ Polly Backbone is identified on the roll of 1896, and she will be listednow for enrollment as a Cherokee by blood; the child Jack Wall , who is said, like the balance of these applicants to be a full-blood Cherokee, is not identified upon any roll; there is reason to believe that this child is entit led to Cherokee rights by birth and residence, and therefore the application for the enrollmentof the child Jack Wall will for the present be placed upon a doubtful card; and the applicants are enjoined to produce some information that will lead to the proper identification of this child.

In the matter of the application for the enrollment of Jack Wall as a citizen by blood of the Cherokee Nation.

--oOo--

The record in this case shows that on September 10, 1900, John Deerhead appeared before the Commission at Pryor Creek, Indian Territory, and made application for the enrollment of himself, his wife Lizzie Deerhead and his step-children Polly Backbone and Jack Wall, as citizens by blood of the Cherokee Nation.

Upon the evidence submitted in support of said application John Deerhead and his wife, and step-child, Polly Backbone, were listed for enrollment on Cherokee Card, Field No.2459.

On December 3, 1901, at Tahlequah, Indian Territory, Lizzie Deerhead appeared before this Commission and gave further testimony in the matter of the above application. The evidence in this case shows that one Lizzie Backbone, now Lizzie Deerhead is identified on the authenticated tribal roll of 1880. Jack Wall is the descendant of said Lizzie Backbone, born to her since the preparation of said roll. Jack Wall is not identified upon any of the Cherokee tribal rolls, but he has lived in the Cherokee Nation all his life.

The authority of the Commission herein is defined in Paragraph 1, Sec. 21, of the Act of Congress, June 28, 1898 (30 Stats.,495).

It is therefore the opinion of this Commission that Jack Wall is lawfully entitled to be enrolled as a member by blood of the Cherokee Tribe of Indians in Indian Territory, and that the application for his enrollment as such should be granted, and it is

so ordered.

DEPARTMENT OF THE INTERIOR,
COMMISSION TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment of Royal W. Waybourn as a citizen by blood of the Cherokee Nation.

D E C I S I O N.

The record in this case shows that on September 11, 1900, Caroline P. Waybourn appeared before the Commission at Pryor Creek, Indian Territory, and made personal application for the enrollment, among others, of Royal W. Waybourn as a citizen by blood of the Cherokee Nation. The other parties to the application are differently classified and are not embraced in this decision. On November 30, 1900, Royal W. Waybourn appeared before the Commission at Tahlequah, Indian Territory, and made personal application for his enrollment.

The evidence shows that Royal W. Waybourn is a citizen by blood of the Cherokee Nation, duly identified on the authenticated tribal roll of 1880 and the Cherokee Census roll of 1896.

He has lived in the Cherokee Nation all his life and was a resident of said Nation at the time of his application for enrollment.

It is, therefore, the opinion of this Commission that Royal W. Waybourn should be enrolled as a citizen by blood of the Cherokee Nation in accordance with the provisions of Section twenty-one of the Act of Congress approved June 28, 1898 (30 Stats., 495), and it is so ordered.

In the matter of the enrollment of Joseph V. Bryant as a Cherokee citizen;

Q What is your name? A Ellis B. Wright
Q What is your age? A 46
Q What is your post-office? A Pryor Creek.
Q Do you know Joseph V. Bryant? A Yes sir, I have knowed him from my boy-hood.
Q Just make a statement;
A I lived in the neighborhood when he went to Colorado in 1879, in the spring of 1879; his wife, and as well as I remember he had one child, and his property, was all in the neighborhood at home and he come back in the spring of 1881; there was nothing between him and his wife at all; he went to Colorado to hunt gold I reckon, and for his health; his property and everything was right in the neighborhood, right in a mile and a half of where I lived.
Q His wife's name is not on the roll of 1880.? A My brother was a census taker at the time of Dick Duck, a full-blood Indian; and he told me that ~~Bunk~~ he had gone off to Colorado; there was quite a prejudice against white people in the Cherokee Nation at the time, and they just wouldn't go there because he was a white man; he told me that himself; my brother was a census taker.
Q That's about all you know? A Yes sir.

JOSEPH V. BRYANT, being sworn and examined by Commissioner Needles testified as follows:

Q Make any statement you desire? A I am not on the roll but I can make it satisfactory in every other shape by men here that's known me always, know I never violated the law; I was gone nearly 13 months from the Nation, my family was here all the time.
Q You are a Cherokee by blood are you? A Yes sir
Q What degree of blood are you got? A I think it is 1/8
Q What is your wife's name? A Bell.
Q Have you lived with her continuously since you married her.
A Yes, only when I was gone to Colorado.
Q You never separated from her. A No, we have had some little family rows, but then we never separated.
Q You are living with her now? A Yes sir.

In the matter of the application of Joseph V. Bryant, for the enrollment of himself, wife and children as citizens of the Cherokee Nation:

Appearances:
Applicant present in person:
W. W. Hastings for the Cherokee Nation.

JOSEPH V. BRYANT, being sworn and examined, testified as follows:

Examined by the Commission:

Q What is your name ? A Joseph V. Bryant.
Q How old are you ? A 52.
Q Your post office address ? A Pryor Creek.
Q Is there any statement you desire to make relative to your enrollment as a citizen of the Cherokee Nation, in the matter of the application of your wife and children ?
A It might be well for me to make a full statement of the whole thing, then you will understand the disposition of it better. Well I was married in 1878, and in the spring of 1880 I went out to the mountains prospecting around. I started the 11th day of April, and I think I got back the 22nd of May.
Mr. Hastings: The following year ? A The following year--1881. I was born and raised there, always lived in the Nation; my family was there, and I left them there at home, and went away to the mountains prospecting, but I put in my crops in the spring of the year before I left and went to the mountains. I came back in May, 1881.
Q Then you were not in the Cherokee Nation when the roll of 1880 was made ? A No sir, that was during the time I was away.
Q Since your return in 1881 have you lived in the Cherokee Nation continuously ? A Yes sir I have never been out of the Cherokee Nation any time except during the war.
Q Where did you go when you spoke of having gone to the mountains ?
A I went to Leadville, Colorado. I went out to prospect around to see what I could do.
Q Did you ever exercise the right of suffrage while you were out there ? A No sir, I never did. You mean by thatto secure become a citizen and vote?
The Commission: Yes.
A No sir, I didn't. I was there at Garfield's election too, but I didn't vote.
The Commission: Is that all ?
A I reckon that's all.
The Commission: You submit this case to the Commission for final consideration do you ?
A I got some more proof here if you need it. I brought along some of my neighbors.
The Commission: Do you want them sworn and examined ?
A I reckon not, they would testify to the same things that have already been testified to.

The Commission: Then you submit the case to the Commission for final consideration do you ?
A Yes sir.
The representatives of the Cherokee Nation also submit the case on the part of the Cherokee Nation, and the same is closed.

E. C. Bagwell, on oath states that, as stenographer to the Commission to the Five Civilized Tribes, he correctly recorded the testimony and proceedings had in the above entitled cause, and that the above and foregoing is an accurate transcript of his stenographic notes thereof.

DEPARTMENT OF THE INTERIOR,

COMMISSION TO THE FIVE CIVILIZED TRIBES.

In the matter of the application of Joseph V. Bryant et.al.for enrollment as Cherokee citizens.

On the 12th day of September, 1900, Joseph V. Bryant appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of himself and his minor children Vinnie, Leonidas, Jesse, Cullen, and Bertha as citizens by blood of the Cherokee Nation, and for the enrollment of his wife Belle as a citizen by intermarriage of the Cherokee Nation.

At the conclusion of the evidence offered at that time the names of all the parties herein were placed upon a "Doubtful" card.

Since the date of this application a sixth child was born to said Belle and Joseph V. Bryant on the 8th day of June,1901, who has been named Hattie E., as appears from a duly executed birth affidavit on file with this Commission. Application was made for her enrollment on the seventh day of August,1901, and she was placed upon "Doubtful" card 267, along with the rest of her family.

On the 21st day of February, 1902, further proceedings were had and the case, by agreement, is submitted for final consideration.

It appears from the evidence in this case that Joseph V. Bryant is sixty years old. He was born and has resided in the Cherokee Nation practically all his life. He is not identified upon the authenticated tribal roll of 1880, but this omission seems to be explained by the fact that at the time of the preparation of such roll he was out in the State of Colorado prospecting. He remained there for about thirteen months, but his wife and family were living at his home in the Cherokee Nation. The testimony in the case strongly tends to show that the applicant is a Cherokee Indian and is a citizen of the Cherokee Nation. He is identified on the Strip payment roll of 1894 and the Cherokee Census roll of 1896, and under the

facts in this case he is considered to have the rights of Cherokee citizenship.

His wife Belle is a white woman. She was married to him on the 11th day of November, 1878, and they have lived together as husband and wife ever since. She therefore takes the status of her husband. She is identified on the Cherokee Census roll of 1896.

The above named children are the issue of such marriage. They are all identified on the Cherokee Census roll of 1896, except the two youngest who are, of course, too young to be upon any roll. Bertha is identified by a birth affidavit on file with this Commission.

Vinnie, Leonidas and Jesse are also identified on the Strip payment roll of 1894.

In making rolls of citizenship of the Cherokee Nation this Commission is governed by the following provisions of the Act of Congress approved June 28, 1898 (30 Stats., 495);

> "That in making rolls of citizenship of the several tribes, as required by law, the Commission to the Five Civilized Tribes is authorized and directed to take the roll of Cherokee citizens of eighteen hundred and eighty (not including freedmen) as the only roll intended to be confirmed by this and preceding Acts of Congress, and to enroll all persons now living whose names are found on said roll, and all descendants born since the date of said roll to persons whose names are found thereon; and all persons who have been enrolled by the tribal authorities who have heretofore made permanent settlement in the Cherokee Nation whose parents, by reason of their Cherokee blood, have been lawfully admitted to citizenship by the tribal authorities, and who were minors when their parents were so admitted; and they shall investigate the right of all other persons whose names are found on any other rolls and omit all such as may have been placed thereon by fraud or without authority of law, enrolling only such as may lawful right thereto, and their descendants born since such rolls were made, with such intermarried white persons as may be entitled to citizenship under Cherokee laws."

D E C I S I O N.

The Commission therefore decides that under the law and the evidence, and for the reasons stated Joseph V. Bryant and his minor children Vinnie, Leonidas, Jesse, Cullen, Bertha and

Hattie E. are entitled to enrollment as citizens by blood of the Cherokee Nation, and his wife Belle Bryant is entitled to enrollment as a citizen by intermarriage of the Cherokee Nation. It is therefore so ordered.

Error on Cherokee
Citizenship Roll.

The Honorable,

The Commissioner of Indian Affairs.

Sir:

I have the honor to acknowledge receipt of your letter of June 13, 1912, returning the statements which are signed by James A. Bryant and Jessie Bryant, which were enclosed with my report of May 28, 1912, relative to an error appearing upon the final approved roll of citizens by blood of the Cherokee Nation, as to the sex of Jesse Bryant whose name is opposite No. 21621 on said roll.

As the statements transmitted were not sufficient to identify said Jessie Bryant with the person whose name appears as Jesse Bryant on the above mentioned final roll of citizens of the Cherokee Nation, I am requested to obtain the further statement of said persons as to the name of their father and mother, also as to what tribal roll their names appear on, what their post-office address was at the time of their application

for enrollment and any other information that may be obtained as evidence in the matter of determining whether the Jessie Bryant, who signed the statement in question, is the same person as the Jesse Bryant whose name appears on the roll.

Reporting thereon I beg to advise that the matter was referred to District Agent Charles Bozarth, in whose district Jessie Bryant lives. Mr. Bozarth obtained further statements from Jessie Bryant, the person in question, and her brother, James A. Bryant, wherein it appears that Jessie Bryant is enrolled upon the Cherokee roll opposite No. 21621, her father being Joseph V. Bryant and her mother Belle Bryant. Said statements show that the post-office address of the father and mother of Jessie Bryant at the time they made application for enrollment, as citizens of the Cherokee Nation, was Pryor Creek, Indian Territory. This information shows conclusively that the person in question is identical with the Jesse Bryant who is enrolled upon the Cherokee roll opposite No. 21621.

A copy of the original testimony taken at Pryor Creek, Indian Territory on September 12, 1900, in the matter of the application of Joseph V. Bryant for the enrollment of himself, wife and children as citizens of the Cherokee Nation, together

with the statements of James A. Bryant and Jessie Bryant, relative to the sex and enrollment of said Jessie Bryant are enclosed herewith.

Respectfully,

Thos. Ryan

Error in designation
of sex.

Jul. 16, 1912.

The Honorable

The Secretary of the Interior.

Sir:

I have the honor to transmit herewith reports of May 28 and July 5, 1912, of Acting Commissioner to the Five Civilized Tribes, relative to an error appearing on the final approved roll of citizens by blood of the Cherokee Nation as to the sex of Jesse Bryant, whose name is opposite No. 21621 on said roll.

It apears that Jesse Bryant is listed on said roll as a male and she should have been listed as a female. TheOffice therefore recommends that the roll be corrected by the lining out of the letter "M" in the sex column opposite the name of Jesse Bryant, and the substitution therefor of the letter "F", and that this Office and the Commissioner to the Five Civilized Tribes be authorized to make a similar notation upon the copies of the roll in their possession.

Respectfully,

(Signed)F. H. Abbott.

Cherokee D 272

DEPARTMENT OF THE INTERIOR,

COMMISSION TO THE FIVE CIVILIZED TRIBES.

In the matter of the application of William H. H. Hicks, et.al. for enrollment as Cherokee citizens.

On the 12th day of September, 1900, William H.H. Hicks appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of himself and his child Lucy as citizens by blood of the Cherokee Nation.

At the conclusion of the evidence the names of the applicants were placed upon a "Doubtful" card.

The evidence in this case shows that William H. H. Hicks and his daughter Lucy are both identified on the authenticated tribal roll of 1880. It further appears that applicants went to the State of California in 1885 and remained there until 1893 when they returned to the Cherokee Nation. The principal applicant states that such removal was made necessary by the state of his health. His statement in that particular is corroborated by the testimony of his brother. He left his household furniture and farm property in the Cherokee Nation and says he never voted in the State of California, regarding the Cherokee Nation as his home.

It further appears that William H. H. Hicks went to Oklahoma in the Kiowa country in 1896 and remained there until June, 1900. It does not appear that the applicant had any intention of abandoning his home in the Cherokee Nation or that by any act of his he has forfeited his citizenship under the constitution and laws of the Cherokee Nation.

He and his daughter are both identified on the Cherokee Census roll of 1896.

In making rolls of citizenship of the Cherokee Nation this Commission is governed by the following provisions of the Act of Congress approved June 28, 1898 (30 Stats., 495);

"That in making rolls of citizenship of the several tribes, as required by law, the Commission to the Five Civilized Tribes is authorized and directed to take the roll of Cherokee citizens of eighteen hundred and eighty (not including freedmen) as the only roll intended to be confirmed by this and preceding Acts of Congress, and to enroll all persons now living whose names are found on said roll, and all descendants born since the date of said roll to persons whose names are found thereon; and all persons who have been enrolled by the tribal authorities who have heretofore made permanent settlement in the Cherokee Nation whose parents, by reason of their Cherokee blood, have been lawfully admitted to citizenship by the tribal authorities, and who were minors when their parents were so admitted; and they shall investigate the right of all other persons whose names are found on any other rolls and omit all such as may have been placed thereon by fraud or without authority of law, enrolling only such as may have lawful right thereto, and their descendants born since such rolls were made, with such intermarried white persons as may be entitled to citizenship under Cherokee laws."

D E C I S I O N.

The Commission decides that under the facts and the law in this case, and for the reasons stated, William H. H. Hicks and his daughter Lucy Hicks are entitled to be enrolled as citizens by blood of the Cherokee Nation, and it is therefore so ordered.

On October 27, 1900, the said Austin Anderson appeared before the Commission at Claremore, Indian Territory and made personal application for his enrollment, and on March 7, 1902, the said Austin Anderson, by his attorney appeared before the Commission at its office in Muskogee, Indian Territory and submitted the case for final consideration, at which time the applicant was allowed fifteen days in which to file a brief. The same has not been filed up to this date.

The evidence shows that the above named children, Austin, Nellie, Renie and Jesse Anderson are the children of Rufus Anderson and his wife Mariah M. Anderson. It further appears that the said Mariah M. Anderson, under her maiden name of M.M. Wayburn was admitted to citizenship in the Cherokee Nation on March 27, 1879. She was then living in Texas and removed to and located in the Cherokee

Nation in 1884, where she resided until her death in 1900. She is not identified on the authenticated tribal roll of 1880, but her name appears on the Cherokee Census roll of 1896.

Rufus Anderson is not an applicant for enrollment.

Austin, Nellie and Renie Anderson are identified on the Cherokee Census roll of 1896. Jesse Anderson is too young to be upon any roll, but he is identified by a birth affidavit on file with this Commission.

The authority of the Commission herein is defined in paragraph 1, Sec. 21, of the Act of Congress, June 28, 1898 (30 Stats., 495):

It is therefore the opinion of this Commission that Austin Anderson, Nellie Anderson, Renie Anderson and Jesse Anderson are lawfully entitled to be enrolled as members by blood of the Cherokee Tribe of Indians in Indian Territory, and that the application for their enrollment as such should be granted, and it is so ordered.

N.C.R. 338

In the matter of the application for the enrollment of James E. Whitaker, as a citizen of the Cherokee Nation.

On the 14th day of September, 1900, James E. Whitaker appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of himself as a citizen of the Cherokee Nation, by blood.

At the conclusion of the testimony the applicant's name was placed upon a "Doubtful" card.

The evidence in this case shows that the applicant has lived in the Cherokee Nation ever since 1881, in which year he was admitted as a North Carolina Cherokee. It also appears from a copy of a certificate presented to the Commission, and said to be filed in the Department of the Interior at Washington, said copy bearing the stamp of the Department of the Interior, that certain persons were on the roll of North Carolina Cherokees who removed to the Cherokee Nation, on October 22nd, 1881, and that the name of James Whitaker appears on that roll; his age at that time being three years. An examination of that roll shows the name appearing as No 38, and written as "James Whitiker."

The evidence shows that the age of the applicant, at the time of this application, was 21 years, and the identification of the applicant with the person whose name appears on the list of North Carolina Cherokees, seems complete.

It further appears from the evidence that the applicant's name appears on the Cherokee census roll of 1896.

Section 21, of the Act of Congress approved June 28, 1898, (30 Stats. 495), governs the Commission in making rolls of citizenship of the Cherokee Nation, according to the provisions of that Act,

DEPARTMENT OF THE INTERIOR,

COMMISSION TO THE FIVE CIVILIZED TRIBES.

In the matter of the application of Jane Coats for the enrollment of herself as a citizen by intermarriage of the Cherokee Nation, and for the enrollment of her three minor children, Clara A., William, and Thomas Coats, as citizens by blood of the Cherokee Nation.

D E C I S I O N.

--oOo--

The record in this case shows that on September 14, 1900, the applicant, Jane Coats, appeared before the Commission at Pryor Creek, Indian Territory, and then and there made personal application for the enrollment of herself as a citizen by intermarriage of the Cherokee Nation, and for the enrollment of her three minor children, Clara A., William, and Thomas Coats as citizens by blood of the Cherokee Nation. Thereafter, on November 19, 1900, the applicant gave additional testimony at Chelsea, Indian Territory. On February 24, 1902, at Muskogee, Indian Territory, further evidence was heard by the Commission and on the same date the case was submitted for final consideration and ordered closed.

The applicant, and her children, Clara A., William and Thomas M. Coats, are identified on the Cherokee census roll of 1896. Neither the name of the applicant, Jane Coats, nor that of her husband, appears on the authenticated tribal roll of 1880.

It appears from the evidence that the applicant, Jane Coats was married in 1871 to Charles Coats, now dead, a recognized citizen of the Cherokee Nation, he having been admitted to all the rights and privileges of citizenship on September 28, 1882, by the Commission on Citizenship of the Cherokee Nation. It also appears that the applicant, Jane Coats, was admitted as a Cherokee citizen by blood on that date but evidently some mistake was made in including her in the judgment of admission as she does not claim citizenship by blood

but through intermarriage.

The evidence shows that the applicant, Jane Coats, has lived in the Cherokee Nation continuously since 1881.

The authority of the Commission herein is defined in Paragraph 1, Section 21 of the Act of Congress, June 28, 1898. (30 Stats. 495.)

It is therefore the opinion of this Commission that Jane Coats is lawfully entitled to be enrolled as a member by intermarriage of the Cherokee Tribe of Indians in Indian Territory, and that Clara A. Coats, William Coats, and Thomas Coats are lawfully entitled to be enrolled as members by blood of the Cherokee Tribe of Indians in Indian Territory and that the application for their enrollment as such should be granted and it is so ordered.

THE COMMISSION TO THE FIVE CIVILIZED TRIBES.

Acting Chairman.

Commissioner.

Commissioner.

Muskogee, Indian Territory,
this MAY 20 1902

Cherokee 9547.

Department of the Interior,
Commission to the Five Civilized Tribes,
Muskogee, I. T., September 22, 1902.

In the matter of the application of Jane Coats for the enrollment of herself as a citizen by intermarriage of the Cherokee Nation.

The Cherokee Nation by its representative makes satisfactory proof of service on the said Jane Coats, that it would on the 22nd day of September, 1902, at the office of the Commission introduce testimony tending to disprove her right to enrollment as a citizen by intermarriage of the Cherokee Nation. The applicant has this day towit: the 22nd day of September, 1902, been called and fails to respond either in person or by attorney.

It appears from the records of the Commission that under date of May 20, 1902, the Commission rendered a decision in which it held that Jane Coats was lawfully entitled to enrollment as a citizen by intermarriage of the Cherokee Nation. A copy of the proceedings in this case was forwarded to the representative of the Cherokee Nation under date of May 21, 1902, and notice given that he would be allowed fifteen days thereof in which to protest against the action of the Commission and grant such application. It does not appear that any protest was made. Under date of May 20, 1902, the applicant was duly listed for enrollment as a citizen by intermarriage.

W.W.Hastings: Comes now the Cherokee Nation and represents to the Commission that the Cherokee agreement submitted to the Cherokee people by an act of Congress approved July 1, 1902, was ratified on August 7, 1902, and under the provisions of said agreement the Commission is directed to make a roll of all citizens otherwise entitled to be enrolled as of date September1, 1902, and in accordance with section twenty-one of the act of Congress, commonly known as the Curtis Bill approved June 28, 1898, and the Cherokee Nation further represents that since this applicant Jane Coats on May 20, 1902, namely on August 11, 1902, and consequently prior to September 1, 1902, has intermarried with a white man, not a citizen of the Cherokee Nation, and thereby forfeited her right to be enrolled as a citizen of the Cherokee Nation by intermarriage under section 666 of the Compiled Laws of the Cherokee Nation, and moves to reopen the case and to permit the Cherokee Nation to introduce proof which will show that she did intermarry with Orange P. Sandige on August 11, 1902.

Commission: The motion of the attorney for the nation will be entertained and the testimony heard.

W.W.Hastings: The Cherokee Nation offers in evidence certified copy of marriage license and marriage certificate showing that Mrs. Jane Coats of Adair, Indian Territory, aged 49 years, was united in marriage to Orange P. Sandige of Adair, Indian Territory, aged 53 years, on August 11, 1902, by Charles A. Davidson, Clerk of the Northern District, Indian Territory.

J. C. Starr, being sworn and examined, testified as follows:

By W.W.Hastings: What is your name? A J. C. Starr.
Q What is your age? A 32.
Q Are you the stenographer for the Cherokee Nation? A Yes sir.
Q I will ask you as one of the representatives of the Cherokee Nation if you have made inquiry of people in the vicinity of Adair, Indian Territory, as to the citizenship of Orange P. Sandige? A I have.
Q What is the result of your inquiry? A I am advised by the citizens in and around Adair that he is a white man and not a citizen of the Cherokee Nation.

Commission: The tribal rolls of the Cherokee Nation examined and the name of Orange P. Sandige does not appear thereon; neither does it appear that he has ever been admitted to citizenship in the Cherokee Nation by any legally constituted authorities. The records of the Commission examined and fail to disclose that the said Orange

2- Jane Coats.

F. Sandige has ever been an applicant before the Commission for enrollment as a citizen of the Cherokee Nation.
W.W.Hastings: The Cherokee Nation contends that this is conclusive proof of the fact that Orange F. Sandige is not a citizen of the Cherokee Nation, and is therefore a white man, for the reason that under the agreement submitted to the Cherokee Nation by an act of July 1, 1902, and ratified by the Cherokee people on August 7, 1902, closes the Cherokee roll on September 1, 1902, and thereafter no person can apply to be listed for enrollment as a citizen of the Cherokee Nation, this being the 22nd day of September, unless he has already heretofore applied before September 1st he cannot now apply, and hence it would be impossible for him to be recognized as a citizen of the Cherokee Nation.

The undersigned, being duly sworn, states that as stenographer to the Commission to the Five Civilized Tribes he correctly recorded the testimony and proceedings in this case, and that the foregoing is a true and correct transcript of his stenographic notes thereof.

DEPARTMENT OF THE INTERIOR,

In the matter of the application for the enrollment of Jane Sandige, formerly Coats, as a citizen of the Cherokee Nation.

D E C I S I O N.

The record in this case shows that on September 14, 1900, Jane Coats, now Jane Sandige, appeared before the Commission at Pryor Creek, Indian Territory, and made application for the enrollment of herself as a citizen of the Cherokee Nation. The application also included three minor children but they are not embraced in this decision, their names being upon the partial roll of Cherokee citizens by blood approved by the Secretary of the Interior on December 23, 1902, at numbers 21632, 21633 and 21634. Further proceedings were had in the matter of said application at Chelsea, Indian Territory, on November 19, 1900, and at Muskogee, Indian Territory, on February 24, September 22, October 1, October 7 and October 8, 1902.

The evidence shows that Jane Coats, among others, was lawfully admitted to citizenship in the Cherokee Nation by the legally constituted authorities thereof, on September 22, 1882, as a Cherokee by blood. The evidence further shows that at the time of hersaid admission she was the wife of one Charles Coats; that he died in March, 1889, and thereafter in August, 1902, she married one Sandige.

The evidence further shows that the said Jane Coats, now Jane Sandige, has lived in the Cherokee Nation continuously since 1881.

The evidence further shows that on May 20, 1902, this Commission rendered a decision wherein the said Jane Sandige, formerly Coats, was enrolled as a citizen by intermarriage of the Cherokee Nation. It further appears from a certified copy of an act of admission, that Jane Sandige, formerly Coats, was admitted, under the name of Jane Coats, as a Cherokee citizen by blood, entitled to all the rights and privileges of admission to the full and complete enjoyment of the same in all respects as native Cherokees. Consequently the decision referred to and hereinbefore prepared, so far as it relates to the applicant, Jane Sandige, formerly Coats, is reconsidered and is hereby

modified, enrolling her as a citizen by blood and not as a citizen by intermarriage of the Cherokee Nation.

It is, therefore, the opinion of this Commission that Jane Sandige, formerly Jane Coats, should be enrolled as a citizen by blood of the Cherokee Nation, in accordance with the provisions of section twenty-one of the Act of Congress approved June 28, 1898 (30 Stats., 495), and it is so ordered.

Gentlemen:-

In the matter of the application of Jane Sandige (formerly Jane Coats), et al, Cherokee #9547, I have the honor to report that on May 20th, 1902, the Commission rendered a decision enrolling, among others, said Jane Coats as a citizen by intermarriage of the Cherokee Nation. The record in this case shows that she was included in the judgment of the Cherokee Commission on Citizenship in 1888, admitting her husband and others as citizens by blood of the Cherokee Nation; but in making application for her enrollment she stated that she was a white woman and claimed citizenship by virtue of her marriage to Charles Coats.

On August 11th, 1902, and after the death of her Cherokee husband, she married one Orange F. Sandige, a white man and non-citizen, thus forfeiting her citizenship, if she is to be regarded as an intermarried white.

In view of the facts as above stated, will you please advise this division what further action you desire to be taken herein.

Com'r Breckinridge: The applicant bows by the certificate of admission cited in the testimony that she was duly admitted to Cherokee citizenship the 6th of September 1889, the petition being filed July 8th, 1887; she and her mother did not come to the Nation from Georgia until 1893; her father came here two years before that and provided a home for them, and they have lived in the Cherokee Nation ever since they came here in 1893. The Cherokee Representative present ~~requests~~ desires to have considered section 14 of the Cherokee Act ~~prohibiting~~ providing for the appointment of a Commission to try and determine applicant to Cherokee citizenship, and also section 2, article 1, of the Constitution of the Cherokee Nation. Decision will be suspended for the present in this case, until a more convenient occasion in which the law is to be consulted and considered in connection with the facts, and therefore the application at present will be placed upon a doubtful card; she is identified on the roll of 1896 as a native Cherokee, and her marriage license and certificate exhibited, explain her change of name. Her child Harold S. Armstrong will be listed the same as his mother when she provides the Commission with proper certificate of birth of this child.

As for the application for her husband, he is identified on the roll of 1896, but as shown by a copy of his marriage license and certificate filed herewith, he was ~~married~~ not married until 1896, too late, under the Cherokee law, for him to acquire rights of citizenship therefore the application for her husband is rejected.

M.D. Green, being first duly sworn states that he as stenographer to The Commission to the Five Civilized Tribesho correctly recorded the testimony and proceedings in this case and that the foregoing is a true and complete transcript of his stenographic notes.

DEPARTMENT OF THE INTERIOR,
COMMISSION TO THE FIVE CIVILIZED TRIBES.

In the matter of the application of Mary E. Armstrong for the enrollment of herself and her minor child Harold S., as citizens of the Cherokee Nation.

On the 14th day of September 1900, Mary E. Armstrong appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of herself and her minor child, as citizens of the Cherokee Nation. The application originally included the husband of Mary E. Armstrong, but as he has been otherwise classified the matter of his enrollment is not embraced in this decision nor considered at this time.

The names of Mary E. Armstrong and her child were placed upon a "Doubtful" card at the conclusion of the testimony taken on the date of her application. Further evidence has been submitted and the case has been closed.

It appears from the evidence in this case that Mary E. Armstrong, 30 years of age at the time of her application, was admitted as a citizen of the Cherokee Nation by the Commission on Citizenship of the Cherokee Nation, on the 6th day of September 1888 under the name of Mary E. Rogers, her maiden name. A copy of the record of the re-admission of the applicant is attached hereto.

It further appears from the evidence that the applicant at the time of her application had been living for seven years in the Cherokee Nation. Prior to the time of her re-admission to citizenship and for five years thereafter, the applicant was living in Georgia. The explanation made by the applicant , for not earlier coming to the Cherokee Nation was that she did not have the means to come and was not old enough to earn the means; that she had always wanted to come to the Cherokee Nation but had been unable to do so.

It further appears from the record in this case that the father of the applicant came to the Cherokee Nation two years prior to the applicant's coming with her mother and sister, in order to provide a home for his family in the Cherokee Nation. The evidence also shows that the applicant has been living in the Cherokee Nation ever since 1893.

It further appears from the evidence that the applicant was married on the 1st day of September 1896 to A. W. Armstrong. A copy of the Cherokee marriage license and certificate of marriage is attached hereto.

The applicant is identified on the Cherokee Census roll of 1896.

On the 21st day of May 1897 a male child, Harold S. Armstrong by name, was born to the applicant and is identified by affidavit of birth on file in the office of this Commission.

In making rolls of citizens of the Cherokee Nation this Commission is governed by the provisions ofthe Act of Congress approved June 28, 1898. (30 Stats. 495.)

In view of the facts and the law in this case it is considered by the Commission that Mary E. Armstrong and her minor child Harold S. Armstrong, are entitled to be enrolled as citizens by blood of the Cherokee Nation, and it is therefore so ordered.

Q What is your age? A 59.
Q What is your post office address? A Salina, I. T.
Q What official position do you hold? A Superintendent of the Cherokee Orphan Asylum.
Q You apply for the enrollment of whom? A Fannie Hampton.
Q How old is she? A 16.
Q What is her father's name? A I don't know.
Q Do you know her mother's name? A No, sir.
Q Is she a full blood indian? A No, sir, she is about 1/8, she is from the Choctaw Nation, she came from the Orphan Asylum of the Choctaw Nation; she is half sister to Ed Bean and his wife.

Q You know nothing about the mother of this child? A No, sir.
Q You know whether the mother was a Cherokee or a Choctaw? A No, sir, I have reason to believe she was a Cherokee, but I don't know.

J.O.R.

Before the Commission to the Five Civilized Tribes, Muscogee, I.T.

In the matter of the application of Fannie Hampton for the enrollment of herself.

The testimony in this case shows that the applicant was admitted to Cherokee citizenship in February 1333 by the National Council of the Cherokee Nation; that at the time of the admission of herself to citizenship, she was residing in the Cherokee Nation with her grandmother Mrs. Peck; that thereafter her grandmother, Mrs. Peck died and that the aunt of applicant, Mrs. Ward, who lived in Tahlequah District Cherokee Nation took charge of applicant by taking out letters of guardianship under the District Judge of Tahlequah District, Judge Shirley; that thereafter, the applicant and her sister, now Mrs. Zoe M. Cannon, were placed in the Cherokee Orphan Asylum as orphans and minors; that thereafter the guardian of applicant, Mrs. Martha Ward moved to the Choctaw Nation and that the applicant has been with said guardian while not in school; that the applicant, who is still a minor, now resides in the Cherokee Nation.

A R G U M E N T.

The contention of the applicant is that she is a Cherokee indian and has been admitted to Cherokee citizenship as such; that she has been enrolled on all of the rolls since her admission as a Cherokee citizen.

Neither the Guardian nor the applicant during her minority could change her domicile before she reached her majority. The testimony shows that the applicant is yet a minor.

Van Matre vs Sankey. 39 American State Reports. Page 196. "Domicile"- "An infant cannot of its own volition change its domicile."

Senate Bill # 34. Passed by the National Council Novem ber 23th. 1394. "An Act requiring persons readmitted to citizenship in the Cherokee Nation, to locate within six months."

"Be it Enacted by the National Council that all persons who have been or may hereafter be re-admitted to citizenship in the Cherokee Nation, are hereby required to permanently locate in the limits of the Cherokee Nation within six months from the passage of this Act or from the date of readmission or no rights whatever shall accrue to such persons by reason of such readmission, Provided that nothing in this Act shall bar minors and orphans."

By the very terms of this Act, which would be applicable in this case, nothing could be done that will be prejudicial to the interests of the applicant.

The applicant could do nothing that would work a forfeiture of her rights as a citizen during her minority.

All of the belongings of the applicant, which was and is an undivided interest in an improvement upon the Public Domain of the Cherokee Nation, are still in the Cherokee Nation and could not be taken away.

The testimony shows that she is now living in the Cherokee Nation and that this is all the home she ever had or claimed.

Respectfully Submitted.

DEPARTMENT OF THE INTERIOR,

COMMISSION TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment of Fannie Hampton, as a citizen of the Cherokee Nation.

On the 14th day of September, 1900 J. F. Thompson, Superintendent of the Cherokee Orphan Asylum, appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of Fannie Hampton as a citizen of the Cherokee Nation.

At the conclusion of the testimony taken at that time the name of Fannie Hampton was placed upon a "Doubtful" card. Further evidence has been submitted and the case has been closed.

It appears from the evidence in this case that Fannie Hampton, 16 years of age at the time of the application, was an orphan. It also appears that she had been an inmate of the Orphan Asylum of the Choctaw Nation but had come to the Orphan Asylum of the Cherokee Nation.

~~The field decision states that satisfactory proof as to~~ her residence has been submitted.

The name of Fannie Hampton appears upon the orphan roll of the Cherokee census roll of 1896, having been enrolled from Saline District.

It further appears from the record in this case that Fannie Hampton was admitted, with others, by an Act of the National Council of the Cherokee Nation, approved February 1st, 1868, to all the rights and privileges of Cherokee citizenship by blood, her name appearing in that Act as "Fannie E. Hamton."

In making rolls of citizens of the Cherokee Nation this Commission is governed by the provisions of the Act of Congress approved June 28, 1898.(30 Stats., 495)

In view of the law and the facts in this case it is considered by the Commission that Fannie Hampton is entitled to be enrolled as a citizen, by blood, of the Cherokee Nation and it is therefore so ordered.

DEPARTMENT OF THE INTERIOR,

COMMISSION TO THE FIVE CIVILIZED TRIBES.

In the matter of the application of Mintie A. Smith for the enrollment of herself as a citizen, by blood, of the Cherokee Nation, and for the enrollment of her husband, Joseph P. Smith, as a citizen by intermarriage, of the Cherokee Nation.

DECISION.

The record in this case shows that on September 17, 1900, the applicant, Mintie A. Smith, appeared before the Commission at Vinita, Indian Territory, and then and there made personal application for the enrollment of herself as a citizen, by blood, of the Cherokee Nation, and for the enrollment of her husband, Joseph P. Smith, as a citizen, by intermarriage, of the Cherokee Nation. Thereafter, at Vinita, Indian Territory, on September 24, 1900, supplemental testimony in the matter of this application was taken. On February 24, 1902, the case was closed and submitted to the Commission for final consideration.

The applicant, Mintie A. Smith, is identified on the Cherokee authenticated tribal roll of 1880, and on the Cherokee census roll of 1896. The name of her husband, Joseph P. Smith, appears upon the Cherokee census roll of 1896.

The evidence in this case shows that Joseph P. Smith, a citizen of the United States, was married in the Cherokee Nation, according to the customs and laws of the Cherokee Nation, on the 24th day of June 1894, to "Minta Hill", the maiden name of the applicant in this case, a recognized citizen of the Cherokee Nation.

It further appears from the evidence that a few years before his marriage to the applicant in this case, Joseph P. Smith was [illegible] trade in the State of Washington. After his marriage in 1894, he was there more or less of the time until he finished

C D 209 - 2 -

learning his trade in 1898, when he came "home" to the Indian Territory. Mintie A. Smith was in Washington part of the time with her husband, but all the time "owned" land in the Cherokee Nation, left "part of her clothes" there, and has lived continuously in the Cherokee Nation since March 1898.

In making rolls of citizens of the Cherokee Nation this Commission is governed by the provisions of the Act of Congress approved June 28, 1898. (30 Stats. 495.)

It is therefore the opinion of this Commission that Mintie A. Smith is lawfully entitled to be enrolled as a member, by blood, of the Cherokee Tribe of Indians, in Indian Territory, and that Joseph F. Smith is lawfully entitled to be enrolled as a member, by intermarriage, of the Cherokee Tribe of Indians in Indian Territory and that the application for their enrollment as such should be granted and it is so ordered.

DEPARTMENT OF THE INTERIOR,
COMMISSION TO THE FIVE CIVILIZED TRIBES,
VINITA, I.T., SEPTEMBER 17, 1900.

In the matter of the application of Joel Eli Herod for enrollment of himself, wife and child, as citizens of the Cherokee Nation, said Herod being sworn by Commissioner Breckinridge, testified as follows:

Q What is your name? A Joel Eli Herod.
Q What is your age? A 32.
Q Your postoffice? A Fairland.
Q In what district do you live? A Sequoyah.
Q Whom do you want to have enrolled? A Myself, wife and child.

Applicant presents duly authenticated certificate of admission to Cherokee citizenship, showing that on the 30th day of June, 1888, certain persons were admitted to citizenship by the Cherokee Commission, and among them appears the name of Eli Herod, aged at that time 20 years. Now that is your name, Eli? A Yes. Whic is recognized as satisfactory evidence of the facts stated. The application for this admission was filed September 26, 1887. This is returned to the applicant.

Q Have you lived in the Cherokee Nation ever since you were admitted in '8'? A Yes.
Q What is the name ofyour father? A Josiah Herod.

These papers are filed herewith. Your wife married too late to acquire rights of citizenship.

Q Is he dead or alive? A Dead.
Q What is the name of her mother? A I don't know her given name.

On '96 roll, page 477, number 1356, as Eli Herod.

The applicant applies for the enrollment of himself, his wife and one child. He is shown by the certificate of admission cited in the testimony to have been duly admitted to Cherokee citizenship in '88. He has lived here ever since and is identified on the roll of '96 as a Native Cherokee. He will be listed for enrollment as a Cherokee by blood.

His wife is shown by the marriage license and certificate filed herewith, to have been married to him on March 13, 1899. This is too late for her to be admitted to enrollment, and the application for her enrollment is rejected. The child is shown by the marriage license and certificate filed herewith, to have been born September 1, 1899, some six months after the marriage. This casts a doubt upon the legitimacy of the child, and the application for the enrollment of the child will be placed upon a doubtful card. The applicant is required to see that the birth certificate is in due form and file it with the Commission. The final decision of the Commission in regard to the enrollment of his child will be communicated to him at his postoffice address.

The undersigned, being first duly sworn, states that as stenographer to the Commission to the Five Civilized Tribes, he correctly recorded the testimony and proceedings in this case, and that the foregoing is a true and complete transcript of his stenographic notes thereof.

Subscribed and sworn to before me this 18th day of September, 1900.

In the matter of the application for the enrollment of Verna E. Herod as a citizen by blood of the Cherokee Nation.

D E C I S I O N.

--oOo--

The record in this case shows that on September 17, 1900, Joel Eli Herod appeared before the Commission at Vinita, Indian Territory, and made application for the enrollment, among others, of his minor child, Verna E. Herod, as a citizen by blood of the Cherokee Nation. The other parties to the application are differently classified and are not embraced in this decision.

The evidence shows that the said Verna E. Herod was born September 1, 1899, to Joel Eli Herod, a Cherokee by blood, who was admitted to citizenship in the Cherokee Nation by the duly constituted authorities of said Nation, on June 30, 1888, and his lawful wife, Ida I. Herod, a white woman.

Joel Eli Herod, the father of Verna E. Herod, has lived in the Cherokee Nation ever since his admission to citizenship in 1888, and is identified on the Cherokee Census roll of 1896.

It is, therefore, the opinion of this Commission that Verna E. Herod should be enrolled as a citizen by blood of the Cherokee Nation in accordance with the provisions of Section twenty-one of the Act of Congress approved June 28, 1898 (30 Stats., 495), and it is so ordered.

In the matter of the application of George G. Watkins for the enrollment of his wife, Lydia S. M. Watkins, and his five minor children, Mary A., John F., William P., George A., and Joseph Watkins, as citizens by blood of the Cherokee Nation, and for the enrollment of himself as a citizen by intermarriage of the Cherokee Nation.

D E C I S I O N.

--oOo--

The record in this case shows that on September 14, 1900, the applicant, George G. Watkins, appeared before the Commission at Pryor Creek, Indian Territory, and then and there made personal application for the enrollment of his wife, Lydia S. M. Watkins, and his five minor children, Mary A., John F., William P., George A., and Joseph Watkins, as citizens by blood of the Cherokee Nation and for the enrollment of himself as a citizen by intermarriage of the Cherokee Nation. Thereafter, at Tahlequah, Indian Territory, on December 3, 1900 additional testimony in the matter of this application was taken. On February 24, 1902 the case was ordered closed and reported to the Commission for final consideration.

Since the date of this application another child, a son, DeWitt T. Watkins, by name, was born on April 15, 1901, to the applicant George G. Watkins, and his wife, Lydia S. M. Watkins, and proper proof has been made to the Commission of the birth of said child.

The applicant, George G. Watkins, his wife, Lydia S. M. Watkins, and their children, Mary A. Watkins, John F. Watkins, and William P. Watkins, are identified on the Cherokee Census roll of 1896.

It appears from the evidence in this case that George G. Watkins was married, according to the laws and customs of the Chero-

kee Nation, on the 28th day of July 1889, to Lydia Susanna Matilda Thompson, named in the marriage license and certificate, "Susannah Thompson," who is a recognized citizen of the Cherokee Nation, she having been re-admitted under the name of "Lidia S. Thompson," to all the rights and privileges of Cherokee citizenship by the Commission on Citizenship of the Cherokee Nation, on the 4th day of April 1887.

The evidence in this case further shows that Lydia Susanna Matilda Watkins has lived continuously in the Cherokee Nation since 1884, and that her husband, George G. Watkins, has been living continuously with her in the Cherokee Nation ever since their marriage in 1889.

Proper proof of the birth of George A. Watkins, born November 22, 1896, and of Joseph Watkins, born January 18, 1899, has also been furnished to the Commission.

The authority of the Commission herein is defined in Paragraph 1, Sec. 21, of the Act of Congress, June 28, 1898. (30 Stats. 495.)

It is therefore the opinion of this Commission that George G. Watkins is lawfully entitled to be enrolled as a member by intermarriage of the Cherokee Tribe of Indians in Indian Territory, and that Lydia S. M. Watkins, Mary A. Watkins, John F. Watkins, William P. Watkins, George A. Watkins, Joseph Watkins, and DeWitt T. Watkins are lawfully entitled to be enrolled as members by blood of the Cherokee Tribe of Indians in Indian Territory and that the application for their enrollment as such should be granted and it is so ordered.

In the matter of the application for the enrollment of Florence Henry as a citizen by intermarriage of the Cherokee Nation, and for the enrollment of her three minor children, Hugh M., Wilbur W., and Jerry Henry, as citizens by blood of the Cherokee Nation.

D E C I S I O N.

--oOo--

The record in this case shows that on September 14, 1900, Florence Henry appeared before the Commission at Pryor Creek, Indian Territory, and made application for the enrollment of herself as a citizen by intermarriage of the Cherokee Nation, and for the enrollment of her three minor children, Hugh M., Wilbur W., and Jerry Henry, as citizens by blood of the Cherokee Nation. Further proceedings in the matter of said application were had at Muskogee, Indian Territory, on February 15, 1902.

The evidence shows that the said Florence Henry, a white woman, was lawfully married June 11, 1889, to Jerome C. Henry, a Cherokee by blood, who was admitted to citizenship in the Cherokee Nation by the duly constituted authorities of said Nation, on September 17, 1884. The said Florence Henry and her children, Hugh M., and Wilbur W. Henry, are identified on the Cherokee Census Roll of 1896. The other child, Jerry Henry, was born on October 5, 1899, and proper proof of his birth has been furnished the Commission.

The evidence further shows that the said Florence Henry lived continuously with her husband, Jerome C. Henry, in the Cherokee Nation from the time of their marriage until he died in the year 1899, and Florence Henry has lived in the Cherokee Nation ever since the death of her husband. The said Florence Henry has not married since the death of her husband, Jerome C. Henry.

It is, therefore, the opinion of this Commission that Florence Henry should be enrolled as a citizen by intermarriage, and that Hugh M. Henry, Wilbur W. Henry and Jerry Henry should be enrolled as citizens by blood of the Cherokee Nation in accordance with the provisions of Section twenty-one of the Act of Congress approved June 28, 1898 (30 Stats., 495), and it is so ordered.

Enrollment of Jerry Henry, Cherokee Roll No. 21649.

The Honorable,

The Secretary of the Interior.

Sir:

Your attention is respectfully invited to the case of Jerry Henry, whose name appears opposite No. 21649 upon the approved roll of citizens by blood of the Cherokee Nation.

Under date of September 5, 1908, this office notified Florence Henry (Cannon), mother of said Jerry Henry, in reference to selecting an allotment for Jerry Henry, and in reply she stated that Jerry Henry died October 26, 1900, "too soon to receive money or land." She was, therefore, requested to have properly executed a blank form of death affidavit, which was furnished her, and on October 1, 1908, there was filed the affidavit properly executed by Florence Cannon, the mother, and A. W. Herron, an acquaintance, showing the death of Jerry Henry on October 26, 1900.

It is, therefore, respectfully recommended that there be placed upon the copies of the approved roll of Cherokee citizens in the possession of the Department and the Office of Indian Affairs, opposite the name of Jerry Henry at No. 21649, the following notation:

"Died prior to September 1, 1902;
not entitled to land or money."

and that this office be authorized to make a similar notation upon the copies of said roll in its possession.

The death affidavit referred to is inclosed herewith.

DEPARTMENT OF THE INTERIOR,

COMMISSION TO THE FIVE CIVILIZED TRIBES.

In the matter of the application of Bertha T. Hogan, for enrollment as a Cherokee citizen.

On the 14th day of September, 1900, J. F. Thompson appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of Bertha T. Hogan as a citizen by blood of the Cherokee Nation.

At the conclusion of the evidence she was placed upon a "Doubtful" card awaiting further evidence of her citizenship.

On the 16th day of October, 1900, Edwin Z. Hiatt, appeared before the Commission and made application to have Bertha T. Hogan enrolled as a Cherokee citizen by blood.

D E C I S I O N.

--oOo--

Edwin Z.Hiatt is shown by the evidence to be the duly appointed guardian for Bertha T. Hogan. It appears that Bertha T. Hogan is the daughter of Georgianna Elliott, nee Hogan, who is identified on the authenticated tribal roll of 1880. Bertha T. Hogan is on the Cherokee Census roll of 1896, and the evidence shows that she is a resident of the Cherokee Nation.

In making rolls of citizenship of the Cherokee Nation this Commission is governed by the following provisions of the Act of Congress approved June 28, 1898 (30 Stats., 495);

"That in making rolls of citizenship of the several tribes, as required by law, the Commission to the Five Civilized Tribes is authorized and directed to take the roll of Cherokee citizens of eighteen hundred and eighty (not including freedmen) as the only roll intended to be confirmed by this and preceding Acts of Congress, and to enroll all persons now living whose names are found on said roll, and all descendants born since the date of said roll to persons whose names are found thereon; and all persons who have been enrolled by the tribal authorities who have heretofore made permanent settlement in the Cherokee Nation whose parents, by reason of their Cherokee blood, have been

lawfully admitted to citizenship by the tribal authorities, and who were minors when their parents were so admitted; and they shall investigate the right of all other persons whose names are found on any other rolls and omit all such as may have been placed thereon by fraud or without authority of law, enrolling only such as may have lawful right thereto, and their descendants born since such rolls were made, with such intermarried white persons as may be entitled to citizenship under Cherokee laws."

In view of the facts and the law in this case it is considered that Bertha T. Hogan is entitled to be enrolled as a citizen by blood of the Cherokee Nation, and it is so ordered.

COMMISSION TO THE FIVE CIVILIZED TRIBES.

Vinita, Ind. Ter. September 17/ 1900.

IN THE MATTER OF THE APPLICATION OF CAROLINE SUMMERS FOR THE ENROLLMENT OF HERSELF AND CHILD AS CHEROKEE CITIZENS.

The said Caroline Summers, being sworn and examined by Commissioner C. R. Breckinridge, testified as follows:

What is your name? A Caroline Summers.
Q How old are you? A Fifty-four years old.
Q What is your post office? A Foyl, Indian Territory.
Q In what district do you live? A Cooweescoowee.
Q Who is it you want to have put on the roll? A Myself and child.
Q Do you apply for yourself as a Cherokee by blood? A Yes, sir.
Q How long have you lived in the Cherokee Nation? A Six years; pretty near seven. It will be seven next spring--Well, I have lived here off and on ever since------
Q (interrupting) You have been here steadily for seven years?
A Yes, sir; it will be seven in the spring.
Q What was your name before it was Summers? A I have been married twice. My name was Barger.
Q And what was it before it was Barger? A My maiden name was Davis.
Q How did you acquire your citizenship? A I was admitted by the Cherokee Commission.
Q Let me see your certificate of admission. I was admitted once and then when I came back I had to be admitted again.
THE COMMISSIONER: The applicant presents a document which reads as follows: "Senate Bill No. 20. An Act Readmitting Caroline Barger to citizenship. By the National Council be it enacted that Caroline Barger and her five children, Samuel, John, Charles, Frank K. and Edward, be and they are hereby admitted to all the rights and privileges of Cherokee citizenship by blood. Signed L.B.Bell, President of the Senate. R. T. Hanks Clerk of the Senate. Concurred in by the House on this 17th day of November, 1886. Alexander Hauw, Speaker of Council. C..C. Lipe, Clerk of Council. A. True copy from the original R.T.Hanks Clerk of the Senate. November 27th 1886." This shows that the bill referred to passed the two bodies. It is not signed by the Chief of the Nation; nor is there any evidence that it has been passed over his veto, or if its having become a law by lapse of time, as provided in sec. 14, Art. IV of the Constitution of the Cherokee Nation. This paper is returned to the applicant.
Q Now you base your claim on that document? A Yes, sir.
Q Where have you lived since 1886, fourteen years ago?
A Why, I have lived in the Indian Territory except four years. Q. What four years? A After I was admitted on this paper I came here and lived here two years. And I had property in the states and I had to go and see about it--my husband was dead--and I had a big farm up close to Fairland and that is where I lived.

Q And you just went to look after your business? A Yes, sir.
Q Are you married at this time? A No, sir; I am a widow.
Q What was the name of your last husband? A Christopher Summers
Q Was he a Cherokee or a white man? A He was a white man.
Q Is he dead or alive? A He is dead.
Q How long since he died? A He has been dead four years.
Q When did you marry your husband Barger? A In 1866.
Q He was a white man, was he? A Yes, sir.
Q When did he die? A He died in 1881.
Q Have you got a certificate of your marriage to your husband? A Yes, sir.

THE COMMISSIONER: The applicant presents a duly authenticated marriage license and certificate. The license issued by the Clerk of Delaware District, under date of May 31, 1893, authorizing the marriage between herself and Mr. C. Summers, and the certificate shows that they were married by the Clerk on the same day. She is mentioned in this document as Miss Caroline Barger, which, however, is obviously a clerical error. These documents are filed herewith.

Q Give me the name of your child, please. A William Edward Barger.
Q How old is that child? A Eight.
Q Was that child admitted with you? A Yes, sir; admitted right on that paper.

THE COMMISSIONER: This child's name is identified with his mother on the paper mentioned above.

1896 Roll, page 257, No. 4463, Caroline Summers, Cooweescoowee District.
1896 Roll, page 257, No. 4464, Edward Summers, Cooweescoowee District. (Note: Should be Barger.)

Q This child is living now is it? A Yes, sir.

THE COMMISSIONER: The applicant applies for the enrollment of herself and one child, as stated in the testimony. She presents certain evidence of admission by the Cherokee Council in 1886; she and her child for whom she applies were admitted at the same time and in the same manner. They are fully identified on the roll of 1896, and she presents satisfactory proof as to their residence, but in view of the question of law involved in the passage of the resolution referred to and set forth in the testimony, judgment will at present be suspended, and they will be carded accordingly. When the matter is considered by the full commission and a decision is arrived at, it will be made known to her at her post office address. She is desired to supply the Commission, if attainable, with evidence of the Chief of the Nation having signed the Act of Admission, or of its having been passed over his veto, or of its having become law by lapse of time, as provided by the law quoted in the testimony.

Applicant excused.

The undersigned being duly sworn, states that as stenographer to the Commission to the Five Civilized Tribes he correctly recorded the testimony in this case, and all other proceedings, and that the foregoing is a correct and complete transcript of his stenographic notes of the same.

DEPARTMENT OF THE INTERIOR,

COMMISSION TO THE FIVE CIVILIZED TRIBES.

In the matter of the application of Caroline Summers for the enrollment of herself and her minor child, William E. Barger, as citizens by blood of the Cherokee Nation.

D E C I S I O N.

--oOo--

The record in this case shows that on September 17, 1900, the applicant, Caroline Summers, appeared before the Commission at Vinita, Indian Territory, and then and there made personal application for the enrollment of herself and her minor child, William E. Barger, her son by a former marriage, as citizens by blood of the Cherokee Nation. Thereafter, at Muskogee, Indian Territory, on the 24th day of February 1902, the case was submitted to the Commission for final consideration.

The applicant, Caroline Summers, and her son, William E. Barger, are both identified on the Cherokee Census roll of 1896, the name of the son appearing on that roll as "Edward Summers."

The evidence in this case shows that the applicant, Caroline Summers, and her son, "Edward," with others, were re-admitted to the rights and privileges of Cherokee citizenship by blood by an Act of the National Council of the Cherokee Nation approved November 21, 1886. The last name of the applicant, Caroline Summers, appears in that Act as "Borger." The applicant, Caroline Summers, was married twice, the first time to a man named Barger, and the second time, after the death of her first husband, to a man named Summers. Summers died prior to the date of this application.

The evidence further shows that the applicant, Caroline Summers, lived in the Cherokee Nation for two years following her

re-admission in 1886 and then for four years was in the "States" attending to her property interests. From the year 1892 or 1893 she has lived continuously in the Cherokee Nation.

The authority of the Commission herein is defined in Paragraph 1, Section 21, of the Act of Congress, June 28, 1898. (30 Stats., 495.)

It is therefore the opinion of this Commission that Caroline Summers and William E. Barger are lawfully entitled to be enrolled as members by blood of the Cherokee Tribe of Indians in Indian Territory and that the application for their enrollment as such should be granted and it is so ordered.

DEPARTMENT OF THE INTERIOR,

COMMISSION TO THE FIVE CIVILIZED TRIBES.

In the matter of the application of James F. Crittenden, for enrollment as a Cherokee citizen.

On the 17th day of September, 1900, James F. Crittenden appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of himself and one child as citizens by blood of the Cherokee Nation.

At the conclusion of the evidence the child was listed for enrollment on a regular card and the name of James F. Crittenden was placed upon a "Doubtful" card awaiting proof of his citizenship in the Cherokee Nation.

Further evidence has been submitted to the Commission and the following decision is rendered.

D E C I S I O N.

--oOo--

From all the evidence of record in this case it appears that the applicant, James F. Crittenden was admitted to all the rights of citizenship in the Cherokee Nation on the 17th day of September, 1880, by a Cherokee Commission on Citizenship. He has resided continuously in the Cherokee Nation since the date of his admission and is identified on the Cherokee Census roll of 1896.

This Commission in making rolls of citizenship of the Cherokee Nation is governed by the following provisions of the Act of Congress approved June, 28,1898 (30 Stats., 495);

"That in making rolls of citizenship of the several tribes, as required by law, the Commission to the Five Civilized Tribes is authorized and directed to take the roll of Cherokee citizens of eighteen hundred and eighty (not including freedmen) as the only roll intended to be confirmed by this and preceding Acts of Congress, and to enroll all persons now living whose names are found on said roll, and all descendants born since the date of said roll to persons whose names are found thereon; and all persons who have been enrolled by the tribal authorities who

have heretofore made permanent settlement in the Cherokee Nation whose parents, by reason of their Cherokee blood, have been lawfully admitted to citizenship by the tribal authorities, and who were minors when their parents were so admitted, and they shall investigate the right of all other persons whose names are found on any other rolls and omit all such as may have been placed thereon by fraud or without authority of law, enrolling only such as may have lawful right thereto, and their descendants born since such rolls were made, with such intermarried white persons as may be entitled to citizenship under Cherokee laws."

In view of the facts and the law in this case it is considered that James F. Crittenden is entitled to be enrolled as a citizen by blood of the Cherokee Nation, and it is so ordered.

Com'r Breckinridge:--The applicant applies for the enrollment of herself and two children: She claims to have been admitted as a Cherokee by the Cherokee Authorities in 1887 or 1888. She is not able to produce a certificate of admission at this time. She is identified on the roll of 1896 as a Native Cherokee. The marriage license and certificate filed herewith establishes the change of name under which she appears at present. She has lived in the

In the matter of the application of Clara M. Gordon for the enrollment of herself and two minor children, George L., and John A. Gordon as citizens by blood of the Cherokee Nation.

D E C I S I O N.
--oOo--

The record in this case shows that on September 17, 1900, the applicant, Clara M. Gordon, appeared before the Commission at Vinita, Indian Territory, and then and there made personal application for the enrollment of herself and two minor children, George L., and John A. Gordon, as citizens by blood of the Cherokee Nation. There after, on September 18, 1900, at Vinita, Indian Territory, further evidence in the matter of this application was heard, and on February 24, 1902, at Muskogee, Indian Territory, the case was ordered closed and reported to the Commission for final decision.

It appears from the evidence in this case that the applicant, Clara M. Gordon, was re-admitted under the name of "Clara May Hampton," to all the rights and privileges of Cherokee citizenship, on the 30th day of June 1888 by the Commission on Citizenship of the Cherokee Nation. On the 11th day of December 1896, the applicant was married to Lenard B. Gordon.

The applicant, Clara M. Gordon, is identified on the Cherokee Census Roll of 1896 as "Clara M. Hampton," her maiden name. The two children, George L., and John A. Gordon, born July 5, 1898 and February 25, 1900, respectively, are too young to be on any roll but proper proof of their birth has been furnished this Commission. Another child, a daughter, Amanda Gordon, was born October 5, 1901, subsequent to the date of this application and proper proof of her birth has been furnished this Commission. The applicant, Clara M.

Gordon, has lived in the Cherokee Nation ever since her admission.

The authority of the Commission herein is defined in Paragraph 1, of Sec. 21, of the Act of Congress, June 28, 1898 (30 Stats., 495.)

It is therefore the opinion of this Commission that Clara M. Gordon, George L. Gordon, John A. Gordon, and Amanda Gordon, are lawfully entitled to be enrolled as members by blood of the Cherokee Tribe of Indians in Indian Territory, and that the application for their enrollment as such should be granted and it is so ordered.

DEPARTMENT OF THE INTERIOR,
COMMISSION TO THE FIVE CIVILIZED TRIBES.

In the matter of the application of Johnson Lyman for enrollment as a citizen by blood of the Cherokee Nation.

D E C I S I O N.

The record in this case shows that on September 18, 1900, Johnson Lyman appeared before the Commission at Vinita, Indian Territory, and made personal application for the enrollment, among others, of himself as a citizen by blood of the Cherokee Nation. Further proceedings were had in the matter of said application at Vinita, Indian Territory on September 29, 1900. The other parties to this application have been differently classified, and are not therefore embraced in this decision.

The evidence shows that the applicant, John Lyman, is identified on the Cherokee Census roll of 1896, and upon an examination of the Cherokee tribal rolls, in the possession of this Commission, it appears that he is also identified on the Strip payment roll of 1894. He is not identified upon the authenticated tribal roll of 1880. He is the son of one Ruth Foreman, now deceased, who is identified on the authenticated tribal roll of 1880 as a Native Cherokee. The applicant, Johnson Lyman attended school at the Cherokee Orphan Asylum for three or four years.

The evidence further shows that the said Johnson Lyman has resided in the Cherokee Nation all his life and that he was a resident of said Nation at the time of the application herein.

It is, therefore, the opinion of this Commission that Johnson Lyman should be enrolled as a citizen by blood of the Cherokee Nation in accordance with the provisions of Section twenty-one of the Act of Congress approved June 28, 1898 (30 Stats., 495), and it is so ordered.

Q Have you some one here who knew your husband, Paden, when he was living? A No sir.

The applicant applies for the enrollment of herself and seven children. And her seven children, as enumerated in the testimony, are all identified on the roll of 1896, with her, and all of them areidentified as the children of her former husband, Benjamin B. Paden. That husband, now deceased, is identified on the rolls of 1880 and 1894, as a native Cherokee.

The applicants marriage to him in 1883 is established by her own and her mothers testimony, and she is identified with that husband on the roll of 1896. These seven children will now be listed for enrollment as Cherokees by blood. They are all living at this time.

The applicant claims to have been admitted in 1883, as set forth in the testimony. There is a clerical error in the certificate of admission: It appears quite conclusive that she was a member of the family, put down as "Allen"., there being no child of that name in the fmily, and her name being very easily corrupted into that form, and she being the only one that could supply that place, but as this involves passing upon a clerical erroriin an official document of the Cherokee Nation, I prefer that the possibilities be weighed and passed upon by the full Commission, and therefore, I defer judgment at this time, and will have her application listed for consideration in this particular by the full Commission.

The applicant has lived in the Cherokee Nation ever since her admission, and her change of name is established by personal testimony as to her marriage: She is identified on the roll of 1896.

The undersigned, being sworn, states that as stenographer to the Commission to the Five Civilized Tribes, he correctly recorded the testimony and proceedings in this case, and that the foregoing is a true and complete transcript of his stenographic notestherefor.

DEPARTMENT OF THE INTERIOR,

COMMISSION TO THE FIVE CIVILIZED TRIBES.

In the matter of the application of Lena Goins for the enrollment of herself and seven minor children as citizens by blood of the Cherokee Nation.

D E C I S I O N.

--oOo--

The record in this case shows that on September 18, 1900, the applicant, Lena Goins, appeared before the Commission at Vinita, Indian Territory, and then and there made personal application for the enrollment of herself and seven minor children, Taylor J., William R., Maud J., Russell R., Kittie, Riley R., and Benjamin R. Paden, as citizens by blood of the Cherokee Nation. Thereafter, on October 18, 1901, at Vinita, Indian Territory, further evidence in the matter of this application was heard and on February 25, 1902, at Muskogee, Indian Territory, the case was ordered closed and reported to the Commission for final decision. The seven children of the applicant, Lena Goins, and her former husband, Benjamin R. Paden, who died March 1896, are all listed for enrollment on Cherokee Roll Card Field No.2918, and are not embraced in this decision or considered at this time.

It appears from the evidence in this case that the applicant, Lena Goins, was admitted to all the rights and privileges of Cherokee Citizenship on the 27th day of September 1883, by the Commission on Citizenship of the Cherokee Nation, her name appearing in the certificate of admission as "Allen P. Jones," which name was written by some mistake instead of her correct name at the time of her admission, Orlena P. Jones.

The applicant, Lena Goins, is identified on the Cherokee

Census roll of 1896, her name appearing on said roll as "Leana Paden," She was married to her present husband, John D. Goins, February 19, 1900, and by that marriage a female child, Okley Goins, by name, was born on December 16, 1900, subsequent to the date of this application, and proper proof of her birth has been furnished the Commission. The applicant, Lena Goins, has lived in the Cherokee Nation ever since her admission in 1883.

The authority of the Commission herein is defined in Paragraph 1, Sec. 21, of the Act of Congress, June 28, 1898.(30 Stats., 495.)

It is therefore the opinion of this Commission that Lena Goins and Okley Goins are lawfully entitled to be enrolled as members by blood of the Cherokee Tribe of Indians in Indian Territory, and that the application for their enrollment as such should be granted and it is so ordered.

COMMISSION TO THE FIVE CIVILIZED TRIBES.

In the matter of the application of Martha Ellen Johnson for the enrollment of herself as a citizen by blood of the Cherokee Nation and for the enrollment of her husband, Jesse H. Johnson, as a citizen by intermarriage of the Cherokee Nation.

D E C I S I O N.

--oOo--

The record in this case shows that on September 18, 1900, the applicant, Martha Ellen Johnson, appeared before the Commission at Vinita, Indian Territory, and then and there made personal application for the enrollment of herself as a citizen by blood of the Cherokee Nation and for the enrollment of her husband, Jesse H. Johnson, as a citizen by intermarriage of the Cherokee Nation. Thereafter, on February 25, 1902, at Muskogee, Indian Territory, further evidence in the matter of this application was heard and the case was submitted to the Commission for final consideration and ordered closed. The applicant, Martha Ellen Johnson, is listed for enrollment on Cherokee Roll Card Field No. 2936, and she is not embraced in this decision nor considered at this time.

The name of Martha Ellen Johnson, appears on the Cherokee authenticated tribal roll of 1880 as "Martha Dean", her maiden name. On November 24, 1889 she married, according to the custom and laws of the Cherokee Nation, Jesse Johnson. Both Martha Ellen Johnson and her husband, Jesse H. Johnson, are identified on the Cherokee Census roll of 1896, their names there appearing as "Martha Johnson" and "Jess Johnson", respectively.

Martha Ellen Johnson and her husband, Jesse H. Johnson, have lived together in the Cherokee Nation continuously since their marriage.

The authority of the Commission herein is defined in Paragraph 1, Sec. 21, of the Act of Congress, June 28, 1898. (30 Stats., 495.)

It is therefore the opinion of this Commission that Jesse H. Johnson is lawfully entitled to be enrolled as a member by intermarriage of the Cherokee Tribe of Indians in Indian Territory, and that the application for his enrollment as such should be granted and it is so ordered.

COMMISSION TO THE FIVE CIVILIZED TRIBES.

In the matter of the application of John Washington Barger for the enrollment of himself and his minor daughters Elizabeth and Myrtle C. Barger, as citizens by blood, and for the enrollment of his wife Lydia B. Barger, as a citizen by intermarriage of the Cherokee Nation.

D E C I S I O N .

o-o-o-o-o

The record in this case shows that on September 18, 1900, John Washington Barger appeared before the Commission at Vinita, Indian Territory, and then and there made personal application for the enrollment of himself and his two minor daughters Elizabeth and Myrtle C. Barger, as citizens by blood, and for the enrollment of his wife Lydia B. Barger, as a citizen by intermarriage of the Cherokee Nation.

The evidence in this case shows that among others John Washington Barger was readmitted to citizenship in the Cherokee Nation on the 21st day of November, 1886, by an act of the National Council of the Cherokee Nation. He has resided in the Cherokee Nation continuously since the date of his readmission. He was married, in accordance with the laws of the State of Kansas, on the 19th day of February, 1894, to one Lydia B. Summers. John Washington Barger is identified on the Cherokee Census Roll of 1896 as "John Borger." Lydia B. Barger is identified thereon as "Lydia Borger." Elizabeth Barger is also identified thereon as "Edna Borger." Myrtle C. Barger was born subsequent to the making of said roll and is identified by certificate of birth on file with the Commission.

The authority of the Commission herein is defined in Par. 1, Sec. 21, of the Act of Congress, June 28, 1898. (30 Stats., 495).

It is therefore the opinion of this Commission that John Washington Barger and his minor daughters Elizabeth and Myrtle C. Barger, are lawfully entitled to be enrolled as citizens by blood, and that his wife Lydia B. Barger, is lawfully entitled to be enrolled as a citizen by intermarriage of the Cherokee Tribe of Indians in Indian Territory, and that the application for their enrollment as such should be granted, and it is so ordered.

The officers' testimony, as specified in the testimony, because his name does not appear upon the authenticated roll of 1880, nor that of his father or mother. And he presents no certificate of admission from the authorities of the Cherokee Nation; the said Arch A. Thomas, his wife, Mary J., and his children, Fred, Laura J. and Lillie Bell Thomas will be placed upon a doubtful card, and final decision as to the application for the enrollment of himself and family will be suspended.

I, the undersigned, being sworn, states that as stenographer to the Commission to the Five Civilized Tribes, I correctly recorded the testimony and proceedings in this case, and that the foregoing is a true and complete transcript of his stenographic notes thereof.

COMMISSION TO THE FIVE CIVILIZED TRIBES.

In the matter of the application of Arch W. Thomas for the enrollment of himself and his minor children Fred, Laura J. and Lillie Bell Thomas, as citizens by blood, and for the enrollment of his wife Mary Jane Thomas, as a citizen by intermarriage of the Cherokee Nation.

D E C I S I O N .

o-o-o-o

The record in this case shows that on September 18, 1900, Arch W. Thomas appeared before the Commission at Vinita, Indian Territory, and then and there made personal application for the enrollment of himself and his three minor children Fred, Laura J. and Lillie Bell Thomas, as citizens by blood, and for the enrollment of his wife Mary Jane Thomas, as a citizen by intermarriage of the Cherokee Nation. Thereafter, on September 25, 1900, at Vinita, Indian Territory, supplemental proceedings were had in the matter of this application, and again on February 25, 1902, at Muskogee, Indian Territory, there was additional testimony taken in the matter of this application.

The evidence in this case shows that Arch W. Thomas is 57 years of age, was born and reared and has lived in the Cherokee Nation all his life. He is a citizen by blood, and was married, in accordance with the laws of the Cherokee Nation, in the year 1883, to one Mary Jane Rippetoe, a white woman. Arch W., Fred, Laura J. and Lillie Bell Thomas are identified on the Cherokee Strip Payment Roll of 1894, and on the Cherokee Census Roll of 1896. Mary Jane Thomas is identified on the Cherokee Census Roll of 1896. The testimony in this case shows that the mother of Arch W. Thomas was a citizen of the Cherokee Nation, but died prior to 1880. His father was a white man and also died

prior to 1880. Alex Copeland, a maternal half brother, is identified on the Authenticated Tribal Roll of 1880.

The authority of the Commission herein is defined in Par. 1, Sec. 21, of the Act of Congress, June 28, 1898. (30 Stats., 495).

It is therefore the opinion of this Commission that Arch W. Thomas and his minor children Fred, Laura J. and Lillie Bell Thomas, are lawfully entitled to be enrolled as citizens by blood, and that his wife Mary Jane Thomas, is lawfully entitled to be enrolled as a citizen by intermarriage of the Cherokee Tribe of Indians in Indian Territory, and that the application for their enrollment as such should be granted, and it is so ordered.

THE COMMISSION TO THE FIVE CIVILIZED TRIBES.

R. F. Wyly,
Attorney General, Cherokee Nation.

Tahlequah, I. T.,
Aug 12th 1897.

This is to certify that I, while district Judge of Delaware district, Cherokee Nation, did perform the rights of matrimony between Arch Thomas, a citizen of this nation, and Mary Jane Rippitoe, a citizen of the United States, and to the best of my recollection, it was in the early part of the year 1883.

R. F. Wyly
Atty, Gen. C. N.

Friend Arch:

I suspect that you are thinking it necessary, or some one has told you, perhaps a lawyer, for you to make application to the Dawes Commission to be enrolled as a Cherokee citizen. It has been my understanding all along that you are native and to the manner born. I suppose you have been on every roll, you and your wife, taken since you were married. What more can you do. The Dawes Commission will be as dead certain to enroll you and your wife and children, unless you have a child born since the roll of 96 -last year, was taken, as your name is Arch Thomas. No one doubts, I suppose, that your name is Arch Thomas. If there is any objection to you or your wife being enrolled it will have to come from the Cherokee Nation, not the Dawes Commission. That Commission knowes nothing of citizenship here more than it will find on the rolls furnished it by the Cherokee Nation. The protest against any one being enrolled must come from the Nation. I do not think you will be protested against.

Yours truly,
R. F. Wyly.

I, H. M. Vance, as stenographer to the Commission to the Five Civilized Tribes, do hereby certify that the above is a true and correct copy of the certification of R. F. Wyly, Atterney General C. N., and also a copy of a letter signed in typewritten characters "R. F. Wyly," both of which appear upon the same sheet of paper and were filed with the Commission to the Five Civilized Tribes on the 18th day of September, 1900.

H. M. Vance
Stenographer.

The Commissioner's decision has this day been forwarded to the Secretary of the Interior for review. You will be advised of the Secretary's action as soon as this office is informed of same.

Respectfully,

DEPARTMENT OF THE INTERIOR,
COMMISSION TO THE FIVE CIVILIZED TRIBES'
VINITA, I.T., SEPT., 19, 1900.

In the matter of the application of James F. Petty for enrollment of himself and two children as citizens of the Cherokee Nation, said Petty being sworn by Commissioner Breckinridge, testified as follows:

Q What is your name? A James F. Petty.
Q How old are you? A 32.
Q Your postoffice? A Zena.
Q In what district do you live? A Delaware.
Q Whom do you want to have put on the rolls? A Myself and two children.
Q Do you apply for yourself as a Cherokee by blood? A No sir, white man.
Q Have you your marriage license and certific te? A Yes.

Applicant presents duly authenticated Cherokee marriage license and certificate. The license is issued by the Clerk of Goingsnake district authorizing his marriage to Miss Mary J. Ross. License is dated April 6, 1889, and the certificate shows that they were united in marriage on April 7th of the same year by J. V. McPherson, Judge of the Goingsnake District Court. These papers are filed herewith.

Q How have you lived in the Cherokee nation ever since your marriage in '89? A yes.
Q Is your wife alive now or dead? A Dead.
Q When did she die? A '96.
Q Did you and she live together from the time of your marriage until her death? A Yes.
Q Have you ever married since she died? A No sir.
Q Where was your wife in '80? A In Delaware district, I guess.
Q How old was she when she died? A About 23 years old.
Q Did she die before the '96 roll was made up or is she on that roll with you? A I think so.
Q What district was she from then-- what district were you living in in '96? A Goingsnake.
Q How give me names of these two children? A Clarence F., 9 years old.

On '96 roll, page 778, number 1648, as Clarence.

Q Next child? A George R., 8 years old.

On '96 roll, page 778, number 1649, as George.

Q What proportion of Cherokee blood did your wife have? A About 1/8 I guess.
Q Are these children living now? A yes.

Applicant on '96 roll, page 826, number 149, as James (S) Petty.

The applicant applies for the enrollment of himself and two children. The marriage license and certificate filed herewith show that he was married in '89 in accordance with Cherokee law to one Mary J. Ross, stated in the license to be a Cherokee citizen. He states that she died in '96; that they lived together from their marriage until her death in the Cherokee Nation, and that he has not married since her death. He is identified on the roll of '96, but his wife who died before the roll of '96 and would be some 27½ years old at this time, is not identified on the roll of '80. The application of the applicant for his own enrollment will be at this time placed upon a doubtful card to await information that will enable the Commission to identify his wife upon the roll of '80. The two children, Clarence F. and George R., are identified on the roll of '96, but as they derive their rights through their mother, the application for their enrollment will also be placed upon a doubtful card to

to await the same information as in the case of their father.

The undersigned, being first duly sworn, states that as stenographer to the Commission to the Five Civilized Tribes, he correctly recorded the testimony and proceedings in this case, and that the foregoing is a true and complete transcript of his stenographic notes thereof.

Subscribed and sworn to before me this 21st day of September, 1900.

Commissioner.

IN THE MATTER OF THE ENROLLMENT OF THOMAS F. PETTY AND CHILDREN, CARD "D" #342.

(SUPPLEMENTAL JUDGMENT)

(1880 Roll, Page 27, #73, Mary Ross, Orphan Roll, Saline District)

Comr. T. B. Needles: Upon an examination of the authenticated roll of 1880 this day, the name of Mary Ross is found upon said roll, as indicated therein: She is duly identified as the wife of James F. Petty: This identification supplies defects in the enrollment of said James F. Petty, as appears in the judgment rendered on September 9th, 1900.

Commissioner, that said James F. Petty shall be placed upon a strict compliance as an intermarried citizen, and his children, Clarence F. and George R. Petty as citizens by blood.

I, [illegible], Stenographer to the Commission to the Five Civilized Tribes, do hereby certify that I correctly recorded the testimony and proceedings in this case, and that the foregoing is a true and complete transcript of my stenographic notes thereof.

DEPARTMENT OF THE INTERIOR,

COMMISSION TO THE FIVE CIVILIZED TRIBES.

Muskogee, I. T., March 4 1902.

I, the undersigned, do hereby certify that the above and foregoing is a true and correct copy of the original offered in evidence in the matter of the application for enrollment of James F. Petty, et al as citizen of the Cherokee Nation.

Commissioner.

CHEROKEE D 342 a115

DEPARTMENT OF THE INTERIOR,

COMMISSION TO THE FIVE CIVILIZED TRIBES.

In the matter of the application of James F. Petty, et.al. for enrollment as Cherokee citizens.

On the 19th day of September, 1900, James F. Petty appeared before the Commission to the Five Civilized Tribes and made application for his enrollment as a citizen by intermarriage of the Cherokee Nation, and for the enrollment of his children Clarence F. and George R. as citizens by blood of the Cherokee Nation.

At the conclusion of the evidence the names of all the parties in this application were placed upon a"doubtful" card awaiting proof of the citizenship of Mary Ross, through marriage to whom applicant bases his right to enrollment.

Further investigation has satisfied the Commission on that question and the following decision is rendered.

D E C I S I O N.

--oOo--

James F. Petty is a white man. He was married by authority of a Cherokee marriage license to Mary J. Ross on the seventh day of April, 1889. The said Mary J. Ross is identified on the authenticated tribal roll of 1880. Applicant has lived in the Cherokee Nation ever since the date of his said marriage and is also identified on the Cherokee Census roll of 1896. Clarence F. and George R. Petty, his children by such marriage are also identified on the roll of 1896.

This Commission in making rolls of citizenship of the Cherokee Nation is governed by the following provisions of the Act of Congress approved June 28, 1898 (30 Stats., 495):

" That in making rolls of citizenship of the several tribes, as required by law, the Commission to the Five Civilized Tribes is authorized and directed to take the roll of Cherokee citizens of eighteen hundred and eighty (not including freedmen) as the

only roll intended to be confirmed by this and preceding Acts of Congress, and to enroll all persons now living whose names are found on said roll, and all descendants born since the date of said roll to persons whose names are found thereon; and all persons who have been enrolled by the tribal authorities who have heretofore made permanent settlement in the Cherokee Nation whose parents, by reason of their Cherokee blood, have been lawfully admitted to citizenship by the tribal authorities, and who were minors when their parents were so admitted; and they shall investigate the right of all other persons whose names are found on any other rolls and omit all such as may have been placed thereon by fraud or without authority of law, enrolling only such as may have lawful right thereto, and their descendants born since such rolls were made, with such intermarried white persons as may be entitled to citizenship under Cherokee laws."

In view of the facts and the law in this case it is considered that James F. Petty is entitled to be enrolled as a citizen by intermarriage of the Cherokee Nation, and that his children Clarence F. and George R. Petty are entitled to be enrolled as citizens by blood of the Cherokee Nation.

It is therefore so ordered.

Commissioners.

COMMISSION TO THE FIVE CIVILIZED TRIBES.

In the matter of the application of Dave Linn for the enrollment of his wife, Lucinda B. Linn, as a citizen by blood of the Cherokee Nation.

D E C I S I O N.

The record in this case shows that on September 20, 1900, Dave Linn appeared before the Commission at Vinita, Indian Territory, and then and there made personal application for the enrollment of his wife, Lucinda B. Linn, as a citizen by blood of the Cherokee Nation. Further testimony was submitted in this case December 3, 1900. It appears from the evidence in support of this application that Lucinda B. Linn is the daughter of Alexander Beamer who is identified on the 1880 Census Roll of the Cherokee Nation, page 411, No. 209. She is too young to be upon that roll. Lucinda B. Linn is identified on the 1896 Census Roll of the Cherokee Nation, page 438, No. 236, under her maiden name. She was lawfully married to Dave Linn on November 30, 1899. December 5, 1901, there was filed with the Commission a duly executed affidavit from which it appears that John W. Linn was born July 3, 1901, that he is the child of Dave and Lucinda B. Linn and that he was living at the date of the execution of the affidavit.

The law applicable in this case is found in Par. 1, Sec. 1, act of Congress approved June 28, 1898.

It is therefore the opinion of this Commission that Lucinda B. Linn and John W. Linn are legally entitled to be enrolled as members by blood of the Cherokee Tribe of Indians in Indian Territory and that the application for their enrollment as such

should be granted and it is so ordered.

DEPARTMENT OF THE INTERIOR,

COMMISSION TO THE FIVE CIVILIZED TRIBES.

In the matter of the application of Charlotte T. Taylor for the enrollment of herself as a citizen by blood of the Cherokee Nation.

D E C I S I O N.

The record in this case shows that on September 20, 1900, the applicant, Charlotte T. Taylor, appeared before the Commission at Vinita, Indian Territory, and then and there made personal application for the enrollment of herself and her son, John S. Stubbs, as citizens by blood of the Cherokee Nation. The applicant, Charlotte T. Taylor, again appeared in person before the Commission at Vinita, Indian Territory, on October 2, 1900, and submitted testimony in this case, and again at Vinita, Indian Territory, October 16, 1901, and submitted further testimony in the case. John S. Stubbs has been listed for enrollment on Cherokee Roll Card Field No. 3186.

It appears from the evidence in support of this application that Charlotte T. Taylor was admitted to citizenship in the Cherokee nation by an act of the Cherokee National Council approved December 15, 1890, under the name of Charlotte T. Martin. She is duly identified on the 1896 census roll of the Cherokee Nation, page 216, No. 3310.

The authority of the Commission herein is defined in Par.1, Sec. 21, of the act of Congress, June 28, 1898(30 Stats., 495).

It is therefore the opinion of this Commission that Charlotte T. Taylor is lawfully entitled to be enrolled as a member by blood of the Cherokee Tribe of Indians in Indian Territory, and

that the application for her enrollment as such should be granted, and it is so ordered.

DEPARTMENT OF THE INTERIOR,

COMMISSION TO THE FIVE CIVILIZED TRIBES.

In the matter of the application of Laura McCrary, et.al. for enrollment as Cherokee citizens.

On the 20th day of September, 1900, James R. McCrary appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of himself and child, Jack W. McCrary, as citizens by blood of the Cherokee Nation, and for his wife Laura, as a citizen by intermarriage of the Cherokee Nation.

At the conclusion of the evidence offered at that time James R. McCrary was listed for enrollment on a regular card and the names of his wife Laura, and his child Jack W. McCrary, were placed upon a "Doubtful" card awaiting proof of marriage.

Further evidence in that matter has been submitted to the Commission and the following decision is rendered.

D E C I S I O N.

--oOo-- --oOo--

From all the evidence of record in this case it appears that Laura McCrary is a white woman; that she was married on the fourth day of July, 1895 to James R. McCrary, a citizen by blood of the Cherokee Nation. He is duly identified on the authenticated tribal roll of 1880. She and her husband have lived together in the Cherokee Nation ever since. She is identified on the Cherokee Census roll of 1896.

Their child, Jack W. McCrary was born in September, 1896, only two months after their marriage, but being born in wedlock he is presumed in law to be the child of James R. McCrary. He is identified on the Cherokee Census roll of 1896.

This Commission in making rolls of citizenship of the Cherokee

Nation is governed by the following provisions of the Act of Congress approved June 28, 1898 (30 Stats., 495);

> "That in making rolls of citizenship of the several tribes, as required by law, the Commission to the Five Civilized Tribes is authorized and directed to take the roll of Cherokee citizens of eighteen hundred and eighty (not including freedmen) as the only roll intended to be confirmed by this and preceding Acts of Congress, and to enroll all persons now living whose names are found on said roll, and all descendants born since the date of said roll to persons whose names are found thereon; and all persons who have been enrolled by the tribal authorities who have heretofore made permanent settlement in the Cherokee Nation whose parents, by reason of their Cherokee blood, have been lawfully admitted to citizenship by the tribal authorities, and who were minors when their parents were so admitted; and they shall investigate the right of all other persons whose names are found on any other rolls and omit all such as may have been placed thereon by fraud or without authority of law, enrolling only such as may have lawful right thereto, and their descendants born since such rolls were made, with such intermarried white persons as may be entitled to citizenship under Cherokee laws."

In view of the facts and the law in this case it is considered that Laura McCrary is entitled to be enrolled as a citizen by intermarriage of the Cherokee Nation, and that Jack W. McCrary is entitled to be enrolled as a citizen by blood of the Cherokee Nation.

It is therefore so ordered.

COMMISSION TO THE FIVE CIVILIZED TRIBES.

In the matter of the application of Charles F. Dege for the enrollment of himself as a citizen by blood of the Cherokee Nation.

D E C I S I O N.

The record in this case shows that on September 20, 1900, the applicant, Charles F. Dege, appeared before the Commission at Vinita, Indian Territory, and then and there made personal application for the enrollment of himself as a citizen by blood of the Cherokee Nation. It appears from the evidence in support of this application and the records of the Cherokee Nation in possession of this Commission that Charles F. Dege was admitted to citizenship in the Cherokee Nation on January 4, 1888, by the Cherokee Commission. He is identified on the 1896 Census Roll of the Cherokee Nation, page 146, No. 1397. He came to the Cherokee Nation in 1892, remained two months, and then went to Atlanta, Georgia, and staid about one year. He returned to the Cherokee Nation in 1893 and remained until November 1899, at which time he went to Coffeyville, Kansas, and has been there ever since, where he is employed as a clerk.

The law applicable in this case is found in Par. 1, Sec. 21, act of Congress, approved June 28, 1898 (30 Stats., 495).

It is therefore the opinion of this Commission that Charles F. Dege is legally entitled to be enrolled as a member by blood of the Cherokee Tribe of Indians in Indian Territory and that the application for his enrollment as such should be granted and it is so ordered.

DEPARTMENT OF THE INTERIOR

COMMISSION TO THE FIVE CIVILIZED TRIBES.

In the matter of the application of Joel D. Smith for the enrollment of himself as a citizen by intermarriage of the Cherokee Nation.

D E C I S I O N .

-o-o-o-

The record in this case shows that on September 19, 1900, Joel D. Smith appeared before the Commission at Vinita, Indian Territory, and then and there made personal application for the enrollment of himself as a citizen by intermarriage of the Cherokee Nation. Thereafter on October 3, 1900, at Vinita, Indian Territory, there was additional testimony taken in the matter of this application. And later on February 25, 1902, at Muskogee, Indian Territory, further testimony was submitted, and again on April 22, 1902, at Muskogee, Indian Territory, there was supplemental testimony taken by this Commission. Application was also made for the enrollment of his wife, Alice Smith, as a citizen by blood of the Cherokee Nation, but as she is listed for enrollment on Cherokee Roll Car Field No. 3053, her case is not passed upon at this time.

The evidence shows that Joel D. Smith was married in accordance with Cherokee law on the 27th day of May, 1889, to one Alice Clark, a citizen by blood of the Cherokee Nation, and who is identified on the Cherokee Authenticated Tribal Roll of 1880. Joel D. Smith is identified on the Cherokee census roll of 1896 as "Joe D. Smith," and has lived in the Cherokee Nation continuously since 1889. His wife has been a resident therein all her life. Documentary proof of his marriage was not obtainable, but the testimony of competent witnesses in this case is deemed sufficient to establish said marriage.

The authority of the Commission herein is defined in Paragraph 1, Sec. 21, of the Act of Congress, June 28,1898. (30

States., 495).

It is the opinion of this Commission that Joel D. Smith is lawfully entitled to be enrolled as a citizen by intermarriage of the Cherokee Tribe of Indians in Indian Territory, and that the application for his enrollment as such should be granted, and it is therefore so ordered.

THE COMMISSION TO THE FIVE CIVILIZED TRIBES.

Its Effect Is Limited Shown That said persons possess no right to enrollment as citizens of the Cherokee Nation other than by intermarriage, and that no one of said persons claims to have been married to a citizen by blood of the Cherokee Nation prior to November 1, 1875. The name of no one of said persons is identified on the Cherokee authenticated roll of 1880.

It Is Therefore Ordered and Adjudged That in accordance with the decision of the Supreme Court of the United States dated November 5, 1906, in the cases of Daniel Red Bird et al vs the United States, Nos. 125, 126, 127 and 128, said applicants are not entitled, under the provisions of Section twenty-one of the Act of Congress approved June 28, 1898 (30 Stat. 495), to enrollment as citizens by intermarriage of the Cherokee Nation, and their applications for enrollment as such are accordingly denied.

DEPARTMENT OF THE INTERIOR,

COMMISSION TO THE FIVE CIVILIZED TRIBES.

In the matter of the application of Cynthia M. Maples for the enrollment of her minor child Harvey S. Maples as a citizen by blood of the Cherokee Nation.

D E C I S I O N.

The record in this case shows that on September 22, 1900, the applicant, Cynthia M. Maples appeared before the Commission at Vinita, Indian Territory, and then and there made personal application for the enrollment of herself and her minor child, Harvey S. Maples, as citizens by blood of the Cherokee Nation. Cynthia M. Maples has been listed for enrollment on Cherokee Roll Card Field No. 3323.

It appears from the evidence in support of this application that Cynthia M. Long filed her application for citizenship in the Cherokee Nation with the Commission to the Five Civilized Tribes September 7, 1896, under the act of Congress, June 10, 1896, said application included other parties. The application was denied by the Commission and an appeal was taken to the United States Court in Indian Territory, Northern District, and the decision of the Commission was reversed, November 10, 1899. The judgment of the Court of November 10, 1899, was re-formed December 5, 1899 by admitting the name of Cynthia Long, daughter of Robert H. Long, to list of names admitted to citizenship by judgment of November 10, 1899, same having been erroneously omitted therefrom. It further appears that Samuel H. Maples was lawfully married to Cynthia Long on January 11, 1898. It further appears that on January 26, 1901 there was filed with the Commission an affidavit duly executed, October 3, 1900, from which it appears that Harvey S. Maples was born, September 25, 1898, that he is the child of Samuel H. and Cynthia M. Maples and that he was living at the date of the execution of the affidavit.

Cherokee-D-39

The authority of the Commission herein is defined in Par. 1, sec.21, of the act of Congress, June 28, 1898 (30 Stats., 495).

It is therefore the opinion of this Commission that Harvey S. Maples is lawfully entitled to be enrolled as a member by blood of the Cherokee Tribe of Indians in Indian Territory and that the application for his enrollment as such should be granted, and it is so ordered.

The Cherokee Nation.	)	

DECISION OF COURT ON REHEARING.

SPRINGER, JUDGE -

A re-hearing was allowed in this case on the 8th day of April,1898,and parties were permitted to take additional testimony. The additional tetimony clearly establishes the fact that the principal claimants,Robert H. Long and Lemuel D.Long,in connection with the testimony theretofore filed,are Cherokee Indians by blood,and that they took up their residence in the Cherokee Nation prior to November 20,1868,and that they have regarded that Nation as their place of residence ever since that time. The Cherokee Council passed an act October,15,1841,to the effect that all Cherokees,who resided out of the limits of the Nation previous to the adoption of the constitution should not be required to memoralize the National Council for admission to the rights and privileges of citizenship,it was considered that they has the right of returning without the action of the Council. This act was repealed Nov.20,1868. It will thus be seen that from October,15,1841,until November,20,1868,a period of twenty-seven years,a general invitation was extended by the Cherokee Nation to all Cherokees who may have been residing out of the limits of the Nation previous to the adoption of the Constitution to return to the Nation and enjoy the rights and privileges of citizenship without being required to memoralize the National Council for admission,(See General Opinion of this Court in Citizenship cases,printed by interior Department, in pamplet form,1899)

It appears from the additional testimony that some of the children of the principal claimants are not residnts of the Cherokee Nation. Such non-residents are certain of the children of Lemuel D.Long:-namely:

Charles Long
O. L. Long, and
Mrs L.M.Smiley,(nee Long)(Written also Smille)

The judgment of the United States Commission to the five civilized tribes rejecting the clim of said non-residnts,namely Charles & O.L. Long and Mrs L.M.Smiley,is affirmed,and their application to be enrolled as citizens of the Cherokee Nation is denied.

The judgment of said Commission rejecting the claim of the other claimants is reversed,and their application to be enrolled as citizens of the Cherokee Nation is allowed,and it is therefore, ORDERED,ADJUDGED and DECREED by the Court that the said claimants to citizenship in the Cherokee Nation are citizens of said Nation. The persons admitted to citizenship in said Nation by this decree are as follows:
1- Robert H. Long,2.-Lemuella Berry(nee Long),3.-Isaiah H.Long- 4-Martha E.Bandy,5.-Ivan Long,6.- Mary T.Long,7.-Lucinda Long,8.-Ivan Berry, 9.-Lemuel Berry,10.-Eva Berry,and 11.-Lucinda Berry,(born May 25,1897, after application was made to U.S.Commission.) 12.-Lemuel D.Long,13.-Mauda L.Long(or Manda L.Long,) 14.-Ila Long,and 15.-Thomas Long. In all fifteen (15) persons.

I,Jas.A.Winston,U.S.Clerk for the U.S.Court for the Northern District of the Indian Territory do hereby certify that the above and foregoing is a true and correct copy of the judgment of the court in the above case.

DEPARTMENT OF THE INTERIOR,

COMMISSION TO THE FIVE CIVILIZED TRIBES.

In the matter of the application of Isaiah H. Long for the enrollment of his three minor children, Henry H., Frances L. and Flora A. Long as citizens by blood of the Cherokee Nation.

D E C I S I O N.

The record in this case shows that on September 22, 1900, the applicant, Isaiah H. Long, appeared before the Commission at Vinita, Indian Territory, and then and there made personal application for the enrollment of himself and his two minor children, Henry H. and Francds L. Long as citizens by blood of the Cherokee Nation. Isaiah H. Long has been listed for enrollment on Cherokee Roll Card Field No. 3315. Further testimony was submitted in this case on February 26, 1902, at Muskogee, Indian Territory. On January 8,1901, there was filed with the Commission a duly executed birth affidavit from which it appears that Flora A. Long was born December 3, 1900, that she is the child of Isaiah H. and Maggie I. Long and that she was living at the date of the execution of the affidavit, said affidavit having been executed December 31, 1900. It appears from the evidence in support of this application and from the records in possession of this Commission that Isaiah H. Long filed his application for citizenship with the Commission to the Five Civilized Tribes on September 7, 1896, and the same was denied. An appeal was taken to the United States Court in Indian Territory, Northern District, and on November 10, 1899, the judgment of the Commission was reversed and said Isaiah H. Long was by said Court admitted to citizenship in the Cherokee Nation. It further appears that Isaiah H. Long was lawfully married to his wife, Maggie I. on September 8, 1896. Properly executed affidavits of birth for the minor children Henry H. and Frances L. Long have been filed with this Commission

and it appears therefrom that Henry H. Long was born April 30, 1897 and Frances L. Long was born August 4, 1898.

The authority of the Commission herein is defined in Par.1, Sec. 21, of the act of Congress, June 28, 1898 (30 Stats., 495).

It is therefore the opinion of this Commission that Henry H. Long, Frances L. Long and Flora A. Long are lawfully entitled to be enrolled as members by blood of the Cherokee Tribe of Indians in Indian Territory and that the application for their enrollment as such should be granted, and it is so ordered.

DEPARTMENT OF THE INTERIOR,

COMMISSION TO THE FIVE CIVILIZED TRIBES.

In the matter of the application of James D. Ralston, for enrollment as a Cherokee citizen.

On the 22nd day of September, 1900, James D. Ralston appeared before the Commission to the Five Civilized Tribes, and made application for the enrollment of himself as a citizen by blood of the Cherokee Nation.

At the conclusion of the evidence offered at that time the name of James D. Ralston was placed upon a "Doubtful" card awaiting proof of his admission to citizenship in the Cherokee Nation as alleged.

Further evidence in that matter has been submitted to the Commission and the following decision is rendered.

D E C I S I O N.

--oOo--

From all the evidence of record in this case it appears that James D. Ralston was re-admitted to citizenship in the Cherokee Nation by an Act of the Cherokee National Council on the 12th day of October, 1887. He has resided in the Cherokee Nation since the date of his re-admission and is identified on the Cherokee Census roll of 1896.

In making rolls of citizenship of the Cherokee Nation this Commission is governed by the following provisions of the Act of Congress approved June 28, 1898 (30 Stats., 495);

"That in making rolls of citizenship of the several tribes, as required by law, the Commission to the Five Civilized Tribes is authorized and directed to take the roll of Cherokee citizens of eighteen hundred and eighty, (not including freedmen) as the only roll intended to be confirmed by this and preceding acts of Congress, and to enroll all persons now living whose names are found on said roll, and all descendants born since the date of said roll to persons whose names are found thereon; and all persons who have been enrolled by the tribal authorities who have heretofore made permanent settlement in the Cherokee Nation

whose parents, by reason of their Cherokee blood, have been lawfully admitted to citizenship by the tribal authorities, and who were minors when their parents were so admitted; and they shall investigate the right of all other persons whose names are found on any other rolls and omit all such as may have been placed thereon by fraud or without authority of law, enrolling only such as may have lawful right thereto, and their descendants born since such rolls were made, with such intermarried white persons as may be entitled to citizenship under Cherokee laws."

In view of the facts and the law in this case it is considered that James B. Ralston is entitled to be enrolled as a citi-zen by blood of the Cherokee Nation, and it is so ordered.

CHEROKEE 9 362 185

DEPARTMENT OF THE INTERIOR,

COMMISSION TO THE FIVE CIVILIZED TRIBES.

In the matter of the application of Theresa C. Krebs, et.al. for enrollment as Cherokee citizens.

On the 21st day of September, 1900, Theresa C. Krebs appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of herself and her two children, Edna Lera and John R. Krebs, as citizens by blood of the Cherokee Nation.

At the conclusion of the evidence offered at that time applicant is advised that Edna Lera being 21 years old must make personal application for enrollment, and the names of the applicant and her son John R. were placed upon a "Doubtful" card awaiting proof of admission of Theresa C. Krebs to citizenship in the Cherokee Nation.

Further evidence in that matter has been submitted to the Commission and the following decision is rendered.

D E C I S I O N.

--oOo--

From all the evidence of record in this case it appears that Theresa C. Krebs was re-admitted to citizenship in the Cherokee Nation by an Act of the Cherokee National Council on the 20th day of November, 1886. She was born in the Cherokee Nation and resided there until her marriage to Edmund P. Krebs in 1875. Her home has been in the Cherokee Nation since 1886, and she has resided there continuously since 1893. She is identified on the Cherokee Census roll of 1896. The child John R. Krebs is the off-spring of her marriage with Edmund P. Krebs. He is also identified on the Cherokee Census roll of 1896.

In making rolls of citizenship of the Cherokee Nation this Commission is governed by the following provisions of the Act of

Congress approved June 28, 1898, (30 Stats., 495);

> " That in making rolls of citizenship of the several tribes, as required by law, the Commission to the Five Civilized Tribes is authorized and directed to take the roll of Cherokee citizens of eighteen hundred and eighty (not including freedmen) as the only roll intended to be confirmed by this and preceding Acts of Congress, and to enroll all persons now living whose names are found on said roll, and all descendants born since the date of said roll to persons whose names are found thereon; and all persons who have been enrolled by the tribal authorities who have heretofore made permanent settlement in the Cherokee Nation whose parents, by reason of their Cherokee blood, have been lawfully admitted to citizenship by the tribal authorities, and who were minors when their parents were so admitted; and they shall investigate the right of all other persons whose names are found on any other rolls and omit all such as may have been placed thereon by fraud or without authority of law, enrolling only such as may have lawful right thereto, and their descendants born since such rolls were made, with such intermarried white persons as may be entitled to citizenship under Cherokee laws."

In view of the law and the facts in this case it is considered that Theresa C. Krebs and her child, John R. Krebs are entitled to be enrolled as citizens of the Cherokee Nation, and it is so ordered.

Q What is your name? A Maria L. Fleming.

Q What degree of blood do you claim? A I don't know for certain, I have been put down 1/8, I think about 1/16.
Q Who do you apply for for enrollment? A Myself and one child, I have two, but one is married, and my husband.
Q What is the name of your father? A Thomas Clark.
Q He is a Cherokee citizen by blood? A No sir, a white man.
Q He living? A No sir.
Q What is the name of your mother? A Ann Clark.

Q By what right do you claim citizenship? A Because I have lived here all my life, and my husband has the consumption, and we traveled and were west in 1880.
Q Your name is not on the 1880 roll? A No, sir, but on the other rolls it is there.
(Maria L. Fleming on ~~K2~~ 1896 roll, page 469, No.1117, Delaware dist.)
Q You say your father was named Thomas Clark; was he a citizen by blood? A No, sir.
Q Your mother's name? A Ann Clark.

Q Her name appear upon the 1880 roll? A No sir, she died before the war.
(James W. Fleming on 1896 roll, page 572, No. 193, Delaware district. Edward Beeson on 1896 roll, page 445, No. 410, Edward B. Beason, Delaware district.)
Q Have you any proof to offer as to your Cherokee citizenship?
A Yes sir, I can get plenty of it.

Q And you went there because he had consumption? A Yes sir, he died there.
Q Did he die there? A No, sir he died here a year after we came back.

Commissioner Needles: The name of Maria L. Fleming appears upon the census roll of 1896. She avers that she is the daughter of Thomas and Ann Clark, that her mother Ann Clark was a citizen by blood, but her name does not appear upon the authenticated roll of 1880; neither does the name of Maria L. Fleming appear upon the authenticated roll of 1880. She avers that she was married to James W. Fleming, a non citizen, in the year 1889, but presents no proof of marriage nor certificate of marriage, and the name of her husband appears upon the census roll of 1896. She avers that she has one son Edward B. Beeson, by a former husband, and the name of Edward B. Beeson appears upon the census roll of 1896. Because of the fact that the name of the applicantdoes not appear upon the authenticated roll of 1880, and she presents no authenticated proof, record or certificate as to her Cherokee citizenship, and the further fact that she presents no certificate of marriage or proof of marriage as to her husband, James W., final judgment as to the enrollment of the said Maria L.Fleming, her husband as an intermarriage citizen, and her son, Edward B. Beeson, will be suspended, and their names will be placed upon a doubtful card, awaiting proof of marriage and proof as to citizenship.

DEPARTMENT OF THE INTERIOR,

COMMISSION TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment of Perry H. Beeson as a citizen by blood of the Cherokee Nation.

D E C I S I O N.

The record in this case shows that on September 21,1900, Perry H. Beeson appeared before the Commission at Vinita, Indian Territory, and made personal application for the enrollment, among others, of himself as a citizen by blood of the Cherokee Nation. The other parties to the application are differently classified, and are not embraced in this decision. Further proceedings in the matter of said application were had at Vinita, Indian Territory, on October 4, 1900, and at Muskogee, Indian Territory, on February 25, 1902. On February 25, 1902 the evidence in the case of Mariah H. Fleming was made part of the record in this case.

The evidence shows that the said Perry H. Beeson is a Cherokee by blood; that he was born in the Cherokee Nation, and was taken from said nation by his parents about the year 1878, he being at that time about three years old. It further appears that this absence was caused by the ill health of his father, and that he returned to the Cherokee Nation when about nine or ten years old, and has resided therein continuously since that time.

The said Perry H. Beeson is identified on the 1896 Census Roll of the Cherokee Nation, and was a resident of said nation at the date of the application herein.

It is, therefore, the opinion of this Commission that Perry H. Beeson should be enrolled as a citizen by blood of the Cherokee Nation in accordance with the provisions of section twenty-one of the Act of Congress, approved June 28, 1898(30 Stats., 495), and it is so ordered.

In the matter of the application of Perry M. Beeson for enrollment as a citizen of the Cherokee Nation.

Brief on part of the Cherokee Nation.

The testimony in this case discloses the fact that the applicants name does not appear upon the roll of 1880 and the Cherokee Nation contends that the Commission has no authority or jurisdiction whatever to go behind this roll but that it is concluded by it. The act of Congress intended that there should be some basis or starting point to guide the Commission in its enrollment work and therefore confirmed the authenticated roll of Eighteen Hundred and Eighty. The testimony does not show that this mans name appears upon that roll neither does it show that he has subsequently been ~~admitted~~ readmitted to citizenship in the Cherokee Nation and for these reasons we submit that under the law that the applicant is not entitled to enrollment in the Cherokee Nation.

Respectfully submitted,

DEPARTMENT OF THE INTERIOR,

COMMISSION TO THE FIVE CIVILIZED TRIBES.

In the matter of the application of Florence Bugher for the enrollment of herself and her two minor children, Charles and Oma Bugher as citizens by blood of the Cherokee Nation and for the enrollment of her husband, William Bugher, as a citizen by intermarriage of the Cherokee Nation.

D E C I S I O N.

The record in this case shows that on September 25, 1900, the applicant, Florence Bugher, appeared before the Commission at Vinita, Indian Territory, and then and there made personal application for the enrollment of herself and her two minor children, Charles and Oma Bugher, as citizens by blood of the Cherokee Nation and for the enrollment of her husband, William Bugher, as a citizen by intermarriage of the Cherokee Nation. Further testimony was submitted in this case, Febru**a**ty 26, 1902, at Muskogee, Indian Territory. Florence Bugher and her two minor children Charles and Oma Bugher have been listed for enrollment on Cherokee Roll Card Field No. 3436.

It appears from the evidence in support of this application and from the records of the Cherokee Nation in possession of this Commission that Florence Bugher was readmitted to citizenship in the Cherokee Nation by the Cherokee Commission on Citizenship on February 10, 1888 under the name of Florence Battles. She is identified on the 1896 Census Roll of the Cherokee Nation, page 106, No.208. She was lawfully married to William Bugher on March 12, 1891 under authority of a Cherokee marriage license. William Bugher is identified on the 1896 Census Roll of the Cherokee Nation, page 294, No.50.

The authority of the Commission herein is defined in Par. 1, Sec. 21, of the act of Congress, June 28, 1898(30 Stats., 495).

It is therefore the opinion of this Commission that William

Bugher is lawfully entitled to be enrolled as a member by intermarriage of the Cherokee Tribe of Indians in Indian Territory, and that the application for his enrollment as such should be granted , and it is so ordered.

DEPARTMENT OF THE INTERIOR,

COMMISSION TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment of Carrie L. Bingham as a citizen of the Cherokee Nation of Shawnee blood.

D E C I S I O N.

The record in this case shows that on September 25, 1900, Carrie L. Bingham appeared before the Commission at Vinita, Indian Territory, and made personal application for the enrollment of herself as a citizen of the Cherokee Nation of Shawnee blood. Further proceedings in the matter of said application were had at Vinita, Indian Territory, on October 23, 1901, and at Muskogee, Indian Territory, on February 26, 1902.

The evidence shows that the said Carrie L. Bingham is of Shawnee blood, and that she is identified on the 1880 authenticated tribal roll of the Cherokee Nation and the 1896 Census Roll of the Cherokee Nation as Carrie Bluejacket, her maiden name.

The evidence further shows that the said Carrie L. Bingham is a resident of the Cherokee Nation, and that she has resided in said nation all her life except for a short period of time between November 22, 1899 and January 1, 1901.

It is, therefore, the opinion of this Commission that Carrie L. Bingham should be enrolled as a citizen of the Cherokee Nation of Shawnee blood in accordance with the provisions of section 21 of the Act of Congress approved June 28, 1898(30 Stats., 495), and it is so ordered.

DEPARTMENT OF THE INTERIOR,
COMMISSION TO THE FIVE CIVILIZED TRIBES.

In the matter of the application of John B. Brown for the enrollment of himself as a citizen by blood of the Cherokee Nation.

D E C I S I O N.

--oOo--

The record in this case shows that on September 26, 1900, John B. Brown appeared before the Commission at Vinita, Indian Territory, and made application for the enrollment of himself as a citizen by blood of the Cherokee Nation. Further proceedings in the matter of said application were had at Muskogee, Indian Territory, on June 5, 1902.

The evidence shows that John B. Brown, fifty-one years of age at the time of his application, is a native Cherokee. His name does not appear upon the Cherokee authenticated tribal roll of 1880 because he was absent in the Chickasaw Nation at the time that roll was made. Upon an examination of the Cherokee tribal rolls in the possession of this Commission the name of John B. Brown is found on the Cherokee pay roll of 1883, on the Cherokee Pay roll of 1886, on the Cherokee Pay roll of 1890, on the Cherokee Census roll of 1890, on the Cherokee Strip Payment roll of 1894, and on the Cherokee Census roll of 1896, as a Cherokee by blood.

It further appears from the evidence that the said John B. Brown was born and reared in the Cherokee Nation and lived there almost all his life, but at the time of his application for enrollment, and for about a year prior thereto, he was living in the Chickasaw Nation, in the Indian Territory, for the purpose of enrolling his wife and children as citizens of that Nation.

It is, therefore, the opinion of this Commission that John B. Brown should be enrolled as a citizen by blood of the Cherokee Nation in accordance with the provisions of Section twenty-one of the Act of Congress approved June 28, 1898 (30 Stats., 495), and it is so ordered.

--oOo--

The record in this case shows that on September 26, 1900, Bradley Cordrey appeared before the Commission at Vinita, Indian Territory, and made application for the enrollment of himself as a citizen by blood of the Cherokee Nation.

The evidence shows that the said Bradley Cordrey, twenty-four years of age at the time of his application, was born in the Cherokee Nation and lived there until eight years of age, when he removed to Texas. He returned to the Cherokee Nation in 1896, one year before attaining his majority, and has lived in the Cherokee Nation ever since that year. The said Bradley Cordrey is identified on the Cherokee authenticated tribal roll of 1880 as a native Cherokee and his name appears upon the Cherokee Roll of 1883.

It is, therefore, the opinion of this Commission that Bradley Cordrey should be enrolled as a citizen by blood of the Cherokee Nation in accordance with the provisions of Section twenty-one of the Act of Congress approved June 28, 1898 (30 Stats., 495), and it is so ordered.

The record in this case shows that on September 16, 1900, Randolph Ballard appeared before the Commission at Vinita, Indian Territory, and made application for the enrollment of Veda E. and Eva A. Welch, two orphan children in his charge, as citizens by blood of the Cherokee Nation.

On October 1, 1900, at the same place further evidence in the above application was submitted to the Commission. The evidence shows that the said Veda E. and Eva A. Welch are the orphan children of Nannie V. Welch, nee Landrum. Nannie V. Landrum was admitted to citizenship in the Cherokee Nation by a Cherokee Commission on citizenship on September 9, 1889. She was married to Joseph Welch on April 17, 1889. Veda E. and Eva A. Welch are identified on the Cherokee Census roll of 1896. Both their parents are dead.

In making rolls of citizenship of the Cherokee Nation this Commission is governed by the provisions of paragraph 1, Section 21, of the Act of Congress approved June 28, 1898 (30 Stats.,495).

It is therefore the opinion of this Commission that Veda E. and Eva A. Welch are lawfully entitled to be enrolled as members by blood of the Cherokee tribe of Indians in Indian Territory, and that the application for their enrollment should be granted, and it is so ordered.

Q Are these children alive andliving with you at this time? A Yes, sir.

THE COMMISSIONER: The name of James M. Smith appears upon the census roll of 1896. He presents satisfactory marriage license

and certificate certifying that he was married according to the laws of the Cherokee Nation to one Sarah E. Ralston in the year 1881, and the name of the said Sarah E. Ralston appears upon the census roll of 1896 under her married name. The names of his children Olive, Cora L., Maud and Eliza, appear upon the census roll of 1896. He presents a certificate of citizenship certifying that his wife's father, Lewis Ralston, was admitted to citizenship in the year 1881, but the name of his wife Sarah E. Ralston, whom he avers is the child of Lewis Ralston, does not appear in said certificate, and he presents no proof as to her admission: Consequently, final judgment as to the enrollment of the said James M. Smith as an intermarried citizen of the Cherokee Nation, and his wife Sarah E., and her children as enumerated in the testimony, as Cherokee citizens by blood, will be suspended, and their names will be placed upon a doubtful card.

The undersigned, being sworn states that as stenographer to the Commission to the Five Civilized Tribes he correctly recorded the testimony and other proceedings in this application for enrollment, and that the foregoing is a correct and complete transcript of his stenographic notes thereof.

In the matter of the application of James M. Smith for the enrollment of his wife, Sarah E. D E C I S I O N.

--oOo--

The record in this case shows that on September 26, 1900, the applicant, James M. Smith, appeared before the Commission at Vinita, Indian Territory, and then and there made personal application for the enrollment of his wife, Sarah E. Smith, and four minor children, Olive, Cora L., Maud, and Eliza Smith, as citizens by blood of the Cherokee Nation, and for the enrollment of himself as a citizen by intermarriage of the Cherokee Nation. Subsequently, on March 23, 1901, another child, Jimmie Smith, was born to the applicant, James M. Smith, and his wife, Sarah E. Smith, and proper proof of his birth has been furnished the Commission. On February 27, 1902, at Muskogee, Indian Territory, further evidence in the matter of this application was submitted to the Commission.

It appears from the evidence in this case that the applicant, James M. Smith, a white man, was married on July 8, 1881, according to the laws of the Cherokee Nation, to Sarah Elizabeth Ralston, whose father, Lewis Ralston, was admitted to all the rights and privileges of Cherokee citizenship by blood, in September 1869, by the Commission on Citizenship of the Cherokee Nation. At the time of that admission the applicant, Sarah E. Smith, nee Ralston, was a minor.

It further appears from the evidence in this case that the

applicant, James M. Smith, and his wife, Sarah E. Smith, have lived together in the Cherokee Nation ever since their marriage under Cherokee law in 1881.

The applicant, James M. Smith, his wife, Sarah E. Smith, as "Sarah Eliza Smith", and their children, Olive, as "Ollie May Smith", Cora, as "Cora Lee Smith", Maud, and Eliza Smith, are all identified on the Cherokee census roll of 1896.

The authority of the Commission herein is defined in Paragraph 1, of Section 21, of the Act of Congress, June 28, 1898. (30 Stats., 495.)

It is therefore the opinion of this Commission that Sarah E. Smith, Olive Smith, Cora L. Smith, Maud Smith, Eliza Smith and Jimmie Smith are lawfully entitled to be enrolled as members by blood of the Cherokee Tribe of Indians in Indian Territory, and that James M. Smith is lawfully entitled to be enrolled as a member by intermarriage of the Cherokee Tribe of Indians in Indian Territory, and that the application for their enrollment as such should be granted and it is therefore so ordered.

In the matter of the application for enrollment
of Sarah Lizzie Smith and family.
No. "D.446."

To the Honorable Commission to the Five Civilized Tribes.

At the final hearing of this application on February 27, 1892, it was distinctly stated by the representative of the Cherokee Nation that he had no objection to offer to the enrollment of this family and it was by both the clerk in charge and the representative of the Cherokee Nation stated as a fact that according to the rulings of the Commission subsequent to the original application of these parties, that they would now be duly enrolled.

Upon this information which confirmed our conclusion in the matter we considered it useless to offer further testimony in support of this application and deem it now unnecessary to make any argument in support thereof.

The matter of the enrollment of this family offers an opportunity, however, to bring to light the reason why so many minors were not enrolled by the Cherokee authorities at the time their parents were. We were and are prepared to prove by unimpeachable testimony that Louis Ramsdon, the father of one of these applicants, at the time he presented himself for enrollment tendered to the Commission the names of his family, among them one of these applicants, and asked that they be readmitted with him. He was represented at that time by J. M. Bell, a man who then and now stands high in the Cherokee Nation and whose veracity is beyond question. This commission consisted of Roach Young, W. M. Warnage and G. W. Hayes, in answer to the tender of the names of the children the commission that it was wholly unnecessary to readmit them, that his readmission carried theirs with it.

As we said, this statement can be shown by the evidence of witnesses who were present and heard it, hence it is not difficult to understand why not only these children, but many others, were not enrolled since this opinion of the condition might easily be communicated throughout the nation and further applications for the enrollment of children dispensed with.

However, these witnesses being men far advanced in years and feeling that the rights of these citizens were secure under the Curtis Act, we decided not to go to the trouble and expense to bring this case within the rules laid down by the Supreme Court in the United States in the case of United States against Nofires, for if the Commission has decided as the representative of the Cherokee Nation and the Clerk in charge said, it would be nothing more than a waste of time and money. These applicants have always been recognized and as citizens and were placed upon a doubtful card for the sole purpose of reserving a decision upon the First paragraph of the Curtis Act; having made that decision further discussion is unnecessary.

Respectfully submitted.

Q These children are both living now are they? A Yes, sir.
Q Do you know how long your wife has lived in the Cherokee Nation? A No, sir, I don't.
Q You don't know whether she has lived here since her admission in 1880, do you, all the time? A I think she has lived here ever since that.
Q You think so, but you don't know anything about it? A I have known her about 15 years, somewhere near that.
Q Has she been living here ever since you first knew her, 15 years ago? A Yes, sir.

The applicant applies for the enrollment of himself, his wife and two stepchildren. He states that his wife was admitted by the Cherokee Commission in 1880, but he does not produce official evidence of that fact. His wife is identified on the roll of 1896, and to his personal knowledge has lived in the Cherokee Nation for the last fifteen years. The applicant is required to produce official evidence of his admission in 1880, and until that is produced, she is placed upon a doubtful card.

As regards the applicant himself, he is shown to have married his wife in accordance with Cherokee lawJuly 19, 1894, they have lived together as husband and wife, and in the Cherokee Nation ever since, he is identified with her upon the roll of 1896. His own enrollment will depend in part upon evidence of his wife's admission in 1880, and he is also required to present a copy of the decree of divorce between his wife and her former husband, as set forth in the testimony. His

John E. Nasworthy - 8.

application for enrollment as a Cherokee citizen by intermarriage is at present placed upon a doubtful card.

The two children, said to be children of his wife by her former husband, are identified with her on the roll of 1896, they are both living at this time, but their claim can be no greather than their mother's, and their application will be placed upon a doubtful card to await evidence of their mother's admission in 1880.

In the matter of the application of John E. Nazworthy for the enrollment of himself as a citizen by intermarriage of the Cherokee Nation, and for the enrollment of his wife Hannah A. --oOo--

The record in this case shows that on September 27, 1900, John E. Nazworthy appeared before the Commission at Vinita, Indian Territory, and then and there made personal application for the enrollment of himself as a citizen by intermarriage of the Cherokee Nation, and for the enrollment of his wife Hannah A. Nazworthy and his two step-children Hardin H. Spurlock and Louis P. Spurlock as citizens by blood of the Cherokee Nation. On October 5, 1900, the applicant filed with this Commission documentary evidence in the matter of the above application.

The evidence in this case shows that John E. Nazworthy, the principal applicant, was lawfully married on July 19, 1894, in accordance with the tribal laws of the Cherokee Nation to Anna Harlin who is identified as his wife Hannah A. Nazworthy, for whom he makes application. It further appears that the said Hannah A. Nazworthy is the daughter of one Murian Harlin, and that the said Murian Harlin was admitted to citizenship in the Cherokee Nation on September 14, 1880. Anna Harlin, now Hannah A. Nazworthy was then seven years old. She has resided in the Cherokee Nation all her life and she is identified on the Cherokee Census roll of 1896. She had been formerly married to one A. J. Spurlock from whom she was divorced. Hardin H. and Louis P. Spurlock are her children by such former husband. They are identified on the Cherokee Census roll of 1896. John E. Nazworthy is also identified on that roll.

The authority of the Commission herein is defined in Paragraph 1, Section 21, of the Act of Congress, June 28, 1898 (30 Stats.495).

It is therefore the opinion of this Commission that John E. Nazworthy is lawfully entitled to be enrolled as a member by intermarriage of the Cherokee tribe of Indians in Indian Territory, and that Hannah A. Nazworthy and her two children Hardin H. and Louis P. Spurlock are lawfully entitled to be enrolled as members by blood of the Cherokee Tribe of Indians in Indian Territory, and that the application for their enrollment as such should be granted, and it is so ordered.

Q What is your full name? A Vaden Wicked.
Q What is your age? A Twenty three.
Q What is your Postoffice? A Wyman.
Q In what district do you live? A Coowescoowee.
Q Who is it you want to have put on the roll? A Myself.

Q Are you a Cherokee by blood? A Yes sir.
Q How long have you lived in the Cherokee Nation? A Just about all my life; I was born in Texas.
Q Twenty years or more? A Yes sir.
Q Are you on the roll of 1880? A I think I am.
Q And the roll of 1896? A Yes sir.
Q What district were you from in 1896? A I do not know.
Q What is the name of your father? A John N. Wicked.
Q Is he living or dead? A He is living.
Q Cherokee or white man? A Cherokee.
Q Your mother's name please? A Her name is Lenora Norton.
Q Cherokee or white woman? A White woman I think.
Q Is she dead? A Yes sir.
Q How long has she been dead? A She has been dead more then twenty years.
(1896 Roll, Page 81, #2271, Vaden Wicked, Canadian District)
Q Where were you born? A In Texas.
Q Were you readmitted? A yes sir.
Q Where is your certificate of admission? A I do not know.

Q After the roll of 1880? A I do not know.

The applicant states that he was born in the State of Texas, and came to the Cherokee Nation when he was four or five years old, which would place him, according to the evidence, after the roll of 1880. He claims that he was admitted to citizenship by the Cherokee Commission or council, but has no official evidence of that fact: That he has lived in the Cherokee Nation ever since he was four or five years old. He is identified on the roll of 1896, as a native Cherokee: His application for enrollment will now be placed on a "Doubtful Card", awaiting official evidence of his admission, which is understood to have taken place in 1882.

The undersigned, being sworn, states that as stenographer to the Commission to the Five Civilized Tribes, he correctly recorded the testimony and proceedings in this case, and that the foregoing is a true and complete transcript of his stenographic notes thereof.

In the matter of the application of Vaden Wicked for the enrollment of himself as a citizen by blood of the Cherokee Nation.

--oOo--

The record in this case shows that on September 28, 1900, the applicant, Vaden Wicked, appeared before the Commission at Vinita, Indian Territory, and then and there made personal application for the enrollment of himself as a citizen by blood of the Cherokee Nation. Thereafter, on October 1, 1900, at Vinita, Indian Territory, further evidence in the matter of this application was heard, and on February 25, 1902, at Muskogee, Indian Territory, further proceedings were had.

It appears from the evidence in this case that the applicant, Vaden Wicked, 23 years of age at the time of his application, was born in Texas and came to the Cherokee Nation at the age of four years and was re-admitted, on September 25, 1882, with others, to all the rights and privileges of Cherokee citizenship by the Commission on Citizenship of the Cherokee Nation. The name of the applicant, Vaden Wicked, appears upon the Cherokee Strip Payment Roll of 1894 as "Vaden Wicket". He is also identified on the Cherokee census roll of 1896.He has lived in the Cherokee Nation ever since his admission in 1882.

The authority of the Commission herein is defined in Paragraph 1, Sec. 21, of the Act of Congress, June 28, 1898.(30 Stats. 495.)

It is therefore the opinion of this Commission that Vaden Wicked is lawfully entitled to be enrolled as a member by blood of

the Cherokee Tribe of Indians in Indian Territory, and that the application for his enrollment as such should be granted and it is so ordered.

In the matter of the application of Sterling Colston for the enrollment of himself and his wife, Clementine Colston, as citizens by blood of the Cherokee Nation.

--oOo--

The record in this case shows that on September 28, 1900, Sterling Colston appeared before the Commission at Vinita, Indian Territory, and made application for the enrollment of himself and his wife, Clementine Colston, as citizens by blood of the Cherokee Nation. Further proceedings in the matter of said application were had at Muskogee, Indian Territory, on March 25, 1901.

The evidence in this case shows that Sterling Colston and his wife, Clementine Colston, both Cherokees by blood, were married in 1878, and have lived in the Cherokee Nation all of their lives except for short periods of time when the said Sterling Colston was in Texas following his trade. One of these periods was from the years 1879 to 1884, and the names of Sterling Colston and his wife, Clementine Colston, were not placed upon the authenticated tribal roll of 1880. Sterling Colston and his wife, Clementine Colston, are identified on the Cherokee Pay Roll of 1886, on the Cherokee Strip Payment Roll of 1894, and on the Cherokee Census roll of 1896.

It is, therefore, the opinion of this Commission that Sterling Colston and Clementine Colston should be enrolled as citizens by blood of the Cherokee Nation in accordance with the provisions of Section twenty-one of the Act of Congress approved June 28, 1898 (30 Stats., 495), and it is so ordered.

Commissioner Breckenridge: The applicant applies for the enrollment of his wife and one child. His wife is identified on the roll of 1896 as a native Cherokee, and her mother is shown to have been admitted to Cherokee citizenship in 1895, before the applicant's wife was born. Prior to the birth of the applicant's wife, her mother moved to Arkansas, in the fall of 1895, and remained there until 1896, when, according to the testimony, the mother came back bringing her daughter, and has lived here ever since. The chance of name in the applicant's wife is established by the marriage license and certificate filed herewith. For the future consideration, particularly

Lottie Hayden Smith - 2c

of the question of residence and citizenship, reference is made to the testimony, and the application at this time for the enrollment of the applicant's wife will be placed upon a doubtful card, and at the request of the Choctaw Nation, reference is made to Section 9, Article one, of the Constitution of the Choctaw Nation. When the proper certificate of birth is supplied to the commission of the child, Alma Irene Smith, said child will be listed with its mother as a Choctaw by blood upon a doubtful card for future consideration. When a final decision is made, it will be communicated to the applicant at his post office address.

Bruce G. Jones, being duly sworn, says that as stenographer to the Commission to the five Civilized Tribes he correctly recorded the proceedings and testimony in the above case, and the foregoing is a true and complete transcript of his stenographic notes thereof.

In the matter of the application of Landon C. Smith for the enrollment of his wife, Hattie F. Smith, and his minor child, Alma I. Smith, as citizens by blood of the Cherokee Nation.

D E C I S I O N.

--oOo--

The record in this case shows that on September 29, 1900, the applicant, Landon C. Smith, appeared before the Commission at Vinita, Indian Territory, and then and there made personal application for the enrollment of his wife, Hattie F. Smith, and his minor child, Alma I. Smith, as citizens by blood of the Cherokee Nation. At the conclusion of the testimony taken at that time the names of Hattie F. Smith, and her child, Alma I. Smith, were placed upon a Doubtful Card for future consideration, particularly of the question of residence and citizenship. Thereafter, on February 27, 1902, at Muskogee, Indian Territory, it was ordered that copies of the testimony taken in the matter of the application of Paulina Herrin, Cherokee D Case No.326, be filed and made part of the record in this case.

It appears from the evidence in this case that the mother of Hattie F. Smith, Paulina E. Herrin, with others, was admitted to all the rights and privileges of Cherokee citizenship, without conditions, by the Commission on Citizenship of the Cherokee Nation, September 7, 1883. The applicant in this case, Hattie F. Smith, had not been born at that date. It further appears from the evidence that the applicant, Hattie F. Smith, was born in Arkansas to which state her mother had returned shortly after her admission in 1883 for the purpose of closing out business interests there. In 1886,

prior to the enactment of the Act of the Cherokee Council of December 4, 1894, requiring all persons who had been re-admitted to citizenship in the Cherokee Nation to permanently locate within the limits of the Cherokee Nation within six months from the passage of that Act, the applicant, Hattie F. Smith, came, with her mother, to the Cherokee Nation, she at that time being six years of age, and she has lived in the Cherokee Nation ever since that year.

It further appears from the evidence that the applicant, Hattie F. Smith, was married, on October 31, 1899, to Landon Smith, her name appearing in the marriage license as "Florence Herrin". Thereafter, on June 10, 1900, a female child, Alma I. Smith, was born to the applicant, Hattie F. Smith, and her husband, Landon C. Smith, and proper proof of her birthhas been furnished the Commission. The applicant, Hattie F. Smith, is identified on the Cherokee Census roll of 1896 as "Hattie F. Herrin", her maiden name.

The authority of the Commission herein is defined in Paragraph 1, of Section 21, of the Act of Congress June 28, 1898. (30 Stats., 495)

It is therefore the opinion of this Commission that Hattie F. Smith, and Alma I. Smith are lawfully entitled to be enrolled as members by blood of the Cherokee Tribe of Indians in Indian Territory and that the application for their enrollment as such should be granted and it is so ordered.

The applicant applies for the enrollment of himself, his wife and eight children.

His wife is identified on the rolls of 1880 and 1896, as a native Cherokee who has lived in the Cherokee Nation all her life, and she will be listed now for enrollment as a Cherokee by blood.

Of the eight children named in the testimony, the first five are identified with their parents on the roll of 1896; they are living at this time, and they will be listed now for enrollment as Cherokees by blood.

When the Commission is supplied with proper certificates of the birth of the three younger children, Clark, Beverly and Ambrose, these children also will be listed for enrollment as Cherokees by blood.

As for the applicant himself, he is shown to have been married to his wife in accordance with Cherokee law, in 1887, but under a name that he had assumed at that time: He is identified on the roll of 1896, under the name he declares to be his right and proper name: He has lived with his wife, in the Cherokee Nation, ever since his marriage to her in 1887: For the further consideration of his rights of citizenship, arising from said marriage, his application for his own enrollment will at this time be placed upon a Doubtful Card; and the final decision, when rendered, will be communicated to him at his present address, and will be reported to the Secretary of the Interior for his approval.

The undersigned being sworn, states that as stenogrp her to the Commission to the Five Civilized Tribes, he correctly recorded the testimony and proceedings in this case, and that the foregoing is a true and complete transcript of his stenographic notes thereof.

DEPARTMENT OF THE INTERIOR,

COMMISSION TO THE FIVE CIVILIZED TRIBES.

In the matter of the application of Beverly L. Lafon for enrollment as a citizen by intermarriage of the Cherokee Nation.

D E C I S I O N.

oooOooo

The record in this case shows that on October 2, 1900, Beverly L. Lafon appeared before the Commission at Vinita, Indian Territory, and then and there made personal application for the enrollment of himself as a citizen by intermarriage of the Cherokee Nation, and for the enrollment of his wife Sarah Lafon, and his minor children Amos Frederick, Claud, Flossie May, Elsie E., Mays, Clark, Beverly, and Ambrose Lafon as citizens by blood of the Cherokee Nation.

Upon the evidence then submitted Sarah Lafon and the above named children were listed on Cherokee roll card, Field No. 3935. On October 3, 1900, further evidence was submitted in this case. On February 24, 1902, the applicant by his attorney, appeared before the Commission at its office in Muskogee, Indian Territory, and further proceedings were then and there had in the matter of this application.

The evidence shows that Beverly L. Lafon under the assumed name of James A. Smith, was lawfully married in accordance with the tribal laws of the Cherokee Nation on March 6, 1887, to Sarah Morris, a citizen by blood of the Cherokee Nation, who is duly identified on the authenticated tribal roll of 1880. The applicant is properly identified as the party named in the marriage license and certificate. He is identified on the Cherokee Census roll of 1896.

The authority of the Commission herein is defined in Paragraph 1, Sec. 21, of the Act of Congress, June 28, 1898, (30 Stats., 496).

It is therefore the opinion of the Commission that Beverly

L. Lafon is lawfully entitled to be enrolled as a member by intermarriage of the Cherokee tribe of Indians in Indian Territory, and his application for enrollment as such should be granted, and it is so ordered.

1880 enrollment; page # 314, #2347, Emma Smith, Delaware.
1880 enrollment; page 314, #2346, J. B. Smith, Delaware.
1896 enrollment; page 650, #2776, James W. Smith, Delaware.

Com'r Breckinridge:--The applicant applies for the enrollment of himself, his wife and one child: He is identified on the roll of 1896. He is too young to be on the roll of 1880. He is a native Cherokee and has lived in the Cherokee Nation all his life. His father and mother are identified on the roll of 1880. He will now be listed for enrollment as a Cherokee by blood.

He states that he was married to his wife, a white woman, in 1898, but does not present proof of the marriage at the present time. He is enjoined to send to the Commission a certificate of their marriage. His wife being married to him after the Cherokee law of 1896, the application for her enrollment is rejected.

When the Commission is supplied with a proper certificate of the birth of Homer, nine months of age, this childs application will be placed upon a doubtful card, to await evidence of the mothers marriage as stated in the testimony, which evidence is desired--a proper certificate of the marriage.

J. O. Reagan, being first duly sworn, states that as stenographer to the Commission to the Five Civilized Tribes, he correctly reported the testimony and proceedings in this case, and that the foregoing is a true and complete transcript of his stenographic notes thereof.

Muskogee, Indian Territory, March 8,1902.

In the matter of the application of Homer Smith for enrollment as a Cherokee citizen.

Supplemental Statement.

--0o0--

From a birth affidavit duly executed on the 28th day of September, 1900, andreceived by this Commission on the second day of October, 1900, it appears that Homer Smith was born to Laura B. and James Wilbert Smith on the 18th day of December, 1899, and was living at the date of the execution of said affidavit. The same has been approved and filed with this Commission.

It is directed that copies of this statement be filed with the testimony in the above case.

Commissioner.

Cherokee D 489

DEPARTMENT OF THE INTERIOR,
COMMISSION TO THE FIVE CIVILIZED TRIBES.

In the matter of the application of Homer Smith for enrollment as a Cherokee citizen.

On the 2nd day of October, 1900, James Wilbert Smith appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of himself and his child, Homer, as citizens by blood of the Cherokee Nation, and for his wife as a citizen by intermarriage of the Cherokee Nation.

At the conclusion of the evidence offered at that time James Wilbert Smith was listed for enrollment on a regular card; the application for his wife was denied, and the name of the child, Homer was placed upon a "Doubtful" card awaiting proof of the marriage of his parents.

Further evidence in that matter has been submitted to the Commission and the following decision is rendered.

D E C I S I O N.

--oOo--

The evidence in this case shows that Laura B. Smith as Laura B. Duggins was lawfully married on July 16, 1898 to James Wilbert Smith. The parents of James Wilbert Smith are identified on the authenticated tribal roll of 1880, and he was born to them since the preparation of such roll. Homer Smith is the issue of the aforesaid marriage. He is too young to be upon any roll, but is duly identified as having been living at the date of this application.

This Commission in making rolls of citizenship of the Cherokee Nation is governed by the following provisions of the Act of Congress approved June 28, 1898 (30 Stats.,495);

"That in making rolls of citizenship of the several tribes, as required by law, the Commission to the Five Civilized

is authorized and directed to take the roll of Cherokee citizens of eighteen hundred and eighty (not including freedmen) as the only roll intended to be confirmed by this and preceding Acts of Congress, and to enroll all persons now living whose names are found on said roll, and all descendants born since the date of said roll to persons whose names are found thereon; and all persons who have been enrolled by the tribal authorities who have heretofore made permanent settlement in the Cherokee Nation whose parents, by reason of their Cherokee blood, have been lawfully admitted to citizenship by the tribal authorities, and who were minors when their parents were so admitted; and they shall investigate the right of all other persons whose names are found on any other rolls and omit all such as may have been placed thereon by fraud or without authority of law, enrolling only such as may have lawful right thereto, and their descendants born since such rolls were made, with such intermarried white persons as may be entitled to citizenship under Cherokee laws."

In view of the facts and the law in this case it is considered that Homer Smith is entitled to be enrolled as a citizen by blood of the Cherokee Nation, and it is so ordered.

(The applicant presents a certificate signed by Geo. N. Wilson, Probate Judge of Cherokee County, Kansas, showing that on the 12th of May, 1900, he united in marriage W. A. Majors and Miss Nellie Henderson. This is satisfactory evidence and it is returned to her.)

(James Henderson on 1880 roll, page 265, No. 1213, Delaware district. Nellie Henderson on 1896 roll, page 480, No. 1427, Nellie Henderson, Delaware district.)

The applicant is identified on the roll of 1896 as a native Cherokee. Her father is identified on the roll of 1880 as a native Cherokee. In the application of her mother, the application immediately preceding this application, the mother wasn't identified on the roll of 1896, but she established by strong personal testimony the fact of her marriage to her husband, and of her living with him until his death. The mother's application was placed upon a doubtful card, for further consideration, and as the applicant claims through her mother, and her mother's marriage to her father, this application will at present be placed upon a doubtful card. The marriage certificate cited in the testimony establishes the change of name.

In the matter of the application for the enrollment of Nellie Majors as a citizen by blood of the Cherokee Nation.

D E C I S I O N.

The record in this case shows that on October 2, 1900, Nellie Majors appeared before the Commission at Vinita, Indian Territory, and then and there made application for her enrollment as a citizen by blood of the Cherokee Nation. Further proceedings were had at Muskogee, Indian Territory, on February 25, 1902, in the matter of said application.

The evidence in this case shows that Nellie Majors is the daughter of James Henderson and Susan Henderson, his wife. James Henderson is identified on the authenticated tribal roll of 1880, and his daughter Nellie was born to him since the preparation of such roll. The applicant was married on May 12, 1900 to W. A. Majors. She is identified on the Cherokee Census roll of 1896.

The evidence further shows that the said Nellie Majors has resided in the Cherokee Nation all her life, and that she was a resident of said Nation at the date of the application herein.

It is, therefore, the opinion of this Commission that Nellie Majors should be enrolled as a citizen by blood of the Cherokee Nation in accordance with the provisions of Section twenty-one of the Act of Congress approved June 28, 1898 (30 Stats., 496), and it is so ordered.

CHEROKEE DOUBTFUL. # _____

Nellie Majors is the daughter of Susie Henderson, who was enlisted for enrollment by this Commission upon Cherokee Doubtful card # 494, and should be considered in connection with the case of Susie Henderson.

The applicant, Nellie Majors, was called upon by this Commission in the notice given her of the final hearin of her case, to file with this Commission a certificate of the marriage of her mother, Susie Henderson, to her father James Henderson. This certificate of the marriage has now been duly filed in the case of the said Susie Henderson, and by stipulation this case was referred thereto. The record in the case of this applicants mother, Susie Henderson, shows that the said Susie Henderson, the mother of the applicant, was duly and lawfully married to the said James Henderson, and that James Henderson, father of the applicant, was a native Cherokee and listed upon the 1880 roll. The filing o the marriage certificate herein referred to, eliminates the only question in the case of this applicant. It is evident from the record in the case of the mother, Susie Henderson, that the only reason why she or her daughter, Nellie Majors, were placed upon the Doubtful card was by reason of the fact that no proof of the marriage of the said Susie Henderson to the said James Henderson was filed to the Commission at the time of the application.

~~We attach hereto a copy of the brief in the Susie Henderson case~~

Respectfully, submitted.

DEPARTMENT OF THE INTERIOR,

COMMISSION TO THE FIVE CIVILIZED TRIBES.

In the matter of the application of Robert L. Gentry, for enrollment as a Cherokee citizen.

On the third day of October, 1900, Robert L. Gentry appeared before the Commission to the Five Civilized Tribes and made application for his enrollment as a citizen by intermarriage of the Cherokee Nation and for his wife and child as citizens by blood of the Cherokee Nation.

At the conclusion of the evidence offered at that time his wife and child were listed for enrollment on a regular card and the name of Robert L. Gentry was placed upon a "Doubtful" card awaiting proof of marriage between himself and Eva Thornton.

Further evidence in that matter has been submitted to the Commission and the following decision is rendered.

D E C I S I O N.

--oOo--

From all the evidence of record in the case it appears that Robert L. Gentry was married by authority of a Cherokee marriage license on the 14th day of August, 1895, to Eva Thornton, a citizen by blood of the Cherokee Nation, duly identified on the authenticated tribal roll of 1880. His wife has resided in the Cherokee Nation all her life and he has been living with her since the date of said marriage. He is identified on the Cherokee Census roll of 1896.

The Commission is directed in paragraph 1, section 21, of the Act of Congress approved June 28, 1898, (30 Stats.,495) to enroll; "such intermarried white persons as may be entitled to citizenship under Cherokee laws."

In view of the facts and the law in this case it is considered that Robert L. Gentry is entitled to be enrolled as a citizen by intermarriage of the Cherokee Nation, and it is therefore so ordered.

John C. Barker, being called, sworn and examined by Commissioner, C. H. Brockenridge, testified as follows:

Q What is your name? A John C. Barker.
Q How old are you? A Forty two.
Q What is your Postoffice? A Muskogee.

Q You were married to her in 1879? A Yes sir; the first time.

Q This is your second marriage to the same woman? A Yes sir.
Q What is the Cherokee license under which you were married?
A In the Clerk's office I think.
Q Since you are not on the roll of 1880, you must have a license, and I will have to put you on a Doubtful Card.

Applicant recalled:

The applicant applies for the enrollment of herself, her husband and nine children: She is identified on the rolls 1880 and 1896, as an adopted Delaware: She has lived in the Cherokee Nation all her life, and she will be listed now for enrollment as an adopted Delaware.

Of her nine children, the first eight named in the testimony are identified with her on the roll of 1896: They are all minors and are all living now, and they will be listed for enrollment as Cherokee Delawares. And when she supplies the Commission a certificate of the birth of her youngest child, Ona Ray Barker, this child also will be listed for enrollment as a Cherokee Delaware.

Her husband appears in the application, and he is identified with his wife on the roll of 1896. They state that they were first married in 1879: He is not identified on the roll of 1880, but it does not appear to be through any fault of his own. He presents a certificate of marriage, in accordance with Cherokee law, it being he states of a second marriage to the same wife in 1891, and it is filed herewith. When he presents the Commission with his marriage license, showing that he has conformed to the Cherokee requirement, as relates to his right to enrollment, he will then be listed for enrollment as a Cherokee by adoption. For the present, he will be placed on a Doubtful Card, to await that evidence.

The undersigned, being sworn, states that as stenographer to the Commission to the Five Civilized Tribes, he correctly recorded the testimony and proceedings in this case, and that the foregoing is a true and complete transcript of his stenographic notes thereof.

COMMISSION TO THE FIVE CIVILIZED TRIBES.
Muskogee, I.T., March 4, 1902.

DEPARTMENT OF THE INTERIOR,

COMMISSION TO THE FIVE CIVILIZED TRIBES.

In the matter of the application of John C. Barker, for enrollment as a Cherokee citizen.

On the third day of October, 1900, Lizzie W. Barker appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of herself and her children, as citizens by blood of the Cherokee Nation, and for her husband, John C. Barker, as a citizen by intermarriage of the Cherokee Nation.

At the conclusion of the evidence offered at that time Lizzie W. Barker and her children were listed for enrollment on a regular card and the name of John C. Barker was placed upon a "Doubtful" card awaiting proof of marriage between himself and his wife, Lizzie.

Further evidence in that matter has been submitted to the Commission and the following decision is rendered.

D E C I S I O N.

--ooo--

From all the evidence of record in the case it appears that John C. Barker is a white man; that he was married by authority of a Cherokee marriage license on the 25th day of July, 1891 to Lizzie Wolf, a citizen by blood of the Cherokee Nation. The evidence shows that he was formerly married to the same wife in 1 879, but apparently not under Cherokee laws. His wife is identified on the authenticated tribal roll of 1880 as Lizzie Barker. John C. Barker is identified on the Cherokee Census roll of 1896, and has lived with this wife in the Cherokee Nation ever since 1879.

This Commission is directed in paragraph 1, section 21, of the Act of Congress approved June 28, 1898 (30 Stats., 495) to enroll; "such intermarried white persons as may be entitled to citizenship under Cherokee laws."

In view of the facts and the law in this case it is considered that John C. Barker is entitled to be enrolled as a citizen by intermarriage of the Cherokee Nation, and it is therefore so ordered.

Commissioners.

Respectfully,

In the matter of the application of Bertha G. Fields, et.al. for enrollment as Cherokee citizens.

Supplemental Statement

From an affidavit of birth duly executed on the 12th day of July, 1900, and received by this Commission on the fourth day of October, 1900, it appears that Bertha G. Fields was born to Sarah Maud Fields on the 23rd day of June, 1898, and was living at the date of the execution of said affidavit.

There was also received by this Commission on the 30th day of January, 1901, a birth affidavit duly executed on the 28th day of January, 1901, from which it appears that a male child was born to Sarah Maud Fields on the 26th day of December, 1900; that said child has been named Clyde E. Fields, and was living at the date of the execution of said affidavits. The affidavits herein mentioned have been approved and filed with this Commission, and the child Clyde E. Fields was placed upon a "Doubtful" card along with his sister, Bertha G. Fields.

It is directed that copies of this statement be filed with the testimony in the above case.

Commissioner.

Cherokee D 519

DEPARTMENT OF THE INTERIOR,

COMMISSION TO THE FIVE CIVILIZED TRIBES.

In the matter of the application of Bertha G. Fields, et.al. for enrollment as Cherokee citizens.

On the fourth day of October, 1900, Jim Mack Fields appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of himself and his child Bertha G. as citizens by blood of the Cherokee Nation.

At the conclusion of the evidence offered at that time Jim Mack Fields was listed for enrollment on a regular card, and the name of Bertha G. Fields was placed upon a "Doubful" card awaiting proof of marriage between her parents, and also proof as to her birth.

Further evidence has been submitted to this Commission and the following decision is rendered.

D E C I S I O N.

--oOo-- --oOo--

From all the evidence of record in this case it appears that Jim Mack Fields was married on the 24th day of March, 1897 to Sarah Maud Crawford, a white woman. He is identified on the authenticated tribal roll of 1880. Bertha G. Fields is the result of such marriage, the evidence showing that she was born on the 23rd day of June, 1898.

On the 30th day of January, 1900, application was made for the enrollment of Clyde E. Fields, another child of such marriage, who was born on the 26th day of December, 1900. Clyde E. Fields was placed upon a "Doubtful"card with his sister. Both of these children are of course too young to be upon the rolls, but they have been duly identified and they were living at the date upon which application was made for their enrollment.

This Commission in making rolls of citizenship of the Cherokee Nation is governed by the following provisions of the Act of Congress approved June 28, 1898 (30 Stats., 495);

> " That in making rolls of citizenship of the several tribes, as required by law, the Commission to the Five Civilized Tribes is authorized and directed to take the roll of Cherokee citizens of eighteen hundred and eighty (not including freedmen) as the only roll intended to be confirmed by this and preceding Acts of Congress, and to enroll all persons now living whose names are found on said roll, and all descendants born since the date of said roll to persons whose names are found thereon; and all persons who have been enrolled by the tribal authorities who have heretofore made permanent settlement in the Cherokee Nation whose parents, by reason of their Cherokee blood, have been lawfully admitted to citizenship by the tribal authorities, and who were minors when their parents were so admitted; and they shall investigate the right of all other persons whose names are found on any other rolls and omit all such as may have been placed thereon by fraud or without authority of law, enrolling only such as may have lawful right thereto, and their descendants born since such rolls were made, with such intermarried white persons as may be entitled to citizenship under Cherokee laws."

In view of the facts and the law in this case it is considered that Bertha G. and Clyde E. Fields are entitled to be enrolled as citizens by blood of the Cherokee Nation, and it is so ordered.

DEPARTMENT OF THE INTERIOR,

CHEROKEE D 946

DEPARTMENT OF THE INTERIOR,

COMMISSION TO THE FIVE CIVILIZED TRIBES.

In the matter of the application of John P. Greenwood, for enrollment as a citizen of the Cherokee Nation.

On the ninth day of October, 1900, John P. Greenwood appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of himself as a citizen by intermarriage of the Cherokee Nation, and for his wife and children as citizens by blood of the Cherokee Nation.

At the conclusion of the evidence offered at that time his wife and children were listed for enrollment on a regular card and the name of John P. Greenwood was placed upon a "Doubtful" card awaiting proof of his marriage as alleged.

Further evidence has been submitted to the Commission and the following decision is rendered.

D E C I S I O N.

--oOo--

From all the evidence of record in this case it appears that John P. Greenwood was married by authority of a Cherokee marriage license on the 14th day of September, 1893 to Mary Tyner, a citizen by blood of the Cherokee Nation, duly identified on the authenticated tribal roll of 1880. His said wife has resided in the Cherokee Nation all her life and he has lived with her since the date of said marriage. He is identified on the Cherokee Census roll of 1896.

This Commission is directed in paragraph 1, section 21, of the Act of Congress approved June 28, 1898 (30 Stats., 496) to enroll;

"such intermarried white persons as may be entitled to citizenship under Cherokee laws."

In view of the facts and the law in this case it is consid-

ered that John P. Greenwood is entitled to be enrolled as a citizen by intermarriage of the Cherokee Nation, and it is so ordered.

AUSTIN SAMPSON being sworn by Com'r C. R. Breckinridge, testified as follows in his own behalf.

(By the Commission)

Q You applied before the Commission in October of last year at Bartlesville? A Yes sir.
Q You claimed at that time that you had been readmitted to citizenship by the Cherokee authorities in 1887? A Yes sir I think so I dont recollect now; the papers are filed with the Commission.
Q What kin are you to Eli Ellis? A Some kin I dont know exactly.

Upon referring to Cherokee straight card #4347 entitled Eli Ellis et al, there is found filed therein a duly authenticated statement of the record of the Cherokee Nation, signed by W. H. Hayes assistant Executive Secretary, under the seal of the Nation, dated November 8th 1893, to the effect that certain persons were readmitted to citizenship in the Cherokee Nation by act of Council approved November 28th 1888, and among others appears the name of Austin Sampson.

Q Do you claim that is your name? A Yes sir.
Q And that you are the Austin Sampson named herein? A Yes sir.
Q What kin to you is the Lizzie Sampson named herein? A Sister.
Q What kin to you is the John Sampson named herein? A Father.
Q And Thomas? A Half brother.

All of these names are likewise identified in the document. The condition accompanying this readmission is to the effect that the rights of readmission were not to accrue until the parties reported to the Principal Chief within twelve months from the date of the act and permenantly located in the Cherokee Nation.

Q When did you come back from Kansas? A I never was there.
Q Have you lived in the Cherokee Nation all your life? A Yes sir.
Q Are you living here now? A Yes sir.

The document referred to is considered satisfactory evidence of the readmission to citizenship of the applicant, as heretofore referred to by him.

(By Hastings)

Q You went to Shawneetown Oklahoma didn't you? A Yes sir until my father died.
Q When did he die? A When I was eight years old.
Q Were you living here when you were readmitted? A Yes sir.
Q And have been living here ever since? A Yes sir.

BY COM'R BRECKINRIDGE:

This testimony will be filed as supplemental testimony in the applicants case, Cherokee D-548. He is considered to have established in a satisfactory manner at the present examination, his readmission to citizenship in the Cherokee Nation in 1888, and it is shown that he has lived in the Cherokee Nation since a period prior to that readmission and no reason is shown why this case should not, when it is reached in its regular order, be transferred to those which are listed regularly for enrollment as Cherokee citizens.

Q Your mother was a Shawnee? A Yes sir.

The applicant should properly be termed, under the usual practice, as a Cherokee-Shawnee

DEPARTMENT OF THE INTERIOR,
COMMISSION TO THE FIVE CIVILIZED TRIBES.
Muskogee, Indian Territory, February 21,1902.

In the matter of the application of Austin Sampson, for enrollment as a citizen of the Cherokee Nation.

There was filed with this Commission as an exhibit in Cherokee Case No. 4347, a certificate bearing the seal of the Cherokee Nation and signed by W. H. Mayes, Assistant Executive Secretary of the Cherokee Nation to the effect that Austin Sampson, among others, was re-admitted to citizenship in the Cherokee Nation by an Act of the National Council approved November 28, 1888, conditioned that the persons re-admitted by said Act would within twelve months from the date of some permanently locate in the Cherokee Nation.

It is directed that copies of this statement be filed with the testimony in the above case.

Commissioner.

Cherokee D 548

DEPARTMENT OF THE INTERIOR,

COMMISSION TO THE FIVE CIVILIZED TRIBES.

In the matter of the application of Austin Sampson for enrollment as a Cherokee citizen.

On the ninth day of October, 1900, Austin Sampson appeared before the Commission to the Five Civilized Tribes and made application for his enrollment as a citizen by blood of the Cherokee Nation.

At the conclusion of the evidence offered at that time his name was placed upon a "Doubtful" card awaiting proof of his admission to citizenship in the Cherokee Nation as alleged.

Further evidence in that matter has been submitted to the Commission and the following decision is rendered.

D E C I S I O N.

--oOo--

From all the evidence of record in this case it appears that Austin Sampson is a Shawnee Indian and that he was re-admitted to citizenship in the Cherokee Nation by an Act of the Cherokee National Council on the 28th day of November, 1888. He has resided in the Cherokee Nation all his life, and is identified on the Strip payment roll of 1894, and the Cherokee Census roll of 1896.

In making rolls of citizenship of the Cherokee Nation this Commission is governed by the following provisions of the Act of Congress approved June 28, 1898 (30 Stats., 495);

"That in making rolls of citizenship of the several tribes, as required by law, the Commission to the Five Civilized Tribes is authorized and directed to take the roll of Cherokee citizens of eighteen hundred and eighty (not including freedmen) as the only roll intended to be confirmed by this and preceding Acts of Congress, and to enroll all persons now living whose names are found on said roll, and all descendants born since the date of said roll to persons whose names are found thereon; and all persons who have been enrolled by the tribal authorities who have heretofore made permanent settlement in the Cherokee Nation whose parents, by reason of their Cherokee blood, have been lawfully admitted to citizenship by the tribal authorities, and who were minors when their parents were so admitted; and

they shall investigate the right of all other persons whose names are found on any other rolls and omit all such as may have been placed thereon by fraud or without authority of law, enrolling only such as may have lawful right thereto, and their descendants born since such rolls were made, with such intermarried white persons as may be entitled to citizenship under Cherokee laws."

In view of the facts and the law in this case it is considered that Austin Sampson is entitled to be enrolled as a Cherokee citizen of Shawnee blood, and it is so ordered.

1896 Roll, page 300, No. 855, Frank Corban, Cooweescoowee, Adopted whit
1896 " " 137, " 1164, Sarah Corban, "
NOTE " This girl is the child of Mary Downing and Frank Corban. "

Q. This child is living now, is she? A. Yes sir.

The applicant applies for the enrollment of himself and one child. He states that he was married to a Cherokee wife in 1879, and that since her death he has married a white woman. He is identified on the roll of 1896. He states that he has lived in the Cherokee Nation since his first marriage in 1879. He is not identified on the roll of 1880, at which time he states he was living with his Cherokee wife, nor is she identified on that roll. The applicant is considered to have lost his right to enrollment by his marriage to his present wife, a white woman, some 3 years ago, even if he had established a right to enrollment arising from his marriage to his Indian wife. His application for his own enrollment is therefore rejected. His child, Sarah E. Corban is identified on the roll of 1896; her mother, the applicant's first wife, is not identified on the roll of 1880 though living at that time. The child is living at present and the applicantion for her enrollment will be placed upon a doubtful card for the further identification of her mother.

Chas.von Weise being sworn states that as stenographer to the Commission to the Five Civilized Tribes he reported in full all proceedings had in the above cause and that the foregoing is a full, true and correct transcript of his stenographic notes in said proceeding.

--oOo--

The record in this case shows that on October 9, 1900, Frank Corban appeared before the Commission at Bartlesville, Indian Territory and then and there made application for his enrollment as a citizen by intermarriage of the Cherokee Nation, and for the enrollment of his child Sarah E. Corban as a citizen by blood of the Cherokee Nation. Upon the evidence then submitted Frank Corban was listed on Cherokee Roll card, Field No. R 240. On November 10,1900, at Claremore, Indian Territory, further evidence was submitted in the matter of this application.

The evidence in this case shows that Sarah E. Corban is the daughter of Frank Corban, a white man and Mary Corban his wife. Mary Corban at the time of her marriage to Frank Corban was the widow of a man by the name of Still. Her maiden name was Downing. She can not be identified on the authenticated tribal roll of 1880, under either of her above names. Frank Corban was married to her, however, by authority of a Cherokee marriage license, and it appears upon examination of the authenticated tribal roll of 1880, that her brothers Jim and Mack Downing are identified upon that roll as follows:

James Downing, Jr....page 783, No. 589 Tahlequah District.
Mack Downing, page 783, No. 590 Tahlequah District.

Sarah E. Corban is identified on the Cherokee Census roll of 1896, and has lived in the Cherokee Nation all her life.

The authority of the Commission herein is defined in Paragraph 1, Sec. 21, of the Act of Congress, June 28, 1898 (30 Stats., 495).

It is therefore the opinion of the Commission that Sarah R. Corban is lawfully entitled to be enrolled as a member by blood of the Cherokee tribe of Indians in Indian Territory, and that the application for her enrollment as such should be granted, and it is so ordered.

To the Land Com.,
Tahlequah, I.T.

Has Frank C. Corban filed on land in my name (Sarah E. Corban). The land is not far from Collinsville. I do not know the exact distance. I can not get any satisfaction from him. He is a white man and he has been very unkind to me. I have been East now for some time attending School and in seven years I have had only $20. from him. I understand that he has also had the farm rented out to other parties and he has pocketed the rent. I want some justice and if there is any way that I can get what I want I am going to do it.

I am a Cherokee Indian and I want all privileges of a Cherokee.

If my father has not filed on said land will you advise me in the matter necessary for me to do to file on the land my self through the mail as it is very impossible for me to return for some time.

Respectfully,

(Signed) Sara Elizabeth Corban.

The record in this case shows that on October 9,1900, Henry Hayes appeared before the Commission at Bartlesville, Indian Territory, and made application for the enrollment of himself as a citizen by intermarriage of the Cherokee Nation, and for the enrollment of his wife Malinda E. Hayes and his minor children Dewey and Minnie Hayes as citizens by blood of the Cherokee Nation.

On October 25, 1901, the applicant again appeared before the Commission at Vinita, Indian Territory, and submitted further evidence in the matter of this application. The evidence in this case shows that the principal applicant Henry Hayes was lawfully married in accordance with the Cherokee tribal laws on October 30, 1895 to Emma Fagan, the daughter of Malinda Fagan, who was admitted to citizenship in the Cherokee Nation on September 18, 1880. Emma Fagan, identified as Malinda E. Hayes, was born since her mother's admission to citizenship. She and her husband, the applicant, are both identified on the Cherokee Census roll of 1896. Their children Dewey and Minnie are too young to be upon any tribal roll, but they are identified as the off-spring of the aforesaid marriage and as having been living at the date of this application.

The authority of the Commission herein is defined in Paragraph 3, Section 21 of the Act of Congress June 28,1898 (30 Stats.,495).

It is therefore the opinion of this Commission that Henry Hayes is lawfully entitled to be enrolled as a member by intermarriage of the Cherokee tribe of Indians in Indian Territory; that Malinda E. Hayes, Dewey Hayes and Minnie Hayes are lawfully entitled to be enrolled as members by blood of the Cherokee tribe of Indians in Indian Territory, and that the application for their enrollment should be granted, and it is so ordered.

THE RECORDS OF THIS OFFICE SHOW: That at Bartlesville, Indian Territory, on October 9, 1900, Henry Hayes appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of, among others, Minnie Hayes, as a citizen by blood of the Cherokee Nation. Further proceedings in the matter of said application were had at Vinita, Indian Territory, October 25, 1901.

The records further show that on May 20, 1902, the Commission to the Five Civilized Tribes rendered its decision herein granting the said Minnie Hayes the right to enrollment as a citizen by blood of the Cherokee Nation and that thereafter, on October 22, 1902, there was filed with the Commission to the Five Civilized Tribes an affidavit showing the death of Minnie Hayes on November 5, 1901.

Section Twenty-five of the Act of Congress approved July 1, 1902 (32 Stat., 715), provides:

> "The roll of citizens of the Cherokee Nation shall be made as of September first, nineteen hundred and two, and the names of all persons then living and entitled to enrollment on that date, shall be placed on said roll by the Commission to the Five Civilized Tribes."

IT IS, THEREFORE, ORDERED AND ADJUDGED: That the decision of the Commission to the Five Civilized Tribes rendered May 20, 1902, in so far as it affects the applicant Minnie Hayes, be rescinded, set aside, and held for naught, and it is further ordered that, under the provisions of Section Twenty-five of the Act of Congress above noted, the application for the enrollment of Minnie Hayes as a citizen by blood of the Cherokee Nation, be, and the same is, hereby dismissed.

COMMISSION TO THE FIVE CIVILIZED TRIBES.

In the matter of the application of Calvin Tucker for enrollment as a Cherokee citizen.

On the ninth day of October, 1900, Data Tucker appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of her step-child, Calvin Tucker, as a citizen by blood of the Cherokee Nation.

At the conclusion of the evidence offered at that time the name of Calvin Tucker was placed upon a "Doubtful" card awaiting proof of his rights as a Cherokee citizen.

Further evidence has been submitted to the Commission and the following decision is rendered.

D E C I S I O N.

--oOo--

From all the evidence of record in this case it appears that Calvin Tucker is a Cherokee Indian, a son of Daniel Tucker, the husband of Data Tucker, by a former wife. The evidence shows that Calvin Tucker was re-admitted to citizenship in the Cherokee Nation by the decision of a Cherokee Commission on Citizenship on the 24th day of September, 1887. He has lived in the Cherokee Nation ever since the date of his admission, and he is identified on the Cherokee Census roll of 1896.

In making rolls of citizenship of the Cherokee Nation this Commission is governed by the following provisions of the Act of Congress approved June 28, 1898 (30 Stats., 495):

"That in making rolls of citizenship of the several tribes as required by law, the Commission to the Five Civilized Tribes is authorized and directed to take the roll of Cherokee citizens of eighteen hundred and eighty (not including freedmen) as the only roll intended to be confirmed by this and preceding Acts of Congress, and to enroll all persons now living whose names

are found on said roll, and all descendants born since the date of said roll to persons whose names are found thereon; and all persons who have been enrolled by the tribal authorities who have heretofore made permanent settlement in the Cherokee Nation whose parents, by reason of their Cherokee blood, have been lawfully admitted to citizenship by the tribal authorities, and who were minors when their parents were so admitted; and they shall investigate the right of all other persons whose names are found on any other rolls and omit all such as may have been placed thereon by fraud or without authority of law, enrolling only such as may have lawful right thereto, and their descendants born since such rolls were made with such intermarried white persons as may be entitled to citizenship under Cherokee laws.

In view of the facts and the law in this case it is considered that Calvin Tucker is entitled to be enrolled as a citizen by blood of the Cherokee Nation, and it is so ordered.

Commission to the Five Civilized Tribes.

In the matter of the application of Ella Cornwell for enrollment as a citizen of the Cherokee Nation.

—o—

On the 18th day of October, 1900, James Cornwell appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of himself as a citizen by blood of the Cherokee Nation and for his wife, Ella, as a citizen by intermarriage of the Cherokee Nation.

At the conclusion of the evidence offered at that time James Cornwell was listed for enrollment on a regular card and the name of his wife, Ella Cornwell, was placed upon a doubtful card awaiting proof of her marriage as alleged.

Further evidence has been submitted in that matter and the following decision is rendered:

D E C I S I O N .

From all the evidence of record in this case it appears that Ella Cornwell is a white woman; that she was married on the 5th day of November, 1895, to James Cornwell, a resident and citizen by blood of the Cherokee Nation, who is duly identified on the authenticated tribal roll of 1880. Ella Cornwell is not identified on the Cherokee census roll of 1896, but this fact is not considered material inasmuch as her status is fixed by intermarriage and not by tribal enrollment.

This Commission is directed in paragraph one, section twenty-one, of the Act of Congress approved June 28, 1898 (30 Stats., 495), to enroll "such intermarried white persons as may be entitled to citizenship under Cherokee laws."

In view of the facts and the law in this case it is considered that Ella Cornwell is entitled to be enrolled as a citizen by intermarriage of the Cherokee Nation, and it is so ordered.

In the matter of the application of Asa A. Hedrick for enrollment as a citizen by intermarriage of the Cherokee Nation.

--oOo--

The record in this case shows that on October 15,1900, Asa A. Hedrick appeared before the Commission at Nowata, Indian Territory and made application for the enrollment of himself as a citizen by intermarriage of the Cherokee Nation, and for the enrollment of his wife Rebecca Hedrick, and his minor children Minnie E., Joanna, and Morgan Hedrick as citizens by blood of the Cherokee Nation.

Upon the evidence submitted in support of the application Rebecca Hedrick and her said minor children Minnie E., Joanna and Morgan Hedrick were listed for enrollment on Cherokee Card, Field No. 4388. The evidence in this case shows that Asa A. Hedrick is a white man; that he was married in accordance with the Cherokee tribal laws on February 12,1893 to Rebecca Morgan, a citizen by blood of the Cherokee Nation, who is duly identified on the authenticated tribal roll of 1880. The applicant is identified on the Cherokee Census roll of 1896.

The authority of the Commission herein is defined in Paragraph 1, Sec. 21, of the Act of Congress June 28, 1898 (30 Stats.,495).

It is therefore the opinion of this Commission that Asa A Hedrick is lawfully entitled to be enrolled as a member by intermarriage of the Cherokee Tribe of Indians in Indian Territory, and that the

application for his enrollment as such should be granted, and it is so ordered.

DEPARTMENT OF THE INTERIOR,

COMMISSION TO THE FIVE CIVILIZED TRIBES.

In the matter of the application of William C. M. Robinson, for the enrollment of himself as a citizen by intermarriage of the Cherokee Nation, and for the enrollment of his wife Cynthia E. Robinson, and his minor child Mary J. Robinson, as citizens by blood of the Cherokee Nation.

D E C I S I O N.

--oOo--

The record in this case shows that on October 15, 1900, the applicant William C. M. Robinson appeared before the Commission at Nowata, Indian Territory, and then and there made personal application for the enrollment of himself as a citizen by intermarriage of the Cherokee Nation, and for the enrollment of his wife Cynthia E. Robinson and his minor child Mary J. Robinson as citizens by blood of the Cherokee Nation. On October 23, 1900, applicant filed with this Commission documentary evidence in the matter of the above application.

From the evidence in this case it appears that Cynthia E. Bibles was re-admitted to citizenship in the Cherokee Nation by an Act of the Cherokee National Council on November 25, 1885, and that the principal applicant, William C. M. Robinson was lawfully married to her in accordance with the tribal laws of the Cherokee Nation on May 17, 1888. Their child Mary J. Robinson is the issue of such marriage. She and her parents are identified on the Cherokee Census roll of 1896.

The authority of the Commission herein is defined in Paragraph 1, Sec. 21, of the Act of Congress June 28, 1898, 30 Stats. 495).

It is therefore the opinion of this Commission that William C.M.

Robinson is lawfully entitled to be enrolled as a member by intermarriage of the Cherokee Tribe of Indians in Indian Territory, and that Cynthia E. Robinson and Mary J. Robinson are lawfully entitled to be enrolled as members by blood of the Cherokee Tribe of Indians in Indian Territory, and that their application for enrollment as such should be granted, and it is so ordered.

THE COMMISSION TO THE FIVE CIVILIZED TRIBES.

Acting Chairman.

(1880 roll, page 163, #9884, William A. Keen, Cooweescoowee D'ist)

The applicant applies for the enrollment of himself, his wife and one child. He claims to have been admitted to Cherokee citizenship in 1880; he states that he has lived in the Cherokee Nation ever since his admission; he is identified on the roll of 1880, as a native Cherokee; to await official evidence of his admission to citizenship, his application will be placed upon a doubtful card; he will be classed as a Cherokee by blood.

His wife is shown to have been married to him, January 16th, 1900; neither he nor his wife were ever married before; her marriage is too late to entitle her to enrollment under the Cherokee law of 1896, and the application for her enrollment is rejected.

When the Commission is supplied with a certificate of the birth of the child, Wilma Pearl, this child also will be listed for enrollment as a Cherokee by blood, upon a doubtful card, to await official evidence of the admission of her father to citizenship, as indicated in the testimony.

In the matter of the application for the enrollment of William A. Keen and his two minor children, Wilma P. and Dora Olive Keen, as citizens by blood of the Cherokee Nation.

D E C I S I O N.

--oOo--

The record in this case shows that on October 15, 1900, William A. Keen appeared before the Commission at Nowata, Indian Territory, and made application for the enrollment of himself and his minor child, Wilma P. Keen, as citizens by blood of the Cherokee Nation. The application included his wife, Maggie M. Keen, but, as she is differently classified, she is not embraced in this decision. Further proceedings in the matter of this application were had at Muskogee, Indian Territory, on March 5, 1902.

The evidence shows that the said William A. Keen, a Cherokee by blood, who was admitted to Cherokee citizenship in the Cherokee Nation by the duly constituted authorities of said Nation, on September 25, 1882; was lawfully married on January 16, 1899, to Maggie M. Hesler, a white woman. The said William A. Keen is identified on the Cherokee Census roll of 1896. Two children, Wilma P. and Dora Olive Keen, were born on November 7, 1899, and December 17, 1901, respectively, to William A. Keen and his wife, Maggie M. Keen, and proper proof of their births has been furnished this Commission.

The evidence further shows that the said William A. Keen has lived in the Cherokee Nation ever since his admission to Cherokee citizenship in 1882.

It is, therefore, the opinion of this Commission that William A. Keen, Wilma P. Keen, and Dora Olive Keen should be enrolled as citizens by blood of the Cherokee Nation in accordance with the provisions of Section twenty-one of the Act of Congress approved June 28, 1898 (30 Stats., 495.), and it is so ordered.

Department of the Interior,

Commission to the Five Civilized Tribes.

In the matter of the application for the enrollment of Walter Lee as a citizen by blood of the Cherokee Nation.

—o—

On the 15th day of October, 1900, Cornelius Sanders appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of his cousin, Walter Lee, as a citizen by blood of the Cherokee Nation.

At the conclusion of the evidence offered at that time Walter Lee was placed upon a doubtful card, as the evidence showed he was in the penitentiary and an opportunity was desired to consult the official records as to the truth of such statement.

No further evidence has been submitted, nor is the same considered necessary and the following decision is rendered:

D E C I S I O N .

From all the evidence of record in this case it appears that Walter Lee is a Cherokee Indian. He is identified on the authenticated tribal roll of 1880 and the Cherokee census roll of 1896. He has lived all his life in the Cherokee Nation.

This Commission in making rolls of citizenship of the Cherokee Nation is governed by the following provisions of the Act of Congress approved June 28, 1898 (30 Stats.,495):

"That in making rolls of citizenship of the several tribes, as required by law, the Commission to the Five Civilized Tribes is authorized and directed to take the roll of Cherokee citizens of eighteen hundred and eighty (not including freedmen) as the only roll intended to be confirmed by this and preceding Acts of Congress, and to enroll all persons now living whose names are found on said roll, and all descendants born since the date of said roll to persons whose names are found thereon; and all persons who have been enrolled by the tribal authorities who have heretofore made permanent settlement in the Cherokee Nation whose parents, by reason of their Cherokee blood, have been lawfully admitted to citizenship by the tribal authorities, and who were minors when their parents were so admitted; and they shall investigate the right of all other persons whose names are found on any other rolls and omit all such as may have been placed thereon by fraud or without authority of law, enrolling only such as may have lawful right thereto, and their descendants born since such rolls were made, with such intermarried white persons as may be entitled to citizenship under Cherokee laws."

In view of the facts and the law in this case it is considered that Walter Lee is entitled to be enrolled as a citizen by blood of the Cherokee Nation, and it is so ordered.

A Yes sir.
1880 roll page 514 #310 as Henry Cordray, Illinois District.
Q Did she have a brother named Wilson Cordray? A That was her father.

Com'r Breckinridge: It is believed that the woman, Malse Cordray, identified on the roll of 1880 is the same woman who married a man named Collins before 1880 and left him just before the enrollment of 1880, and that she had herself enrolled under her maiden name as Malzarine Cordray; immediately with her appears Henry Cordray, one year of age in 1880, and who was doubtless enrolled under the same name that his mother took at that time; this will be filed with the case of Henry Collins as identifying him and his mother in 1880.

W. T. Green being first duly sworn states that as stenographer to the Commission to the Five Civilized Tribes he correctly recorded the testimony and proceedings in this case and that the foregoing is a true and complete transcript of his stenographic notes thereof.

SUPPLEMENTAL STATEMENT.

An examination of the 1880 authenticated roll of citizens of the Cherokee Nation, shows that the applicant herein, Henry Collins, Jr., is identified upon said roll, Page 314, #360, Illinois District, as Henry Cordray, native Cherokee, one year old.

It is ordered that this statement be filed with and made a part of the record in the matter of the enrollment of Henry Collins, Jr., as a citizen by blood of the Cherokee Nation.

C. R. Breckinridge
Commissioner.

CHEROKEE D 186.

DEPARTMENT OF THE INTERIOR,

COMMISSION TO THE FIVE CIVILIZED TRIBES.

In the matter of the application of Henry Collins, Jr. for enrollment as a Cherokee citizen.

On the 25th day of August, 1900, Henry Collins, Jr. appeared before the Commission to the Five Civilized Tribes and made application for his enrollment as a citizen by blood of the Cherokee Nation.

At the conclusion of the evidence offered at that time his name was placed upon a "Doubtful" card, because neither he nor his mother could be identified on the authenticated tribal roll of 1880.

Further evidence in that matter has been submitted to the Commission and the following decision is rendered.

D E C I S I O N.

--oOo--

From all the evidence of record in this case it appears that Henry Collins, Jr. is the son of Malzarine Collins, whose maiden name was Cordray. She is identified on the authenticated tribal roll of 1880 at page 514, No. 359 as Malse Cordray. This applicant is also identified thereon, page 514 No. 560 as Henry Cordway. He is identified on the Strippayment roll of 1894, and has resided in the Cherokee Nation all his life.

In making rolls of citizenship of the Cherokee Nation this Commission is governed by the following provisions of the Act of Congress approved June 28, 1898 (30 Stats.,495);

"That in making rolls of citizenship of the several tribes, as required by law, the Commission to the Five Civilized Tribes is authorized and directed to take the roll of Cherokee citizens of eighteen hundred and eighty (not including freedmen) as the only roll intended to be confirmed by this and preceding Acts of Congress, and to enroll all persons now living whose names are found on said roll, and all descendants born since the date of said roll to persons whose names are found thereon; and all persons who have been enrolled by the tribal authorities who have heretofore made permanent settlement in the Cherokee Nation whose parents, by reason of their Cherokee blood, have been

lawfully admitted to citizenship by the tribal authorities, and who were minors when their parents were so admitted; and they shall investigate the right of all other persons whose names are found on any other rolls and omit all such as may have been placed thereon by fraud or without authority of law, enrolling only such as may have lawful right therto, and their descendants born since such rolls were made, with such intermarried white persons as may be entitled to citizenship under Cherokee laws."

In view of the facts and the law in this case it is considered that Henry Collins, Jr. being duly identified on the authenticated tribal roll of 1880 is entitled to be enrolled as a citizen by blood of the Cherokee Nation, and it is therefore ~~so~~ ordered.

Q How long have you lived in the Cherokee Nation? A Ever since I was born.

The applicant applies for the enrollment of himself, his wife and two children: He is identified with reasonable certainty on the rolls of 1880: His father is identified on that roll, and his mother, as given by him, is supposed to have died before 1880, the applicant stating that she died some twenty years ago, and she not being found on that roll.

The applicant is not identified upon either the roll of 1894, or 1896: He states that he was born in the Cherokee Nation, and has lived here all his life, but he is unable at this time to support his statement by satisfactory personal testimony. He will be listed as a Cherokee by blood, upon a doubtful card, for further consideration and identification. He is shown to have married his wife in 1896, and he states that neither of them were ever married before. She should be on the roll of 1896, so far as the date of her marriage is concerned, but she is not found upon that roll: She has lived with him ever since their marriage, and she will now be classed on a doubtful card as a Cherokee by adoption.

When certificates of the birth of the two children, Katy Lee and Sadie, are supplied the Commission, they also will be placed on a doubtful card, as Cherokees by blood.

The undersigned, being sworn, states that as stenographer to the Commission to the Five Civilized Tribes, he correctly recorded the testimony and proceedings in this case, and that the foregoing is a true and complete transcript of his stenographic notes thereof.

DEPARTMENT OF THE INTERIOR,
COMMISSION TO THE FIVE CIVILIZED TRIBES.

In the matter of the application of William W. Parris for the enrollment of himself and his two minor children Katy L. and Sadie Parris as citizens by blood of the Cherokee Nation and for the enrollment of his wife, Barbara Parris, as a citizen by intermarriage of the Cherokee Nation.

D E C I S I O N.

The record in this case shows that on October 25, 1907, the applicant, William W. Parris, appeared before the Commission at Claremore, Indian Territory, and then and there made personal application for the enrollment of himself and his two minor children Katy L. and Sadie Parris as citizens by blood of the Cherokee Nation and for the enrollment of his wife, Barbara Parris, as a citizen by intermarriage of the Cherokee Nation. On October 29, 1908, the applicant William W. Parris, again personally appeared before the Commission at Claremore, Indian Territory, and submitted further testimony in this case.

It appears from the evidence in support of this application that William W. Parris is identified on the 1880 authenticated tribal roll of the Cherokee Nation, page 554, No.1280 and on the 1896 census roll of the Cherokee Nation, page 1218, No. 1284. He was lawfully married to Barbara Marshall, a white woman, April 4, 1880 She is not identified upon any tribal roll in possession of the Commission. The two minor children, Katy L. and Sadie, are only identified by affidavits of birth filed with this Commission. They are too young to be upon any tribal roll of the Cherokee Nation.

An act of the Cherokee National Council approved December 10, 1896, is as follows:

"That from and after the passage of this act, all non-citizens who marry Cherokees by blood, shall not by reason of such blood, citizens of the Cherokee Nation, shall acquire no such rights

[illegible] no rights of property, lands or money pertaining in common to the Cherokee people or the Cherokee nation, and chapter 10, article 14, section 670 to sec. 698, inclusive, pages 348 to 354, of the Compiled Laws of the Cherokee Nation, is hereby enacted as to conform to the provisions of this act, and to vest no other than political rights in persons not of Cherokee, Delaware or Shawnee blood who may marry Cherokee by blood, Delawares or Shawnees by blood who may marry Cherokees by blood, or Cherokee by blood who may change blood citizens. And all laws or parts of laws conflicting herewith are hereby repealed."

The authority of the Commission herein is defined in Par. 1, Sec. 21, of the act of Congress, June 28, 1898 (30 Stats., 495).

It is therefore the opinion of this Commission that William W. Parris, Mary E. Parris and Edie Parris are lawfully entitled to be enrolled as members by blood of the Cherokee Tribe of Indians in Indian Territory and that the application for their enrollment as such should be granted, and that Barbara Parris is not lawfully entitled to be enrolled as a member by intermarriage of the Cherokee Tribe of Indians in Indian Territory and that the application for her enrollment as such should be rejected, and it is so ordered.

The Honorable,

The Secretary of the Interior.

Sir:

On August 20, 1902 (I. T. D., 1902-1903), the Department affirmed the decision of the Commission to the Five Civilized Tribes, dated May 20, 1902, denying the application for the enrollment of William D. Parris and his minor children, Katy L. and Thomas Parris, as citizens by blood, and for the wife, Barbara Parris, as a citizen by intermarriage of the Cherokee Nation.

The office is in receipt of the affidavit as to the death, on August 10, 1901, of William D. Parris. The affidavit is inclosed herewith.

Section 25 of the Act of Congress approved July 1, 1902 (32 Stat., 716) provides:

> The roll of citizens of the Cherokee Nation shall be made as of September first, nineteen hundred and two, and the names of all persons then living and entitled to enrollment on that date shall be placed on said roll by the Commission to the Five Civilized Tribes.

It is, therefore, respectfully recommended that the Department's decision, dated August 20, 1902, above referred to,

in so far as it relates to the applicant, Katy L. Parris, be rescinded, and that this office be authorized to take proper steps to dismiss the application for the enrollment of said child as a citizen of the Cherokee Nation.

It is requested that the affidavit transmitted herewith be returned to this office.

January 25, 1907.

The Honroable,

The Secretary of the Interior.

Sir:-

There is forwarded herewith report of Commissioner Bixby, dated December 7, 1906, relative to the Cherokee enrollment case of Katy L. Parris.

By Departmental letter of June 25, 1906 (I. T. D. 10784-1906), the Commissioner was requested to give notice in accordance with instructions contained in Departmental letter of January 12, 1906, (I. T. D. 110-1906), in the matter of the cancelation of the names of certain citizens by blood of the Cherokee Nation and who died prior to September 1, 1902. This action was desired by the Department before acting on the request of the Commissioner to rescind Departmental decision of August 28, 1902, in so far as it refers to Katy L. Parris, who is shown by affidavits received by the Commission to the Five Civilized Tribes to have died on August 20, 1901.

The Commissioner reports that in accordance with Departmental directions, a communication was addressed to Katy L. Parris, or her heirs at Claremore, Indian Territory, dated August 23, 1906,

advising that enrollment as a citizen by blood of the Cherokee Nation of Katy L. Parris was affirmed by the Department on August 28, 1902, and that information in affidavit form had been secured evidencing the death of said person prior to September 1, 1902, and calling attention to Section 31 of the Act of Congress approved July 1, 1902 (32 Stat. L., 716), advising that unless conclusive evidence was presented to the effect that Katy L. Parris was living on September 1, 1902, the Commissioner would, at the expiration of sixty days, recommend to the Department that its decision of August 28, 1902, so far as it granted the application for the enroll ment of Katy L. Parris as a citizen by blood of the Cherokee Nation, be rescinded, and that the application be dismissed.

The Commissioner says that notice was also published in four consecutive issues of the "Claremore Messenger", beginning August 25, 1906, and four consecutive issues of the "Tahlequah Arrow", beginning October 6, 1906. The delay in publishing the notice in the "Tahlequah Arrow" is accounted for by the fact that notice was first sent to the "Cherokee Advocate" at Tahlequah, the Commissioner not being aware that its publication had been discontinued.

Commissioner Bixby says that no information has been received showing that Katy L. Parris was living September 1, 1902, and recommends that the decision of the Department of August 28,

1902 (I. T. D. 4803-1902), so far as it grants the application for the enrollment of Katy L. Parris as a citizen of the Cherokee Nation, be rescinded, and that the application for her enrollment be dismissed.

Ample opportunity having been given and the interested parties having failed to present any evidence that Katy L. Parris was living on September 1, 1902, it is recommended that her name be stricken from the roll of citizens by blood of the Cherokee Nation, in accordance with Commissioner Bixby's recommendation.

The record in this case was forwarded to the Department on February 16, 1906.

Very respectfully,

C. F. Larrabee,
Acting Commissioner.

Sir:

On January 25, 1907, the Indian Office transmitted your report relative to the Cherokee enrollment case of Katy L. Parris.

December 7, 1906, you recommended that the decision of the Department of August 28, 1902, in so far as it grants the application for the enrollment of Katy L. The Indian Office recommends that her name be stricken from the roll of citizens by blood of the Cherokee Nation, in accordance with your recommendation. A copy of its letter is inclosed.

It does not appear from your report that her name has ever been placed upon the rolls of citizens of the Cherokee Nation. The Depart ment concurs in your recommendation and departmental action of August 28, 1902, is rescinded, and you are directed to dismiss her application.

Sir:

Referring to Department letter of August 20, 1902, I. T. Parris and his minor children, Katy L. and Sadie Parris, as citizens by blood, and for his wife, Barbara Parris, as citizen by intermarriage of the Cherokee Nation, there is enclosed a report from the Commissioner to the Five Civilized Tribes, dated January 23, 1906, transmitting affidavits of Laura A. Henry and William H. Fry, which show that Katy L. Parris died on August 20, 1901.

Section 25 of the Cherokee Agreement provides that:

> The roll of citizens of the Cherokee Nation shall be made as of September first, nineteen hundred and two, and the names of all persons then living and entitled to enrollment on that date shall be placed on said roll by the Commission to the Five Civilized Tribes.

Sir:

In letter of January 23, 1906, you recommended that departmental decision of August 20, 1902, in the Cherokee enrollment case of William H. Parris, et al., in favor of the applicants, except the wife of said Parris, affirming the decision of the Commission to the Five Civilized Tribes, be rescinded, so far as it relates to the minor child of said Parris, Katy L. Parris, the Commission to the Five Civilized Tribes having been furnished affidavits by Laura A. Henry and William H. The Indian Office, submitting your report February 16, 1906 (Land 819 -1906), concurs in your recommendation.

The Department does not consider the affidavits furnished sufficient to warrant the action recommended, in the absence of any opportunity for the father of said child to be heard in the matter. Dear Sir:

In connection with your application for the enrollment of yourself and, among others, your minor child, Katy L. Parris, you are advised that there were received by the Commission to the Five Civilized Tribes on June 24, 1902, affidavits signed by Laura A. Henry and William H. izen of the Cherokee Nation.

The Department in letter to this office of February 23, 1906, states that it does not consider the affidavits sufficient to warrant the action recommended in the absence of any opportunity for you to be heard in the matter, and directs this office as follows:

> "You are authorized to call upon William H. Parris to show cause within twenty days from notice why the decision of the Department as to Katy L. Parris should not be rescinded."

You are, therefore, hereby notified that you will be allowed twenty days from date hereof within which to appear before the offices of the Commissioner and show cause, if any, why the decision of the Department referred to should not be rescinded as to your child, Katy L. Sir:

The Department, in letter to this office of February 23, 1906 (I.T.D. 2842-1906), in reply to letter of the Commissioner to the Five Civilized Tribes of January 23, 1906, recommending that the Department's decision of August 20, 1902, in the Cherokee enrollment case of William H. Parris, et al., be rescinded insofar as it relates to the minor applicant, Katy L. Parris, and that this office be authorized to dismiss the application for the enrollment of said Katy L. Parris, affidavits by Laura A. Henry and William H. Fry having been received alleging that said child died August 20, 1901, states that it does not concur in the action recommended, in the absence of any opportunity for the father of said child to be heard in the matter. This office was "authorized to call upon William H. Parris to show cause within twenty days from notice why the decision of the Department as to Katy L. Parris should not be rescinded."

On March 3, 1906, William H. Parris was furnished with a copy of the Department's letter and notified that he would be

Mr. Bixby says that on March 3, 1906, William H. as a citizen of the Cherokee Nation dismissed; that Mr. Parris did not reply to his letter, and he requests that the action recommended in his letter of January 23 last be taken. He returned the affidavits of Laura A. Henry and William H. Dry. These affidavits shew that Katy L. Parris died on August 20, 1901. The Honorable

The Secretary of the Interior.

Sir:

I have the honor to transmit herewith a report made July 28, 1902, by the Commission to the Five Civilized Tribes, forwarding the record in the matter of the application of William H. Parris for the enrollment of himself and children Katy L., and Sadie Parris as citizens by blood of the Cherokee Nation, and for the enrollment of his wife, Marbara Parris as a citizen by intermarriage of said nation.

It appears that the name of William H. Parris is found on the 1880 and 1896 rolls of the Cherokee Nation, and that he is a Cherokee by blood; that his wife is a white woman and was married to him April 8, 1896; that her name is not on any roll of the Cherokee Nation; and that their marriage took place subsequent to December 16, 1895, the date of the act of the Cherokee National Council which declared that non-citizens should not receive benefits by reason of intermarriage with Cherokees.

The Commission is of the opinion that William H. Parris, and his two children above named should be enrolled, and that the application of his wife, Barbara Parris, for enrollment as an inter-

married citizen, should be rejected.

The office agrees with the Commission's conclusions and respectfully recommends that it's decision be affirmed.

Commission to the Five Civilized Tribes,

Muskogee, I. T.

Gentlemen:

With your letter of July 28, 1902, you transmitted the record and your decision of May 20, 1902, in the matter of the application of William H. Parris for the enrollment of himself and his minor children, Katy L. and Sadie Parris, as citizens by blood, and of his wife, Barbara Parris, as a citizen by intermarriage, of the Cherokee Nation.

The evidence shows that William H. Parris is identified on the authenticated Cherokee roll of 1880, and on the Cherokee census roll of 1896; that on April 8, 1896, he married his said wife, a white woman. The act of the Cherokee National Council approved December 16, 1895, declares that noncitizens marrying Cherokees after the passage of said act "shall acquire by such marriage no rights of property, lands or money belonging in common to the Cherokee people or the Cherokee Nation." The identity of said children is established by birth affidavits. You therefore held that William H. Parris and his said children are entitled to be enrolled as citizens by blood, and that Barbara Parris is not entitled to be enrolled as an intermarried Cherokee citizen.

The Acting Commissioner of Indian Affairs forwarded the papers August 6, 1902, and recommended that your decision be approved. A copy of his letter is inclosed.

The Department affirms your decision.

Dear Madam:

The decision of the Commission to the Five Civilized Tribes granting, among others, the application for the enrollment as a citizen of the Cherokee Nation of Katy L. The Act of Congress approved July 1, 1902 (32 Stat., 716), provides:

> "That no allotment of land or other tribal property shall be made to any person, or to the heirs of any person, whose name is on said roll and who died prior to the first day of September, nineteen hundred and two."

As evidence of the fact that Katy L. Parris was living on September 1, 1902, the Commission to the Five Civilized Tribes will require the personal testimony of at least two reliable witnesses who have actual personal knowledge of such fact, and who are in no manner interested in her estate.

Sir:

June 25, 1906 (I.T.D. 4803-1902, 2814, 10784-1906), the Department in further reference to the Cherokee enrollment case of Katy L. Parris, states that it is desired "that notice be given in accordance with instructions contained in Departmental letter of January 12, 1906 (I.T.D. 6186-1905, 110-1906), in the matter of the cancellation of the names of certain citizens by blood of the Cherokee Nation and who died prior to September 1, 1902" before acting on this office's request that the Department rescind its decision of August 28, 1902, in so far as it refers to said Katy L. Parris, who is shown by affidavits received by the Commission to the Five Civilized Tribes, to have died on August 20, 1901. In accordance with the Department's direction, this office on August 23, 1906, addressed a communication to Katy L. Parris or her heirs, Claremore, Indian Territory, advising that the enrollment as a citizen of the Cherokee Nation of Katy L. Parris was

affirmed by the Secretary of the Interior on August 28, 1902, and that information in affidavit form had been secured evidencing the death of said person prior to September 1, 1902, and, calling attention to Section Thirty-one of the Act of Congress approved July 1, 1902 (32 Stat., 716), advised that unless conclusive evidence was presented to the effect that said Katy L. Parris was living on September 1, 1902, the Commissioner would, at the expiration of sixty days from date, recommend to the Secretary of the Interior that his decision of August 28, 1902, in so far as it granted the application for the enrollment of Katy L. Parris as a citizen of the Cherokee Nation, be rescinded, and that the application for her enrollment be dismissed.

A notice was also published in four consecutive issues of "The Claremore Messenger," the first publication being August 24, 1906, and four consecutive issues of "The Tahlequah Arrow," the first publication being October 6, 1906, advising of the Department's approval of the enrollment of Katy L. Parris, and as to the information received as to her death, and giving notice that unless

evidence was received within sixty days to the effect that she was living on September 1, 1902, the Commissioner would make the recommendation above stated. The delay in publishing this notice in the Tahlequah Arrow was due to the fact that the notice was sent to the editer of the Cherokee Advocate at Tahlequah, Indian Territory, to be published in that paper, the office not knowing at the time that its publication had been discontinued. The Claremore Messenger and the Tahlequah Arrow are both weekly newspapers of general circulation published in the Cherokee Nation, the former at Claremore, and the latter at Tahlequah, Indian Territory.

As no information has been received showing that the said Katy L. Parris was living September 1, 1902, it is respectfully recommended that the decision of the Department of August 28, 1902 (I.T.D. 4603-1902), insofar as it grants the application for the enrollment of Katy L. Parris as a citizen of the Cherokee Nation, be rescinded, and that the application for her enrollment as a citizen of said Nation be dismissed.

Respectfully,

Through the
Commissioner of Indian Affairs.

L.B.Bell, being first duly sworn and being examined testified as follows:
By Mr. Bledsoe:
Q What is your name? A L. B. Bell.
Q How old are you? A Vinita, 64.
Q What position do you occupy now in the Cherokee Nation? A I am attorney for the Cherokee Nation in the matter of this Freedman enrollment down here in the Creek Nation.
Q You are a Cherokee citizen by blood? A Yes.
Q How long have you lived in the Cherokee Nation? A Well I reckon 64 years.
Q Do you know anything about the act of 1882, passed by the National Council; if so, state what you know in regard to that act? A I rather think that you would get at it better by getting the law book.
By Mr. Hastings:
If that is what you are going to prove I shall object to it.
Q You know anything about the bill, Mr. Bell, that was passed in

1882? A -

By Mr. Hastings: I am going t object to that, because the law is the best evidence, and we will have to go not by man's memory, but in accordance with the law.

A The general custody of these laws are in the Executive Office and I presume you could get it there.

Q I will ask you if there was any one put upon that roll of 1893 except Cherokee citizens by blood?

A Well I don't know a thing in the world about that except myself and a few others on the roll.

Q Were you at the National Council in 1882, or a member of that Council, or know anything about its acts? A I think that bill was dated 1883; I was not there when it was passed.

Q The payment was in 1883 and the bill was passed in 1882?

A You have not asked me anything on earth but what you could get better somewheres else.

By Bledsoe:

Reference is made by the agent for the applicant to the roll of 1883, Delaware District, Cherokee Nation, and especial attention is called thereo to the name of Nancy J. Fleetwood, 2017, Rebecca J. Fleetwood, 2018 Lila E. Fleetwood, 2019, and reference is also called and special attention is called of the Commission to the act creating this Pay roll, 1882 National Council of the Cherokee Nation.

By Mr. Hastings: The Nation calls attention to the fact that the 1883 roll is not an authenticated roll, nor have the numbers as given by counsel for the applicant been introduced and made a part of the record in this case.

By Mr. Bledsoe: The agent for the applicant introduces this evidence from the simple fact that there was none paid on that 1883 roll except Cherokees by blood; those that were recognised by the Cherokee authorities as blood citizens, the same being called and termed " A Blood Bill". The negroes, Delawares and Shawnees and whites that were residents of the Territory at that time afterwards had to enter suit and obtain their money through courts.

By Mr. Hastings: The agent for the applicant well knows that there has been no roll since 1880 that has been authenticated or a recognised roll of the citizens of the Cherokee Nation, and he knows that the roll of 1883 was not an authenticated roll, nor a recognised roll, binding upon the Cherokee Nation as to the citizenship of the persons whose names appear thereon.

By Commission: The agent for the applicant requests and will be granted ten days to file a brief in the case, one copy with the Commission and one copy with the representative of the Cherokee Nation. The agent for the applicant and the attorney for the Cherokee Nation submit the case: and same is deemed completed, and will be reported to the Commission for final decision based upon the evidence now of record.

I, M.D.Green, do hereby certify that as stenographer to the Commission to the Five Civilised Tribes I correctly recorded the testimony and proceedings in this case and that the foregoing is a true and complete transcript of my stenographic notes thereof.

In the matter of the application of Lucinda Hornbuckle et al for enrollment as citizens of the Cherokee Nation.

Applicant represented by I. P. Bledsoe, Agent, Chouteau, I.T.
Cherokee Nation represented by W. W. Hastings.

There is offered in evidence by the agent for the applicant a certificate from B. W. Alberty, Assistant Executive Secretary of the Cherokee Nation, as follows:

"McAllister Rebecca Dec. 15th 1870 entitled being Cherokee."

"Executive Office Cherokee Nation,
Tahlequah, I. T.

I, B. W. Alberty, Assistant Executive Secretary of the Cherokee Nation do hereby certify that the above is a true copy from the record made and kept in this office of persons admitted to Citizen since 1866 and prior to 1880; that said record is among the records of this Office and is in my legal custody. Given under my hand and the seal of the Cherokee Nation this the 12 day of March, 1902.

(SEAL)

B. W. Alberty,
Assistant Executive Secretary,
Cherokee Nation."

MR. HASTINGS: The representatives of the Cherokee Nation object to the introduction of this certificate because it does not show any connection whatever with the case in which it is offered as testimony. They did not claim that this woman is either of these applicants, or that she is the mother of either of them, and it is not shown that these applicants or their mother either, was ever admitted to citizenship in the Cherokee Nation; nor is it shown that if this is the grandmother of these applicants that her daughter, who was the mother of these applicants, was a minor in 1870, at the time she was rejected; and we think for that reason it is clearly inadmissible.

MR. BLEDSOE: The agent for the applicant states that the testimony in each of these cases shows that Peter McAllister, the husband of Rebecca McAllister, the woman, grandfather of these children's mother, was admitted to citizenship when these children's mother was nothing but a very small girl; and her name by some mishap was left off the 1880 roll while her brothers and sisters are upon the 1880 roll.

DEPARTMENT OF THE INTERIOR,

COMMISSION TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment of Delilah E. Foreman, Rebecca J. Hornbuckle, Nancy G. Fleetwood, Lee M., Viola E., Lucinda and Mamie F. Hornbuckle as citizens by blood of the Cherokee Nation.

D 691 Delilah E. Foreman.
D 692 Rebecca J. Hornbuckle et al.
D 693 Lucinda Hornbuckle et al.

D E C I S I O N.

The record in these cases shows that on October 24, 190_, Delilah E. Foreman appeared before the Commission at Claremore, Indian Territory, and made personal application for the enrollment of herself as a citizen by blood of the Cherokee Nation; that on the same day and at the same place, Rebecca J. Hornbuckle appeared before the Commission, and made personal application for the enrollment of herself and her three minor children, Nancy G. Fleetwood, and Lee M. and Viola E. Hornbuckle, as citizens by blood of the Cherokee Nation, and that on the same day and at the same place Lewis J. Hornbuckle appeared before the Commission and made personal application for the enrollment of his wife, Lucinda Hornbuckle, and her minor child, Mamie F. Hornbuckle, as citizens by blood of the Cherokee Nation. Further proceedings in the matter of said applications were had at Claremore, Indian Territory on November 8, 1900, at Vinita, Indian Territory on October 22, 1901, and at Muskogee, Indian Territory on March 7, 1902 and April 17, 1902.

The evidence shows that Delilah E. Foreman, Rebecca J. Hornbuckle and Lucinda Hornbuckle are the children of Nancy J. Smith, now deceased; that the maiden name of Nancy J. Smith was Nancy McAlester, and that she married a man by the name of Fleetwood, and afterwards a man by the name of Smith. Nancy J. Smith is not identified on the 1880 authenticated tribal roll of the Cherokee Nation under any of the names here given. The evidence shows that she was the daughter of Peter McAlester and a sister of J. W. McAlester, who are identified on the 1880 authenticated tribal roll of the Cherokee Nation as Native Cherokees. The said Nancy J. Smith is identified on the 1883 Pay Roll of the Cherokee Nation, page 37, No. 2019, as Nancy J. Fleetwood.

Delilah E. Foreman is identified on the 1883 Pay Roll of the Cherokee Nation, page 37, No. 2019, as Lila Fleetwood. She is identified on the 1894 Pay Roll and on the 1896 Census Roll of the Cherokee Nation as a Native Cherokee.

Rebecca J. Hornbuckle is identified on the 1883 Pay Roll of the Cherokee Nation, page 37, No. 2018. She is also identified on the 1894 Pay Roll, page 1153, No. 3058, and on the 1896 Census Roll of the Cherokee Nation as a Native Cherokee.

Lucinda Hornbuckle is identified on the 1894 Pay Roll page 1153, No. 3061, and on the 1896 Census Roll of the Cherokee Nation as a Native Cherokee.

The identifications here cited are given after an examination of the tribal rolls of the Cherokee Nation.

Cherokee D 691, 692, 693.

Nancy C. Fleetwood, the minor child of Rebecca J. Hornbuckle, is identified on the 1896 Census Roll of the Cherokee Nation. The minor children, Lee M., Viola E. and Mamie F. Hornbuckle, are too young to be on any tribal roll of the Cherokee Nation, but they are identified by birth affidavits on file with this Commission.

The evidence further shows that Delilah E. Foreman, Rebecca J. Hornbuckle and Lucinda Hornbuckle have resided in the Cherokee Nation all of their lives, and that they were residents of said Nation at the date of the application herein. The residence of the children is considered to be that of their mothers.

It is, therefore, the opinion of this Commission that Delilah E. Foreman, Rebecca J. Hornbuckle, Nancy C. Fleetwood, Lee M. Hornbuckle, Viola E. Hornbuckle, Lucinda Hornbuckle and Mamie F. Hornbuckle should be enrolled as citizens by blood of the Cherokee Nation, in accordance with the provisions of Section 21 of the Act of Congress, approved June 2[illegible], 1898 (30 Stats. 495), and it is so ordered.

Q Which one? A Ollie B.
Q The other childrenwere all born in the Cherokee Nation?
A Yes, sir.

The name of the applicant's wife, Emma Herrin, is found upon the census roll of 1896, as Emma Faulkner, satisfactory proof being presented as to her marriage to one, Frank Faulkner, a NCN citizen, in the state of Arkansas, in the year 1891. The records of the Cherokee Nation show that she was admitted to citizenship in the year 1883, when she was eight years of age; she married in Arkansas and removed to the Indian Territory after said marriage, being then eighteen years of age.

The testimony shows that her oldest child, Ollie B. Faulkner, was born in the state of Arkansas, the remaining children having been born in the Cherokee Nation. Said Frank Faulkner, who applies for the enrollment of himself, having been a non citizen, and never having been married according to the laws of the Cherokee Nation, his application for his own enrollment is rejected, and by reason of the testimony as to whether the said Emma Faulkner forfeited her citizenship, final judgment as to the enrollment of said Emma Faulkner and her children, Ollie B., Clarence, Auda C., and Roxie, will be suspended and their names will be placed upon a doubtful card. It will also be necessary for the applicant to file with this Commission satisfactory proof of birth as to the youngest child, Roxie Faulkner, whose name does not appear upon the Census Roll of 1896, she having been born after same was compiled.

The undersigned, being sworn, states that as stenographer to the Commission to the Five Civilized Tribes, he correctly recorded the testimony and proceedings in this case, and that the foregoing is a true and complete transcript of his stenographic notes thereof.

DEPARTMENT OF THE INTERIOR,
COMMISSION TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment of Emma Faulkner and his minor children Ollie B., Clarence, Auda C., and Roxie, as citizens by blood of the Cherokee Nation.

D E C I S I O N.

The record in this case shows that on November 30, 1900, Frank M. Faulkner appeared before the Commission at Tahlequah, Indian Territory and made application for the enrollment of himself as a citizen by intermarriage of the Cherokee Nation, and for the enrollment of his wife Emma Faulkner, and his minor children Ollie B., Clarence, Auda C. and Roxie Faulkner, as citizens by blood of the Cherokee Nation. Frank M. Faulkner has been differently classified and is not embraced in this decision. Further proceedings were had in the matter of said application at Muskogee, Indian Territory on March 11, 1902.

The evidence shows that the said Emma Faulkner, under her maiden name of Emma Herrin, was admitted to citizenship in the Cherokee Nation by the duly constituted authorities of said Nation on September 7, 1883. The above named children are the issue of a marriage between the said Emma Faulkner and Frank M. Faulkner on February 1, 1891. Emma Faulkner and her three older children are duly identified on the Cherokee Census roll of 1896. Roxie, the youngest child is identified by a birth affidavit on file with this Commission.

The evidence further shows that the said Emma Faulkner has resided in the Cherokee Nation since 1893, and that she was a resident of said Nation at the date of the application herein.

It is, therefore, the opinion of this Commission that Emma Faulkner, Ollie B. Faulkner, Clarence Faulkner, Auda C. Faulkner, and Roxie Faulkner should be enrolled as citizens by blood of the Cherokee Nation in accordance with the provisions of Section twenty-one of the Act of Congress approved June 28, 1898 (30 Stats., 495), and it is so ordered.

COMMISSION TO THE FIVE CIVILIZED TRIBES.

Muskogee, Indian Territory, March 4,1902.

In the matter of the application of Woodrow W. Hadley for enrollment as a Cherokee citizen.

Supplemental Statement.

----0----

There was filed with this Commission a copy of a decree of divorce between Stella Conner and George Conner, certified by Charles A. Davidson, Clerk of the United States Court in the Indian Territory for the Northern District, to be a true and correct copy of the original decree entered in the case of Stella Conner vs. George Conner in said Court at a term thereof held on the 22nd day of November, 1899.

It is directed that copies of this statement be filed with the testimony in the above case.

Commissioner.

Cherokee D. 612

DEPARTMENT OF THE INTERIOR,

COMMISSION TO THE FIVE CIVILIZED TRIBES.

In the matter of the application of Woodrow W. Hadley for enrollment as a Cherokee citizen.

On the 16th day of October, 1900, Woodrow W. Hadley appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of himself as a citizen by intermarriage of the Cherokee Nation and for the enrollment of his wife and step-child as citizens by blood of the Cherokee Nation.

At the conclusion of the evidence offered at that time his wife and step-child were listed for enrollment on a regular card and the name of Woodrow W. Hadley was placed upon a "Doubtful" card awaiting evidence of divorce between his wife and her former husband.

Further evidence has been submitted to the Commission and the following decision is now rendered.

D E C I S I O N

--oOo--

From the evidence of record in this case it appears that Woodrow W. Hadley was first married on October 31, 1890 to Mary W. Johnson, a citizen by blood of the Cherokee Nation, duly identified on the authenticated tribal rolls of 1880, such marriage being by authority of a Cherokee marriage license. Mary W. Hadley died in 1891. On December 14,1899 applicant married Stella Simpson, a Cherokee citizen, identified on the authenticated tribal roll of 1880 as Stella Loflin. She was formerly married to George Conner from whom she was divorced. Applicant has resided in the Cherokee Nation ever since 1890, and he is identified on the Cherokee Census roll of 1896.

In making rolls of citizenship of the Cherokee Nation this Commission is governed by the following provisions of the Act of Congress approved June 28, 1898 (30 Stats., 495);

"That in making rolls of citizenship of the several tribes, as required by law, the Commission to the Five Civilized Tribes is authorized and directed to take the roll of Cherokee citizens

of eighteen hundred and eighty (not including freedmen) as the only roll intended to be confirmed by this and preceding Acts of Congress, and to enroll all persons now living whose names are found on said roll, and all descendants born since the date of said roll to persons whose names are found thereon; and all persons who have been enrolled by the tribal authorities who have heretofore made permanent settlement in the Cherokee Nation whose parents, by reason of their Cherokee blood, have been lawfully admitted to citizenship by the tribal authorities, and who were minors when their parents were so admitted; and they shall investigate the right of all other persons whose names are found on any other rolls and omit all such as may have been placed thereon by fraud or without authority of law, enrolling only such as may have lawful right thereto, and their descendants born since such rolls were made, with such intermarried white persons as may be entitled to citizenship under Cherokee laws."

In view of the facts and the law in this case it is considered that Woodrow W. Hadley is entitled to beenrolled as a citizen by intermarriage of the Cherokee Nation, and it is so ordered.

Commissioners.

The Honorable,

The Secretary of the Interior.

Sir:

I have the honor to enclose a report from the Commission to the Five Civilized Tribes, dated June 16, 1905, transmitting the record of the consolidated applications for enrollment as Cherokee Freedmen by John Freeman for himself, his wife, Nettie Freeman, and his minor children, John H., Minora, Charlie, Jesse, Walter, Luther, Arizona and Ora Freeman; by George Freeman for himself and wife, Carrie, and minor child, Annie Freeman; by Osa Freeman for himself; by Eliza Cannon for herself; and by Mary Thompson for herself and her minor children, Clarence, Ethel and Bessie Thompson.

June 16, 1905, the Commission decided adversely to all the applicants.

The record shows that on July 1, 1903, the Commission rendered a decision favorable to all of the applicants herein except Carrie Freeman and denying her; that thereafter, on April 4, 1904 (I.T.D. 842-1904) the Department reopened the case and remanded the same for further proceedings.

WASHINGTON.

July 6, 1906.

Commissioner to the Five Civilized Tribes,

Muskogee, Indian Territory.

Sir:

On June 16, 1905, the Commission to the Five Civilized Tribes transmitted the record, together with its decision dated June 16, 1905, in the matter of the applications for the enrollment of John Freeman et al. as Cherokee freedmen.

On July 1, 1903, the Commission to the Five Civilized Tribes rendered a decision in this case, in favor of most of the applicants.

On July 2, 1903, the attorneys for the Cherokee Nation requested a rehearing, alleging newly discovered evidence. This motion was denied by the Commission on July 27, 1903, for the reason that the nation had not exercised reasonable diligence in the filing of said motion. The attorneys for the nation appealed to the to the Department from the action of the Commission on September 17, 1903.

On April 4, 1904, the Department decided that the motion of the attorneys for the nation was reasonable and proper, and it accordingly remanded the case.

Reporting July 3, 1906, the Indian Office concurs in the decision of the Commission dated June 16, 1906. A copy of its letter is inclosed.

On September 7, 1906, the attorneys for the applicants filed a motion for review of the Commission's decision in this case. Said motion has been duly considered in connection with the case.

The Department considers that the evidence brought forth upon the rehearing shows clearly that the applicants did not return to the Indian Territory within the time specified in the decree of the Court of Claims rendered on February 3, 1896, in the case of Moses Whitmire, trustee, etc., vs. the Cherokee Nation et al.

The decision of the Commission to the Five Civilized Tribes is therefore affirmed, and the applications for the enrollment of John Freeman, Nettie Freeman, John H. Freeman, Elnora Freeman, Charlie Freeman, Jesse Freeman, Walter Freeman, Luther Freeman, Arizona Freeman, Ora Freeman, George Freeman, Carrie Freeman, Angie Freeman, Osa Freeman, Eliza Cannon, Mary Thompson, Clarence Thompson, Ethel Thompson, and Bessie Thompson as Cherokee freedmen are denied.

Respectfully,

Jesse E. Wilson,

Assistant Secretary.

It is endorsed as recorded on February 5, 1896, but it is further stated that it was returned in due time, and the record shows that it is required to be returned within 30 days from the celebration of the marriage; that would show that the marriage took place something like 30 days prior to February 5, 1896, if it was recorded promptly when returned.

In the matter of the application of William Thomas Gregory for enrollment as a Cherokee citizen.

———o———

On the 17th day of October, 1900, William Thomas Gregory appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of himself as a citizen by intermarriage of the Cherokee Nation and for the enrollment of his wife and children as citizens by blood of the Cherokee Nation.

At the conclusion of the evidence offered at that time the wife and children of applicant were listed for enrollment on a regular card and the name of William Thomas Gregory was placed upon a doubtful card awaiting proof of the date of his marriage to Mattie Coker. Further evidence in that matter has been submitted to this Commission and the following decision is rendered:

D E C I S I O N .

From all the evidence of record in this case it appears that William Thomas Gregory was married by authority of a Cherokee marriage license issued by Joe M. Lahey, Clerk of Goowesscoowee District, Cherokee Nation, to Mattie Coker, about July, 1895. He testified that he had lived in the Cherokee Nation continuously since the date of his said marriage. He is identified on the Cherokee Census roll of 1896; his wife, Mattie, is duly identified on the Cherokee authenticated tribal roll of 1880 and the Cherokee census roll of 1896 and has resided in the Cherokee Nation all her life.

In making rolls of citizenship of the Cherokee Nation, this Commission is governed by the following provisions of the Act of Congress approved June 28, 1898 (30 Stats., 495):

"That in making rolls of citizenship of the several tribes, as required by law, the Commission to the Five Civilized Tribes is authorized and directed to take the roll of Cherokee citizens of eighteen hundred and eighty (not including freedmen) as the only roll intended to be confirmed by this and preceding Acts of Congress, and to enroll all persons now living whose names are found on said roll, and all descendants born since the date of said roll to persons whose names are found thereon; and all persons who have been enrolled by the tribal authorities who have heretofore made permanent settlement in the Cherokee Nation whose parents, by reason of their Cherokee blood, have been lawfully admitted to citizenship by the tribal authorities, and who were minors when their parents were so admitted; and they shall investigate the right of all other persons whose names are found on any other rolls and omit all such as may have been placed thereon by fraud or without authority of law, enrolling only such as may have lawful right thereto, and their descendants born since such rolls were made, with such intermarried white persons as may be entitled to citizenship under Cherokee laws."

Under the facts and the law in this case it is considered that William Thomas Gregory is entitled to enrollment as a citizen by intermarriage of the Cherokee Nation, and it is, therefore, so ordered.

Commission to the Five Civilized Tribes,
Muskogee, I. T., February 27, 1903.

In the matter of the application of Olive F. Keith for enrollment as a Cherokee citizen.

Supplemental Statement.

On November 13, 1900, there was filed with the Commission to the Five Civilized Tribes a certified copy of the proceedings of the Cherokee Commission on Citizenship in relation to the application of Olive Keith for citizenship, from which it appears that on September 13, 1894, it was determined that Olive Keith was a Cherokee by blood, and as such entitled to all the rights and privileges of Cherokee citizenship in the Cherokee Nation, and that she was, by said Commission, admitted to a full and complete enjoyment of the same, "in all respects as a native born Cherokee".

Said certified copy is duly attested by A. B. Cunningham, Assistant Executive Secretary of the Cherokee Nation, and the Seal of the Cherokee Nation thereto affixed.

Department of the Interior,
Commission to the Five Civilized Tribes.

In the matter of the application of Olive F. Heath for the enrollment of herself as a citizen by blood of the Cherokee Nation.

On the 17th day of October, 1900, Olive F. Heath appeared before the Commission to the Five Civilized Tribes and made application for enrollment as a citizen by blood of the Cherokee Nation.

At the conclusion of the evidence offered at that time, the said Olive F. Heath was placed upon a doubtful card awaiting the production of a certificate admitting her to Cherokee citizenship, or a certified copy thereof.

Further evidence in that matter has been submitted to this Commission and the following decision is rendered:

D E C I S I O N .

From all the evidence of record in this case it appears that Olive F. Heath was duly admitted to citizenship in the Cherokee Nation on the 10th day of September, 1894, as a Cherokee by blood, and has resided continuously in the Cherokee Nation since her admission. She is identified on the Cherokee census roll of 1896.

In making rolls of citizenship of the Cherokee Nation this Commission is governed by the following provisions of the Act of Congress approved June 28, 1898 (30 Stats.,495):

"That in making rolls of citizenship of the several tribes, as required by law, the Commission to the Five Civilized Tribes is authorized and directed to make the roll of Cherokee citizens of eighteen hundred and eighty (not including freedmen) as the only roll intended to be confirmed by this and preceding Acts of Congress, and to enroll all persons now living whose names are found on said roll, and all descendants born since the date of said roll to persons whose names are found thereon; and all persons who have been children by Cherokee citizens who have heretofore made permanent settlement in the Cherokee Nation shall, if heads of their respective block, have been lawfully admitted by blood by the proper authorities, and who were living on said [illegible] to be entitled; and they shall nevertheless be [illegible] of all other persons whose names are found on any other rolls who [illegible] as may have been placed thereon by reason of alleged ignorance of law, or failure [illegible] as may have lawful right thereto, and their descendants born since said rolls were made, and such intermarried [illegible] as may be entitled to citizenship under Cherokee law."

Under the facts and the law in this case it is considered that Olive F. Heath is entitled to enrollment as a citizen by blood of the Cherokee Nation, and it is so ordered.

George Gilbert S...

The applicant applies for the enrollment of himself, wife, one child and a half-brother, who is a minor and in his charge.
The applicant is identified on the 1880 and 1896 rolls as a native Cherokee, has lived in the Cherokee Nation all his life and will be listed now for enrollment as a Cherokee by blood. His half-brother is identified on the roll of 1896 as a native Cherokee. He is a minor and too young to be on the roll of 1880, but his mother is identified on that roll. This half-brother, Dennis B. Gilbert has lived in the Cherokee Nation all his life and will be listed now for enrollment as a Cherokee by blood.
The applicants wife as stated by him, was married to him in November 1899, she being a white woman; that they have neither been married before. He does not present a certificate of marriage, but in any event his marriage to her was too late to confer citizenship upon her and the application as to his wife will therefore be rejected. He states that his child is seven weeks old but he does not establish that fact either of its birth of of his marriage to his wife. The name of the child Esther will, upon presentation to the Commission of the proper proof of its birth, [redacted] be placed upon a doubtful card to await satisfactory evidence as to the marriage of applicant to his wife.

Chas. von Weise, being duly sworn states that as stenographer to the Commission to the Five Civilized tribes he reported in full all the proceedings had in the above entitled cause and that the foregoing is a full, true and correct transcript of his stenographib notes of said proceedings.

In the matter of the application of George Gilbert for the enrollment of his minor child, Esther Gilbert, as a citizen of the Cherokee Nation.

---o---

Supplemental Statement.

On October 24, 1900, there was filed with the Commission a certificate from which it appears that George Gilbert was married to Lulu M. Martin on the 9th day of November, 1899, by Harman J. Hoover, Pastor M. E. Church.

On the 18th day of October, 1900, there was filed with the Commission a birth affidavit, duly executed, by Lulu M. Gilbert, from which it appears that Esther Gilbert was born on the 26th day of August, 1900; that she is the child of George Gilbert and Lulu M. Gilbert, and was living at the date of the execution of the affidavit. Said affidavit was approved.

Commissioner.

Cherokee D-631.

Department of the Interior,

Commission to the Five Civilized Tribes.

In the matter of the application of George Gilbert for the enrollment of his minor child, Esther Gilbert, as a citizen of the Cherokee Nation.

----o----

On the 18th day of October, 1900, George Gilbert appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of himself, his half-brother, Dennis B. Gilbert, and his child, Esther Gilbert, as citizens by blood of the Cherokee Nation, and for the enrollment of his wife, Lulu Gilbert, as a citizen by intermarriage of the Cherokee Nation.

At the conclusion of the evidence offered at that time George Gilbert and his half-brother, Dennis B., were listed for enrollment on a regular card, and his wife, Lulu, was refused enrollment. The name of Esther Gilbert was placed upon a doubtful card, awaiting proof of marriage of her parents and also proof of her birth.

Further evidence has been submitted to this Commission and the following decision is rendered:

D E C I S I O N .

From the evidence of record in this case it appears that Esther Gilbert is the child of George Gilbert and Lulu Gilbert, his wife. The said George Gilbert is duly identified on the 1880 authenticated tribal roll of the Cherokee Nation and the 1896 census roll of the Cherokee Nation, and has resided in the Cherokee Nation all his life. It appears that he was married to his wife, Lulu, on the 9th day of November, 1899. The child, Esther, is not identified upon any roll of the Cherokee Nation, having been born subsequent to the preparation of any roll, but she is duly identified by the birth affidavit filed in the case.

In making rolls of citizenship of the Cherokee Nation this Commission is governed by the following provisions of the Act

of Congress approved June 28, 1898 (30 Stats.,495):

"That in making rolls of citizenship of the several tribes, as required by law, the Commission to the Five Civilized Tribes is authorized and directed to take the roll of Cherokee citizens of eighteen hundred and eighty (not including freedmen) as the only roll intended to be confirmed by this and preceding Acts of Congress, and to enroll all persons now living whose names are found on said roll, and all descendants born since the date of said roll to persons whose names are found thereon; and all persons who have been enrolled by the tribal authorities who have heretofore made permanent settlement in the Cherokee Nation whose parents, by reason of their Cherokee blood, have been lawfully admitted to citizenship by the tribal authorities, and who were minors when their parents were so admitted; and they shall investigate the right of all other persons whose names are found on any other rolls and omit all such as may have been placed thereon by fraud or without authority of law, enrolling only such as may have lawful right thereto, and their descendants born since such rolls were made, with such intermarried white persons as may be entitled to citizenship under Cherokee laws."

In view of the facts and the law in this case it is considered that Esther Gilbert is entitled to be enrolled as a citizen by blood of the Cherokee Nation, and it is so ordered.

Mr. George Gilbert,

Sir:

Evidence has been secured by this office showing that your daughter, Esther Gilbert, whose name appears on the roll of Cherokee citizens by blood opposite No. 21739, died on July 26, 1901.

The act of Congress of July 1, 1902 (32 Stats., 716), contains the following provision:

> "That no allotment of land or other tribal property shall be made to any person, or to the heirs of any person, whose name is on said roll and who died prior to the first day of September, nineteen hundred and two. The right of such person to any interest in the lands or other tribal property shall be deemed to have become extinguished and to have passed to the tribe in general upon his death before said date, and any person or persons who may conceal the death of anyone on said roll as aforesaid for the purpose of profiting by said concealment, and who shall knowingly receive any portion of any land or other tribal property or of the proceeds so arising from any allotment prohibited by this section, shall be deemed guilty of a felony, and shall be proceeded against as may be provided in other cases of felony, and the penalty for this offense shall be confinement at hard labor for a period of not less than one year nor more than five years, and in addition thereto a forfeiture to the Cherokee Nation of the lands, other tribal property, and proceeds so obtained."

You are, therefore, notified that on or before February 25, 1910, you may appear at this office, if you so desire, to show cause why recommendation should not be made to the Department of the Interior that the following notation be placed opposite the name of Esther Gilbert on the approved roll of Cherokee citizens:

"Died prior to September 1, 1902; not entitled to land or money."

Respectfully,

WBM (LRA) Acting Commissioner.

Muskogee, Oklahoma, March 7, 1910.

SUBJECT:
Enrollment of Esther
Gilbert, a Cherokee.

. . . . . .

The Honorable,

The Secretary of the Interior.

Sir:

I have the honor to bring to the attention of the Department the case of Esther Gilbert, a citizen by blood of the Cherokee Nation, enrolled opposite No. 21739. No application to select an allotment of land having been made for Esther Gilbert an investigation was begun to determine whether this person was living, and if not, the date of her death, and on October 26, 1909, Lula Gilbert, mother of Esther Gilbert, testified that her child was born August 26, 1900, and died at the age of eleven months, this death occurring on July 26, 1901. This statement was corroborated by the father, George Gilbert. On October 26, 1901, a visit was made to the cemetery at Coffeyville, Kansas, where the parents of this child resided, and there a tomb stone was found bearing the inscription that Esther, daughter of G. & L. Gilbert was born August 26, 1900, and died at the age of eleven months.

On January 25, 1910, George Gilbert, father of Esther

Gilbert, deceased, was notified by registered mail of the information secured by this office as to the date of the death of Esther Gilbert, and of the provisions of Section 31 of the Act of Congress approved July 1, 1902, (32 Stats., 716) that no person whose name was on the final roll of Cherokee citizens and who died prior to September 1, 1902, was entitled to an allotment of land or other tribal property, and advised that he might within a stipulated time appear at this office and show cause why recommendation should not be made to the Department that a notation be placed on the roll showing that the said Esther Gilbert was not entitled to participate in a division of the tribal property of the Cherokee Nation.

This notice was received as is evidenced by the return of the registry receipt properly signed but no appearance has been made.

The record in this case appears clearly to establish that Esther Gilbert died prior to September 1, 1902, and I therefore recommend that the following notation be placed upon all copies of the final rolls of citizens of the Cherokee Nation, opposite the name of Esther Gilbert, No. 21738: "Died prior to September 1, 1902, not entitled to land or money."

No. 3.

Department of the Interior,

Commission to the Five Civilized Tribes,

In the matter of the application of Charles M. Keys for enrollment as a citizen of the Cherokee Nation.

—o—

On the 18th day of October, 1900, Mary Jenette Keys appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of herself and children as citizens by blood, and for the enrollment of her husband, Charles M. Keys, as a citizen by intermarriage of the Cherokee Nation.

At the conclusion of the evidence offered at that time Mary Jenette Keys and her children were listed for enrollment on a regular card and the name of Charles M. Keys was placed upon a doubtful card, awaiting official evidence of his marriage to his said wife according to Cherokee law.

Further evidence has been submitted to this Commission and the following decision is rendered:

D E C I S I O N .

From the evidence of record in this case it appears that Charles M. Keys was authorized by virtue of a Cherokee marriage license, issued on the 15th day of November, 1892, to marry Mrs. M. J. Keys, nee Spencer, and that they were duly united in marriage under said license by J. S. Lamar, A Minister of the Gospel, on the 18th day of June, 1893.

His wife, Mary J., is identified on the 1880 authenticated tribal roll of the Cherokee Nation and the 1896 census roll of the Cherokee Nation. He has resided in the Cherokee Nation with his wife since his said marriage, and she has resided in the Cherokee Nation all her life. The name of Charles M. Keys does not appear upon any roll of the Cherokee Nation now in possession of the Commission. This, however, is not deemed material in this case.

In making rolls of citizenship of the Cherokee Nation this Commission is governed by the following provisions of the Act of Congress approved June 28, 1898 (30 Stats.,495):

"That in making rolls of citizenship of the several tribes, as required by law, the Commission to the Five Civilized Tribes is authorized and directed to take the roll of Cherokee citizens of eighteen hundred and eighty (not including freedmen) as the only roll intended to be confirmed by this and preceding Acts of Congress, and to enroll all persons now living whose names are found on said roll, and all descendants born since the date of said roll to persons whose names are found thereon; and all persons who have been enrolled by the tribal authorities who have heretofore made permanent settlement in the Cherokee Nation whose parents, by reason of their Cherokee blood, have been lawfully admitted to citizenship by the tribal authorities, and who were minors when their parents were so admitted; and they shall investigate the right of all other persons whose names are found on any other rolls and omit all such as may have been placed thereon by fraud or without authority of law, enrolling only such as may have lawful right thereto, and their descendants born since such rolls were made, with such intermarried white persons as may be entitled to citizenship under Cherokee laws."

In view of the facts and the law in this case it is considered that Charles M. Keys is entitled to be enrolled as a citizen by intermarriage of the Cherokee Nation, and it is therefore so ordered.

DEPARTMENT OF THE INTERIOR,

COMMISSION TO THE FIVE CIVILIZED TRIBES.

In the matter of the application of Custis L. Harnage for enrollment as a citizen by blood of the Cherokee Nation.

D E C I S I O N.

The record in this case shows that on October 18, 1900, Custis L. Harnage appeared before the Commission at Nowata, Indian Territory, and made application for the enrollment, among others, of himself as a citizen by blood of the Cherokee Nation. The other parties to the application are differently classified and are not embraced in this decision. Further proceedings were had in the matter of the said application at Muskogee, Indian Territory, on March 7, 1902.

The evidence shows that Custis L. Harnage is the son of one Emily W. Harnage. An examination of the records of the Cherokee Nation, in the possession of this Commission, shows that the said Emily W. Harnage was admitted to citizenship in the Cherokee Nation, by the duly constituted authorities of the said Nation, on January 31, 1881; and was afterwards readmitted to citizenship by the said authorities on May 21, 1887. Custis L. Harnage was a minor on the last mentioned date. He removed to the Cherokee Nation in 1884, and has resided there ever since. He is identified on the Cherokee Census roll of 1896, and on examination of the tribal rolls in the possession of this Commission it is found that the said Custis L. Harnage is also identified on the strip payment roll of 1894.

It is, therefore, the opinion of this Commission that the said Custis L. Harnage should be enrolled as a citizen by blood of the Cherokee Nation, in accordance with the provisions of Section 21 of the Act of Congress, approved June 28, 1898, (30 Stats., 495), and it is so ordered.

In the matter of the application
of Custus L. Hernage, for enrollment
as a Cherokee citizen.

The pertinent facts in this case are:

John Linley Hernage, father, and Lilly Hernage, mother, of the applicant were readmitted to citizenship in the Cherokee Nation in the year 1881. Custus, their child was then a minor of the age of 14 years. After remaining for a time in the Cherokee Nation the parents returned to Texas. A short time subsequent thereto, but later than 1884, Mrs. Scott, witness herein, left between 1885 and 1886 Custus, the boy settled permanently in the Cherokee Nation, claiming rights thereto by virtue of the readmission of his father and mother. In 1884, applicant had some cattle in the Canadian District, and in the winter of that year he moved to Coowescoowee District and made a place for himself. Since that time to the present he has resided continuously in the Cherokee Nation, and is now 35 years of age.

The impression seems to have prevailed at that time, that after an absence of five years from the Nation, no matter what was the cause, or the intention of the parties, citizenship was lost. In accordance with this view, John Linley Hernage and Lilly Hernage, parents of applicant, returned to the Cherokee Nation in 1880, filed for and were admitted, and remained there on lived and died home of their own in the Cherokee Nation until their death.

The applicant was a minor at the time of their last readmission.

In our judgment the applicant is entitled upon either or both readmissions of his parents. His name appears upon the rolls of the Cherokee Nation, as a duly recognized citizen thereof.

There is no way of ascertaining the intention of applicant's

parents upon leaving the Cherokee Nation after their admission in 1[illegible] save by circumstances. However, there is no doubt but what they might have returned [illegible] in 1883 or 1884, when their boy Custus settled here, and without question asserted and maintained their rights as Cherokees.

By the laws in force in the Cherokee Nation, they were Cherokees and might at any time return to the Nation. Their purpose to be such is clear by their return application for admission in 1[illegible] and readmitted on their return in 1[illegible], although it is submitted this formality was unnecessary, there being no law requiring continued residence here at that time, but conceding that when they left here in 1882, or thereabouts they abandoned and forfeited their rights as citizens, Custus the applicant, was yet a minor when they were readmitted the second time, and had several years previously established his residence, and has ever since lived in the Nation and been placed upon it's rolls.

We contend, however in the absence of testimony, on the showing that the applicant's parents did not remove from the Nation with the intention of expatriating themselves, and become citizens of the state of Texas, that the Commission should not presume it was so, in the face of the fact that their boy shortly thereafter settled in the Nation relying upon their citizenship, that the parents by their voluntary [illegible] for [illegible] admitted to Cherokee citizenship, and then subsequently returned, established a home and spent the remainder of their life within its borders. The testimony of Mrs. Scott will show the impression [illegible] the Nation, which was [illegible] in 1[illegible], and that such applications were made [illegible] court, or intention of their [illegible] to their citizenship in the Nation.

Mr. Gustav Hasan

Dear Sir: Enclosed you will find two copies of the admission of your father and mother to citizenship. They were first admitted in 1881, in Jan. and their records admitted again in 887 and 888. It seems from the records, which is not as copies sent, that your mother and you was admitted in 1887 and your father the same time in or about 88. Your name is not included in either of these admissions, either of them were during your minority. The admission of the parent is considered as an admission of the son. And I send you both copies; for if you come in before 1887 the first admission will serve your purpose best.

Respectfully

DEPARTMENT OF THE INTERIOR.

COMMISSION TO THE FIVE CIVILIZED TRIBES.

Muskogee, I. T. February 26, 1902

I, the undersigned, do hereby certify that the above and foregoing is a true and correct copy of the original offered in evidence in the matter of the application for enrollment of

Date O. Reed as a citizen of the Cherokee Nation.

Commissioner.

Cherokee D - 668.

Department of the Interior,

Commission to the Five Civilized Tribes.

In the matter of the application of Bate O. Reed for enrollment as a citizen of the Cherokee Nation.

—o—

On the 19th day of October, 1900, Mollie E. Reed appeared before the Commission to the Five Civilized Tribes and made application for the enrollment of herself and child as citizens by blood, and for the enrollment of her husband, Bate O. Reed, as a citizen by intermarriage of the Cherokee Nation.

At the conclusion of the evidence offered at that time Mollie E. Reed and her child were listed for enrollment on a regular card and the name of Bate O. Reed was placed upon a doubtful card, awaiting official evidence of his marriage to his wife, Mollie E., under Cherokee law.

Further evidence has been submitted to this Commission and the following decision is rendered:

D E C I S I O N .

From the evidence of record in this case it appears that Bate O. Reed is a white man; that he was married to his wife, Mollie E. McCoy, under United States law, on the 17th day of September, 1885. It further appears that he was married to Mrs. Mollie E. Reed on the 11th day of September, 1890, under authority of a marriage license issued by J. M. Adair, Clerk of Sequoyah District, Cherokee Nation, on the 2nd day of June, 1890.

His wife, Mary E., is identified on the Cherokee authenticated tribal roll of 1880 and the census roll of 1896. She has resided in the Cherokee Nation all her life and he, the said Bate O. Reed, has resided continuously with his wife in the Cherokee Nation since his marriage to her. His name appears upon the 1896 census roll of the Cherokee Nation.

In making rolls of citizenship of the Cherokee Nation this Commission is governed by the following provisions of the Act of Congress approved June 28, 1898 (30 Stats.,495):

"That in making rolls of citizenship of the several tribes, as required by law, the Commission to the Five Civilized Tribes is authorized and directed to take the roll of Cherokee citizens of eighteen hundred and eighty (not including freedmen) as the only roll intended to be confirmed by this and preceding Acts of Congress, and to enroll all persons now living whose names are found on said roll, and all descendants born since the date of said roll to persons whose names are found thereon; and all persons who have been enrolled by the tribal authorities who have heretofore made permanent settlement in the Cherokee Nation whose parents, by reason of their Cherokee blood, have been lawfully admitted to citizenship by the tribal authorities, and who were minors when their parents were so admitted; and they shall investigate the right of all other person whose names are found on any other rolls and omit all such as may have been placed thereon by fraud or without authority of law, enrolling only such as may have lawful right thereto, and their descendants born since such rolls were made, with such intermarried white persons as may be entitled to citizenship under Cherokee laws."

In view of the facts and the law in this case it is considered that Bate C. Reed is entitled to be enrolled as a citizen by intermarriage of the Cherokee Nation, and it is so ordered.

Card D. 859.

In the matter of the application for the enrollment of Ada Thurman as a Cherokee citizen.

Additional testimony.

Samuel W. Thurman, being sworn and examined by Commissioner Kennedy, testified as follows:

Q Give me your name? A Samuel W. Thurman.

Q You appeared this morning, believe? A Yes, sir.

Q Are you the husband of Ada Thurman? A Yes, sir.

(The applicant presents a duly authenticated certificate of admission to Cherokee citizenship, in the Cherokee Nation, dated August 16, 1889, showing that at that time Ada Brackett, age 11 years, was admitted to citizenship.)

Q That is the name of your wife at that time? A Yes, sir.

(This is received in official evidence of his wife's admission as stated.)

Q When did you marry her? A She was recorded in the year 1889, she has been here ever since; she was an orphan girl.

Q What was her father's name? A Bayless Brackett.

Q Was her father lived here ever since 1889? A No, her father died in Georgia and her guardian brought the children here.

Q When did he bring them? A In the year 1889.

Q You are sure he brought them here in the year 1889? A Nothing more than my wife told me, and what the paper shows.

Q Have you always understood that she was here at the time she was admitted? A Yes, sir, that is from my understanding.

Q And she lived here ever since? A Yes, sir, and went to school to the orphan asylum.

(This certificate is endorsed that the parties named herein enrolled in the Executive Department as required by the certificate May 14, 1890; signed by J. J. Harris, Assistant Executive Secretary.)

Q You say she has been here ever since she came the first time?

A Yes, sir.

This is satisfactory evidence of the applicant's wife having come to the then Nation within twelve months after she was admitted to citizenship as required by the statutes to confer admission, and this evidence will go with her case.

Bruce T. Jones, being duly sworn, says that as stenographer to the Commission to the Five Civilized Tribes he correctly recorded the proceedings and testimony in the above case, and the foregoing is a true and complete transcript of his stenographic notes thereof.

Q And lived with her all the time? A Yes, sir.

She is identified on the roll of 1896, and the marriage license and certificate filed herewith explains her change of name. To await official evidence of her admission to Cherokee citizenship she will at present be placed upon a doubtful card.

The applicant is identified on the roll of 1896. He is shown to have married his wife in September of the same year, and states that he has lived with his wife in the Cherokee Nation ever since their marriage. His marriage to her, however, is too late under the Cherokee law of 1895 to entitle him to enrollment at this time. Therefore the application for his enrollment is rejected.

The undersigned, beingsworn, states that as stenographer to the Commission to the Five civilized Tribes he correctly recorded the testimony and other proceedings in this application for enrollment, and that the foregoing is a correct and complete transcript of his stenographic notes thereof.

In the matter of the application for the enrollment of Ada Thurman as a citizen by blood of the Cherokee Nation, and for the enrollment of her child, Elizabeth Thurman.

--oOo--

The record in this case shows that on October 22, 1900, Samuel W. Thurman appeared before the Commission at Claremore, Indian Territory and then and there made application for his enrollment as a citizen by intermarriage of the Cherokee Nation, and for the enrollment of his wife Ada Thurman as a citizen by blood of the Cherokee Nation.

Upon the evidence then submitted Samuel W. Thurman was listed on Cherokee Roll card, Field No. R 306. On March 6, 1902, further proceedings were had relative to this application at Muskogee, Indian Territory.

The evidence shows that Ada Thurman, under the name of Ada Brackett, was admitted to citizenship in the Cherokee Nation on October 5, 1887. She has resided in the Cherokee Nation since 1889, and she is identified on the Cherokee Census roll of 1896. She was married on September 23, 1896 to Samuel W. Thurman.

From a birth affidavit filed with this Commission on June 19, 1901, it appears that a child, Elizabeth, has been born to Ada and Samuel W. Thurman, since the date of the original application and is now living.

The authority of the Commission herein is defined in Paragraph

1, Sec. 21, of the Act of Congress, June 28, 1898 (30 Stats., 495):

It is therefore the opinion of the Commission that Ada Thurman and her minor child, Elizabeth Thurman are lawfully entitled to be enrolled as members by blood of the Cherokee Tribe of Indians in Indian Territory, and that their application for enrollment as such should be granted, and it is so ordered.

In the matter of the application of Malissa Ross for enrollment as a citizen of the Cherokee Nation.

---o---

On the 23rd day of October, 1900, Malissa Ross appeared before the Commission to the Five Civilized Tribes and made application for enrollment as a citizen by blood of the Cherokee Nation.

At the conclusion of the evidence offered at that time the name of Malissa Ross was placed upon a doubtful card, awaiting proof of her citizenship as a Cherokee by blood.

Further evidence has been submitted to,this Commission and the following decision is rendered:

D E C I S I O N .

From the evidence of record in this case it appears that Malissa Ross has resided in the Cherokee Nation all her life; that she is identified on the 1880 authenticated tribal roll of the Cherokee Nation as a freedman and on the 1896 census roll as a freedman. It further appears that the father of Malissa Ross was a colored man and her mother, a Cherokee by blood.

In making rolls of citizenship of the Cherokee Nation this Commission is governed by the following provisions of the Act of Congress approved June 28, 1898 (30 Stats.,495):

"That in making rolls of citizenship of the several tribes, as required by law, the Commission to the Five Civilized Tribes is authorized and directed to take the roll of Cherokee citizens of eighteen hundred and eighty (not including freedmen) as the only roll intended to be confirmed by this and preceding Acts of Congress, and to enroll all persons now living whose names are found on said roll, and all descendants born since the date of said roll to persons whose names are found thereon; and all persons who have been enrolled by the tribal authorities who have heretofore made permanent settlement in the Cherokee Nation whose parents, by reason of their Cherokee blood, have been lawfully admitted to citizenship by the tribal authorities, and who were minors when their parents were so admitted; and they shall investigate the right of all other persons whose names are found on any other rolls and omit

all such as may have been placed thereon by fraud or without authority of law, enrolling only such as may have lawful right thereto, and their descendants born since such rolls were made, with such intermarried white persons as may be entitled to citizenship under Cherokee laws".

In view of the facts and the law in this case it is considered that Malissa Ross is entitled to be enrolled as a citizen of the Cherokee Nation, by blood, and it is therefore so ordered.

In the matter of the application of Katie Vann for enrollment as a citizen of the Cherokee Nation.

———o———

On the 23rd day of October, 1900, Katie Vann appeared before the Commission to the Five Civilized Tribes and made application for enrollment as a citizen by blood of the Cherokee Nation.

At the conclusion of the evidence offered at that time her name was placed upon a doubtful card, awaiting proof of her citizenship as a Cherokee by blood.

Further evidence has been submitted to this Commission and the following decision is rendered:

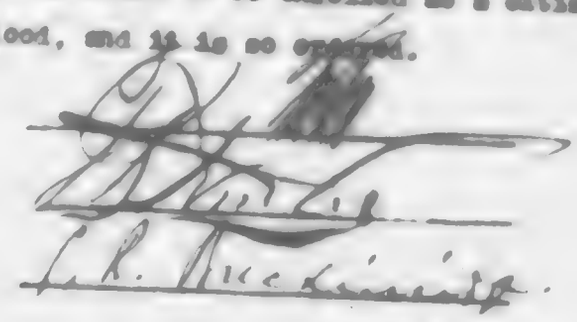

D E C I S I O N .

From the evidence of record in this case it appears that Katie Vann has resided in the Cherokee Nation all her life; that she is identified on the 1880 authenticated tribal roll of the Cherokee Nation as a freedman and on the 1896 census roll as a freedman. It further appears that the mother of Katie Vann is a citizen by blood of the Cherokee Nation.

In making rolls of citizenship of the Cherokee Nation this Commission is governed by the following provisions of the Act of Congress approved June 28, 1898 (30 Stats.,495):

"That in making rolls of citizenship of the several tribes, as required by law, the Commission to the Five Civilized Tribes is authorized and directed to take the roll of Cherokee citizens of eighteen hundred and eighty (not including freedmen) as the only roll intended to be confirmed by this and preceding Acts of Congress, and to enroll all persons now living whose names are found on said roll, and all descendants born since the date of said roll to persons whose names are found thereon; and all persons who have been enrolled by the tribal authorities who have heretofore made permanent settlement in the Cherokee Nation whose parents, by reason of their Cherokee blood, have been lawfully admitted to citizenship by the tribal authorities, and who were minors when their parents were so admitted; and they shall investigate the right of all other persons whose names are found on any other rolls and omit all such as may have been placed thereon by fraud or without authority of law, enrolling only such as may have lawful right thereto, and their descendants born since such rolls were made, with such intermarried white persons as may be entitled to citizenship under Cherokee law."

In view of the facts and the law in this case it is considered that Katie Vann is entitled to be enrolled as a citizen of the Cherokee Nation, by Blood, and it is so ordered.

Q Can you help us to identify the mother on any roll? A I guess so, she drawed money twice I know of; I saw her draw it once and I drawed it for her once.
Q Do you know where she was in 1880? A No, sir, I don't, she was right down in Sequoyah district though somewhere.
Q Was she a Cherokee by blood? A Yes, sir.
Q It seems that she has been known as Cynthia Hampton?

Q And at one time as an Everett? A Everett come in before Buckner.
Q Was she of Cherokee blood? A Yes, sir.
Q How much Cherokee blood do you think she had? A I think about one-fourth, I don't know exactly.
Q Well, did you ever know her mother? A No, sir, never knowed her mother; her mother was dead before '74 before I come into this country.

MR. HASTINGS: What was her husband Everett's name?

A Charley.
Q Did they live together until he died? A No, sir.
Q They separated? A Yes, sir.
Q Did she have a child by Charley? A No.
Q No children? A No, sir.

Com'r Breckinridge: Upon examination of the roll of 1880 in the possession of the Commission there is found the name of Lucinda Everage in Sequoyah district, page 494, #438. This woman's age there given 20 years, and she is marked as adopted white. The latter indication upon the roll is obviously very unreliable for "adopted white" is placed near the head of the column and his ditteed down through a

large number of names, including husbands and wives and children, and of course there is no such thing as an adopted white child intentionally on the roll.

This is considered a reliable identifi cation of the deceased mother of the appli cant, Minnie Buckner.

COM'R BRECKINRIDGE: Is there any further testimony you can give in regard to this applicant's mother? A Not that I know of; a sister to her mother was Arthur Collier's wife, Ollie Collier.
Q Was George Hampton in Sequoyah district in 1880? A Yes, sir.
Q You say Minnie Buckner's mother has a sister living known as Isabelle Sanders? A Yes, sir.
Q The husband i s Isabelle Sanders is named Isaac is it?
A Yes, sir.

1880 Authenticated roll of Cherokee citizens examined and name of applicant's mother's sister and sister's husband found thereon as follows:
Page 392, #1233, Isabel Sanders, Flint district.
Page 392, #1232, Isaac Sanders, Flint di strict.

Q Now, Mr. Foyil, was Minnie Buckner's mother a full sister to Isabelle Sanders? A Yes, sir.
Q The mother of Minnie Buckner did she live in the Cherokee Nation all her life? A Well, during the war times I think she was carried off, her child, probably to St. Louis, during the war and came back just after that.
Q But never out except during that war period? A Yes, sir.
Q This child, Minnie Buckner, has she lived in the Cherokee Nation all her life? A Yes, sir.

Com'r Breckinridge: A copy of this testimony will be filed as supplemental testimony in the case of Minnie Buckner, Cherokee doubtful case 671, and it is shown conclusively at the present time that Minnie Buckner's deceased mother was on the roll of 1880, and her status is further confirmed by the identification on that roll of her full sister, Isabelle Sanders, as a Cherokee by blood; it is further shown that with entire satisfaction that the mother of Minnie Buckner lived in the Cherokee Nation except for a short period in her childhood during the Ci vil War, and that Minnie Buckner has lived in the Cherokee Nation all her life. No doubt is entertained that Minnie Buckner should be listed for enrollment as a Cherokee by blood.

In the matter of the application of Minnie Buckner for enrollment as a citizen of the Cherokee Nation.

———o———

On the 23rd day of October, 1900, Alfred Foyil appeared before the Commission to the Five Civilised Tribes and made application for the enrollment of himself as a citizen by intermarriage, his wife and child as citizens by blood, and his adopted child, Minnie Buckner, as a citizen by blood of the Cherokee Nation.

At the conclusion of the evidence offered at that time the said Alfred Foyil and his wife and child were listed for enrollment on a regular card, and the name of Minnie Buckner was placed upon a doubtful card, awaiting identification of her mother upon the 1880 authenticated tribal roll of the Cherokee Nation.

Further evidence has been submitted to this Commission and the following decision is rendered:

D E C I S I O N .

From the evidence of record in this case it appears that Minnie Buckner is eighteen years old; that she is duly identified on the 1894 pay roll of the Cherokee Nation and has resided in the Cherokee Nation all her life. Her mother is duly identified on the 1880 Cherokee authenticated tribal roll.

In making rolls of citizenship of the Cherokee Nation this Commission is governed by the following provisions of the Act of Congress approved June 28, 1898 (30 Stats.,495):

"That in making rolls of citizenship of the several tribes, as required by law, the Commission to the Five Civilised Tribes is authorized and directed to take the roll of Cherokee citizens of eighteen hundred and eighty (not including freedmen) as the only roll intended to be confirmed by this and preceding Acts of Congress, and to enroll all persons now living whose names are found on said roll, and all descendants born since the date of said roll to persons whose names are found thereon; and all persons who have been enrolled by the tribal authorities who have heretofore made permanent settlement in the Cherokee Nation whose parents, by reason of their Cherokee blood, have been lawfully admitted to citizenship by the tribal authorities, and who were minors when their parents were so admitted; and they shall investigate the right of all other persons whose names are found on any other rolls and omit all such as may have been placed thereon by fraud or without authority of law, en-

rolling only such as may have lawful right thereto, and their descendants born since such rolls were made, with such intermarried white persons as may be entitled to citizenship under Cherokee laws."

In view of the facts and the law in this case it is considered that Minnie Buckner, being the lineal descendant of a person whose name appears upon the 1880 authenticated tribal roll of the Cherokee Nation, is entitled to be enrolled as a citizen of the Cherokee Nation, by blood, and it is so ordered.

The applicant applies for the enrollment of himself, his wife and five children, four children of the present marriage and one the child of his wife by a former marriage. His wife is shown to have been admitted to Cherokee citizenship with her family in 1894, she has lived in the Cherokee Nation since 1891, she is identified on the roll of 1896, and she will be listed for enrollment as a Cherokee by blood. Her child by her former husband, Ernest C. Pyburn, is identified with her on the roll of 1896, he is living with her now, is still a minor, and will be listed for enrollment as a Cherokee by blood. The three succeeding children, Minnie, Joseph T. Jr., and Rosa Lee Feland, issue of the present marriage, are identified with their parents on the roll of 1896, are living now, and will be listed for enrollment as Cherokees by blood. When a certificate of the birth of the youngest child, Lela Bell Feland, is filed with the Commission, this child will be listed for enrollment as a Cherokee by blood.

The applicant is shown to have married his wife in accordance with Cherokee law in January, 1895. They were married many years previous under United States law. He has lived with her in the Cherokee Nation ever since their marriage under Cherokee law, and he is identified with his wife on the roll of 1896. He and his wife state that she procured prior to her marriage to the applicant a decree of divorce from her former husband. She has not a copy of it at this time. Pending the receipt by the Commission of official evidence of that divorce, the application for the enrollment of the applicant will at this time be placed upon a doubtful card, and when a final decision is reached by the Commission, he will be informed at his post office address.

In the matter of the application of Joseph E. Feland for enrollment as a citizen by intermarriage of the Cherokee Nation.

--oOo--

The record in this case shows that on October 23, 1900, the applicant, Joseph E. Feland appeared before the Commission at Claremore, Indian Territory, and then and there made personal application for the enrollment of himself as a citizen by intermarriage of the Cherokee Nation, and for the enrollment of his wife Margaret A. Feland, his minor step-child Ernest C. Pyburn, and his four minor children Winnie, Joseph E. Jr. Rosa L., and Lela B. Feland as citizens by blood of the Cherokee Nation.

Applicant again appeared before the Commission on November 12, 1900 at Claremore, Indian Territory, and also on March 7, 1902, at Muskogee, Indian Territory and submitted additional testimony herein. Margaret A. Feland, Winnie Feland, Joseph E. Feland,Jr., Rosa L. Feland, Lela B. Feland and Ernest C. Pyburn were listed by the Commission on Cherokee roll card, Field No. 4799, and their rights are not considered or passed upon at this time. This applicant was listed on "Doubtful" card to submit evidence of the divorce of his wife from a former husband, and the same has now been supplied.

It appears from the evidence that the applicant Joseph E. Feland was married on January 1, 1[illegible], under the laws of the State of Texas to Margaret A. Pyburn, nee Dougherty, a citizen of the Cherokee Nation, and that she had at that time been lawfully divorced from a former husband, and it also appears from the evidence that afterwards on January 19, 1895, this applicant was re-married to his

said wife under Cherokee license in accordance with the tribal laws of the Cherokee Nation, and has resided in said Nation continuously with his wife and children since his re-marriage to her, and he is duly identified on the Cherokee Census roll of 1896.

The authority of the Commission herein is defined in Paragraph 1, Sec. 21, of the Act of Congress, June 28, 1898 (30 Stats., 495).

It is therefore the opinion of the Commission that Joseph B. Feland is lawfully entitled to be enrolled as a member by intermarriage of the Cherokee Tribe of Indians in Indian Territory and that his application for enrollment as such should be granted, and it is so ordered.

He avers that the result of said marriage was three children, Jesse [illegible], Clara I. and Charley, who are not upon the census roll of 1896. As to his residence and as to citizenship. By reason of his residence in the State of Wyoming according to his testimony, and because no certificate or proof of marriage is presented as to his marriage with said Rosanna Dunn, his alleged wife, now deceased, and because of the protest of the Representatives of the Cherokee Nation, protest as to the enrollment of himself and family because of his having been a non-resident, final judgment as to the enrollment of said Jesse T. Luddles and his children will be suspended, and their names will be placed upon a doubtful card.

The Representative of the Cherokee Nation called attention of the Commission to Section 2, Article 1 of the Constitution of the Cherokee Nation.

A Why, the reason that he went out he simply went out with one of his neighbors to drive a team when he went away, and when he first started he was to be gone but about six months and they were to return. Q Oh well, the whole Cherokee Nation was here then? A Yes sir.
Q But you know the farm was not cultivated when he came back? A No it was not cultivated.
Q In other words it reverted to the Cherokee Nation didn't it? A I couldn't say; they didn't anybody else use it.

Q They just [illegible] there? A Yes sir, they stayed there at the home.
Q What did [illegible] father have? A His father kept his horse there
Q What ever became of it, did it die or old age? A I can tell you what became of the horse, his father traded it for a yoke of oxen.
Q And the yoke of oxen, he sold them? A No sir.
Q Well tell us [illegible] so we can hear you, I never said stole them I said sold them? A He traded them for another horse.
Q Traded them as his own? A I was not with him I couldn't say.
Q You don't know what ever became of the hogs? A I don't know sir.

DEPARTMENT OF THE INTERIOR,

COMMISSION TO THE FIVE CIVILIZED TRIBES.

In the matter of the application of Jesse L. Ruddles for the enrollment of himself and his three minor children, Jesse F., Clara I. and Charley Ruddles as citizens by blood of the Cherokee Nation.

D E C I S I O N.

The record in this case shows that on October 23, 1900, the applicant, Jesse L. Ruddles, appeared before the Commission at Tahlequah, Indian Territory, and then and there made personal application for the enrollment of himself and his three minor children, Jesse F., Clara I. and Charley Ruddles, as citizens by blood of the Cherokee Nation. At the conclusion of the testimony offered at that time the names of all the applicants herein were placed upon a doubtful card for further consideration. Further testimony was submitted in this case on March 10, 1902 at Muskogee, Indian Territory.

It appears from the evidence in support of this application that Jesse L. Ruddles is identified on the 1880 authenticated tribal roll of the Cherokee Nation and on the 1896 Census Roll of the Cherokee Nation. It further appears that about the year 1884 he was living in the State of Wyoming, and did not return to the Cherokee Nation until about the year 1888. Just when he went to the state of Wyoming is not disclosed. It further appears that he was lawfully married to Rosanna Bunn on October 7, 1884 in the state of Wyoming. He has resided continuously in the Cherokee Nation since his return thereto in the year 1888. The minor children for whom application is made herein are the issue of the marriage of Jesse L. Ruddles and Rosanna Bunn, and are identified on the 1896 Census Roll of the Cherokee Nation.

The authority of the Commission herein is defined in Par. 1, Sec. 21, of the act of Congress, June 28, 1898(30 Stats.,495).

Cherokee-D-628

It is therefore the opinion of this Commission that Jesse L. Ruddles, Jesse F. Ruddles, Clara I. Ruddles and Charley Ruddles are lawfully entitled to be enrolled as members by blood of the Cherokee Tribe of Indians, in Indian Territory, and that the application for their enrollment as such should be granted, and it is so ordered.

DEPARTMENT OF THE INTERIOR,

COMMISSION TO THE FIVE CIVILIZED TRIBES.

In the matter of the application of Henry B. Smith for the enrollment of himself and his three minor children, Lelia C., Mary A. B. and Francis B. Smith, as citizens by blood of the Cherokee Nation, and for the enrollment of his wife, Florence C. Smith, as a member by intermarriage of the Cherokee Nation.

D E C I S I O N.

The record in this case shows that on October 24, 1900, the applicant, Henry B. Smith, appeared before the Commission at Claremore, Indian Territory, and then and there made personal application for the enrollment of himself and his two minor children, Lelia C. and Mary A. B. Smith, as citizens by blood of the Cherokee Nation, and for the enrollment of his wife, Florence C. Smith, as a member by intermarriage of the Cherokee Nation. At the conclusion of the evidence submitted at that time the names of all the applicants were placed upon a doubtful card awaiting further evidence of the admission of Henry B. Smith to Cherokee Citizenship.

It appears from the evidence in support of this application that Henry B. Smith was admitted to citizenship in the Cherokee Nation on September 6, 1882; that his home has been in the Cherokee Nation since his admission to citizenship therein, and that he is identified on the 1896 Census Roll of the Cherokee Nation. It further appears that he was lawfully married to his wife, Florence C. Smith, on December 12, 1894 and that she is identified on the 1896 Census Roll of the Cherokee Nation. It further appears that the minor child Lelia C., is identified on the 1896 Census Roll of the Cherokee Nation. The minor child, Mary A. B. Smith is too young to be upon any tribal roll of the Cherokee Nation, but she is identified by a birth affidavit filed with the Commission.

On January 11, 1902 there was filed with the Commission an

affidavit duly executed on January 7, 1902, from which it appears that Francis B. Smith was born on November 6, 1901, that he is the child of Henry B. and Florence C. Smith, and that he was living at the date of the execution of the affidavit.

The authority of the Commission herein is defined in Par. 1, Sec. 21, of the Act of Congress, June 28, 1898(30 Stats., 495).

It is therefore the opinion of this Commission that Henry B. Smith , Lelia C. Smith, Mary A. B. Smith and Francis B. Smith are lawfully entitled to be enrolled as members by blood of the Cherokee Tribe of Indians in Indian Territory, and that Florence C. Smith is lawfully entitled to be enrolled as a member by intermarriage of the Cherokee Tribe of Indians in Indian Territory, and that the application for their enrollment as such should be granted, and it is so ordered.
